Deep Black: Payback Stephen Coonts, Jim DeFelice, 2005-10-04 A covert mission in Peru is derailed by a renegade general's devastating threat in the New York Times-bestselling author's acclaimed technothriller series. Ex-Marine sniper Charlie Dean and his top-secret NSA team have their orders: Infiltrate the highest stratum of Peruvian political power to stop a general from acing an election. All Dean has to do is find a way inside an impenetrable bank vault protected by armed guards round the clock—it's all in a day's work for the men and women of Deep Black. But things get complicated when Dean and company discover the general's second plot. The military madman's ruse—a nuclear weapon he claims is in the hands of Marxist guerillas, a bomb that only he can rescue . . . and control. When the general and his plot are exposed, the NSA concludes the greatest threat is over. But in fact, it's only just beginning . . .

As Quiet as Kept Donald Simmons, Jr, 2022-05-25 Synopsis Once Jethro's enlightened about the magical crowbar and sledgehammer effect, this elevates his position from a petty hustler who's barely making it to a player with money to blow. Vickie learns of a secret that she chooses to keep very close to her heart. Her intimate vendetta has a lot to do with the title of this book. As Quiet As Kept. Star is just everybody's favorite eye candy. She's an XTC, pill-popping, hoochie mama. The story heats up after Vickie visits a doctor. Now she's tied between two things: The spontaneous lifestyle she's so accustomed to living and the deadly secret she has hidden in the closet. However, there's one person who catches wind of her secret very early and goes out of his way to put a stop to her evil games. Meanwhile, Star also has a secret that gets exposed while she goes out of her way to win a game where the odds have been stacked against her. Now, in the midst of this escapade of sex, lies, murder, and games, Jethro continues to do what every other player in the game does, get money and play the game. However, there's still one more enemy against all, and she's an evil bitch we all call Karma. Karma makes everything that once went around come back around to give everybody what they deserve.
