Take the L Eyal Cohen,2025-09-12 What happens when a man falls in love for the first time? When he must be vulnerable and exposed for his love to flourish? Why does the promise of intimacy trigger inhibition? And how does his conditioning ignite his instinct to withdraw? Eyal Cohen explores these questions through interweaving vignettes that braid a young man's experience of falling in love with the complexities of contemporary masculinity. Set against the backdrop of a millennial's life in New York City, Cohen offers a fresh take on the true risks and rewards of falling in love. Through the lens of his budding romance with the mysterious 'ÁÚL,'À Cohen delves into intimacy, communication, and toxicity, offering readers an unabashed and nuanced perspective on the young male experience today. Take the L creates space and provides the language for meaningful conversations for those looking to better understand the young men in their lives'Âwhether they be peers, partners, colleagues, or sons. Through the telling of how his relationship blossomed and then unraveled, Cohen illustrates how love serves as a container for both our deepest wounds and our biggest transformations, calling us to consider how we learn about love from those we know, those we observe, and those who ultimately come to define the word itself.

The Complete Lyrics of Irving Berlin Robert Kimball,Linda Emmet,2005-12 (Applause Books). Gathered together in one volume for the first time, here are all of the incomparable song lyrics of Irving Berlin the lyrics of more than 1,200 songs, 400 of which have never before appeared in print along with anecdotal, historical, and musicological commentary and dozens of photographs. Berlin came from a poor immigrant family and began his career as a singing waiter, but by the time he was nineteen he was publishing his songs and quickly found fame with Alexander's Ragtime Band in 1911. In the extraordinary six decades that followed, Berlin wrote one popular hit after another: Blue Skies * Always * Cheek to Cheek * White Christmas * God Bless America * There's No Business Like Show Business * and many more. He also wrote a number of the classics of musical theater's Golden Age, climaxing with Annie Get Your Gun . He penned three Astaire and Rogers films Top Hat, Carefree , and Follow the Fleet as well as the scores of Holiday Inn, Easter Parade , and other films. The breadth of his accomplishment is staggering.

Home with You Shirlee McCoy,2018-02-27 A tragedy brings sudden responsibilities—and more—to a stubbornly single professor in a “sweet [and] enjoyable” tale by the USA Today–bestselling author. The Bradshaw brothers never dreamed

they'd return to their hometown. But tragedy has brought them back together in Benevolence, Washington, where they're finding generosity, surprising revelations—and unexpected love . . . Sullivan Bradshaw is in way over his head. A car crash killed his brother, Matthias, and critically injured his sister-in-law. It's Sullivan's turn to care for the couple's six children and the ancestral farm, but the die-hard bachelor and art professor is hardly family-man material. What he needs is the perfect nanny-miracle worker-saint. What he gets is pretty Rumer Truehart, a free spirit who will change everything he ever thought he wanted . . . Rumer learned the hard way that nothing is for sure, much less forever. And she certainly understands why Sullivan's unhappy childhood makes him a strictly no-commitments kind of guy. But she can't help being drawn to this thoughtful, gentle man. And when trouble strikes, she's determined to win his trust—and show him love can be a promise for keeps. Praise for Shirlee McCoy's Sweet Haven "Fans of Debbie Macomber will appreciate McCoy's sweet, funny, heartwarming romance with its friendly, small-town setting." —Booklist "A delicious small-town treat." —Library Journal

Wedding Etiquette Hell Jeanne Hamilton, 2005-06 Covering such wedding staples as attendants, invitations, registries, showers, the ceremony, the reception, and thank yous, Etiquette guru Jeanne Hamilton will give numerous examples of bad etiquette that should be avoided at all costs, such as: -No bride owns the calendar. Insisting that everyone within your acquaintance had not dare schedule their wedding anywhere within a six month time period labels you as a classic Bridezilla. -Sponsored wedding, at which vendors who donate their services are offered the opportunity to put their logos on various wedding related paper products. -It is never wise to make bridesmaid offers while in the grip of fluttery, just-engaged emotions. You may have to rescind those offers later when you realize you were just a bit too hasty. Once having made the offer, it is extraordinarily ungracious to rescind it, unless you want a seething friend or sister using your engagement photo as a dartboard. -Enclosing a blank deposit form for a bank account bearing the names of the bride and the groom with the invitation. And much more! This is a hilarious exploration of how weddings can literally drive people mad.

It's Elementary Elise Bryant, 2024-07-09 A fast-paced, completely delightful new mystery about what happens when parents get a little too involved in their kids' schools, from NAACP Image Award nominee Elise Bryant. Mavis Miller is not a PTA mom. She has enough on her plate with her feisty seven-year-old daughter, Pearl, an exhausting job at a nonprofit, and the complexities of a multigenerational household. So no one is more surprised than Mavis when she caves to Trisha Holbrook, the long-reigning, slightly terrifying PTA president, and finds herself in charge of the school's brand-new DEI committee. As one of the few Black parents at this California elementary school, Mavis tries to convince herself this is an opportunity for real change. But things go off the rails at the very first meeting, when the new principal's plans leave Trisha absolutely furious. Later that night, when Mavis spies Trisha in yellow rubber gloves and booties, lugging cleaning supplies and giant black trash bags to her waiting minivan, it's only natural that her mind jumps to somewhere it surely wouldn't in the light of day. Except Principal Smith fails to show up for work the next morning, and has been MIA since the meeting.

Determined to get to the bottom of things, Mavis, along with the school psychologist with the great forearms (look, it's worth noting), launches an investigation that will challenge her views on parenting, friendship, and elementary school politics. Brilliantly written, *It's Elementary* is a quick-witted, escapist romp that perfectly captures just how far parents will go to give their kids the very best, all wrapped in a mystery that will leave you guessing to the very end.

My Life as Eva Eva Gutowski, 2019-04-09 From the popular YouTube tastemaker Eva Gutowski comes her nationally bestselling lifestyle and advice book on the ups and downs of life, told in her hilarious, charming, and genuine voice. What's up guys? It's me, Eva! You may know me from my YouTube channel, MyLifeAsEva. If that's the case, then you might also know that I have a munchkin cat named Paris, a weird obsession with patterned sock collecting, and the tendency to say "HOLY SCHNITZEL!" at all the wrong moments. Like...embarrassing moments. I'm so lucky to have my fans—over eight million besties and counting! It has been amazing to meet so many of you since I started making videos. Growing up, books are what got me through life—a lot of the good times, and the really bad times. And no matter how challenging life got, I promised myself that I would get through it, in hopes that someday I'd have the chances to help people who need that one piece of great advice at just the right time. So here's a book by me, totally for you. I'll tell you a ton of my secrets, a lot of fail stories, and how I made it through—and how you can, too! Think of my book like a best friend you can turn to at any time. Xo Eva
