

You'd Be Home By Now Book

Andrew Pyper

You'd Be Home Now Kathleen Glasgow, 2022-11-08 NEW YORK TIMES BESTSELLER • From the critically acclaimed author of *Girl in Pieces* comes a stunning novel that *Vanity Fair* calls “impossibly moving” and “suffused with light”. In this raw, deeply personal story, a teenaged girl struggles to find herself amidst the fallout of her brother's addiction in a town ravaged by the opioid crisis. For all of Emory's life she's been told who she is. In town she's the rich one--the great-great-granddaughter of the mill's founder. At school she's hot Maddie Ward's younger sister. And at home, she's the good one, her stoner older brother Joey's babysitter. Everything was turned on its head, though, when she and Joey were in the car accident that killed Candy MontClaire. The car accident that revealed just how bad Joey's drug habit was. Four months later, Emmy's junior year is starting, Joey is home from rehab, and the entire town of Mill Haven is still reeling from the accident. Everyone's telling Emmy who she is, but so much has changed, how can she be the same person? Or was she ever that person at all? Mill Haven wants everyone to live one story, but Emmy's beginning to see that people are more than they appear. Her brother, who might not be cured, the popular guy who lives next door, and most of all, many ghostie addicts who haunt the edges of the town. People spend so much time telling her who she is--it might be time to decide for herself. A journey of one sister, one brother, one family, to finally recognize and love each other for who they are, not who they are supposed to be, *You'd Be Home Now* is Kathleen Glasgow's glorious and heartbreaking story about the opioid crisis, and how it touches all of us.

You'd Be Home Now Kathleen Glasgow, 2021-09-28 NEW YORK TIMES BESTSELLER • From the critically acclaimed author of *Girl in Pieces* comes a stunning novel that *Vanity Fair* calls “impossibly moving” and “suffused with light”. If You Lived Here You'd Be Home By Now Andrew Pyper, 2012-11-20 When his father remarries and finds god, Hemingway leaves home and finds shelter at The Project, a house shared by musicians, actors and filmmakers. Andrew Pyper explores the space between childhood and adulthood, and the anonymity of city life. The thirteen stories in Andrew Pyper's intense and artful short-story collection, *Kiss Me*, deal with the issues, sensibilities and intangible estrangements of contemporary youth. But there are no neat and tidy coming-of-age passages here: these are narratives about reaching out—and often failing to touch—one another in a time of both privilege and fracture. HarperCollins brings great works of literature to life in digital format, upholding the highest standards in ebook production and celebrating reading in all its forms. Look for more titles in the HarperCollins short-stories collection to build your digital library.

If You Lived Here, You'd Be Home Now Claire LaZebnik, 2010-09-27 From the well-loved author of *Knitting Under the Influence* and *The Smart One and the Pretty One* comes a new novel about a young single mother trying to move out of her family's shadow. Rickie left home a long time ago—so how is it that at the age of twenty-five, she's living with her parents again, and sleeping in the bedroom of her childhood home? At least one thing has changed since high school: She now has a very sweet but frequently challenging son named Noah, who attends the same tony private LA school she herself attended. Rickie fit in fine when she was a student, but now her age and tattoos make her stand out from all the blond Stepford moms, who are desperate to know why someone so young—and so unmarried—has a kid in first grade. Already on the defensive, Rickie goes into full mother-tigress mode when her small and unathletic son tells her that the gym teacher is out to get him. She storms the principal's office, only to discover that Andrew Fulton, the coach, is no dumb jock. As her friendship with Andrew develops, Rickie finds herself questioning her assumptions—about motherhood, being a grown-up, and falling in love.
