Tennessee Williams' "A Streetcar Named Desire". A Comparison of Blanche DuBois and Stella Kowalski

,2023-03-08 Seminar paper from the year 2019 in the subject American Studies - Literature, grade: 2,3, University of Tübingen (Englisches Seminar), course: Literary Studies, language: English, abstract: I will argue that A Streetcar Named Desire illustrates different aspects of femininity in the context of post-war America through the two main female characters Blanche DuBois and Stella Kowalski by demonstrating their dependence on men. In the analysis of how Williams illustrates these different aspects, I will examine their characterizations as well as their individual relationships with men in order to demonstrate Williams' intention to portray them as women who are dependent on men.

The Two Faces of the Character Blanche Dubois in a Streetcar Named Desire Carolin Kotthaus,2013-07 Seminar paper from the year 2010 in the subject English Language and Literature Studies - Literature, grade: 2,0, University of

Wuppertal, course: Selected American Plays, language: English, abstract: In this paper I want to pay special attention to what I titled the two faces of Blanche DuBois she pretends to be innocent and good while she actually has a very striking past implying death, unhappy sexual relationships and alcoholic abuse, which she wants to hide from other people and which causes her to be on a desperate quest for somebody who sees her as something special and who unconditionally loves and protects her. In my analysis of Blanche DuBois I am going to observe her outer appearance, her behavior concerning men and I am going to discuss the meaning of different themes in the play such as bathing, light or alcohol.

Tennessee Williams's Female Characters: Problems of Gender and Sexuality Bünyamin Yuvarlak, 2021-03-23 Bachelor Thesis from the year 2017 in the subject English Language and Literature Studies - Literature, grade: 2,0, RWTH Aachen University (Institut für Anglistik, Amerikanistik und Romanistik der RWTH Aachen), language: English, abstract: The goal of the paper is to identify features relating to homosexual identity, based on a characterization of Williams's female characters. Among other studies, Tennessee Williams's work has commonly been researched from a gay study perspective by literary scholars and queer theorists. The motive for that was mostly Williams's own homosexuality and the stigma that surrounded the issue around the time he published his most famous pieces. He has written plays which explicitly involve the topic of homosexuality, as the eminent *Cat on a Hot Tin Roof*, but most of his work does not embrace homosexuality precisely. Nevertheless, on the grounds that literary studies is fairly limitless, for literature provides many different fields for analyses, it is possible to involve literary pieces into the field of gay studies, even though it initially does not specify the matter. The arguably most interesting element in Tennessee Williams's drama are his characters, many of whom seem to share similar characteristics as struggling individuals. Analyzing the fictional characters with regard to gay writing could help find a possible pattern, draw conclusions about the influence of Williams's personality, and thus, support the assumption that homosexuality is integrated in his plays. Gender is also fundamental for an approach based on sexuality. Taking that into consideration, below, the focus will be on Williams's female characters, especially on the protagonists Laura Wingfield from *The Glass Menagerie* and Blanche DuBois from *A Streetcar Named Desire*. These women are not necessarily gay themselves; in the plays, there is no clear evidence about them being sexually or romantically attracted to the same sex. Instead, sexuality is a broad concept with more meanings attached to it, which will further be discussed in the third chapter.

Twentieth Century Interpretations of A Streetcar Named Desire Jordan Yale Miller, 1971 In 1947 Tennessee Williams set the New York scene on fire with *A Streetcar named Desire*. In this volume, such noted contributors as Joseph Wood Krutch, Philip Weissman, Durant Da ponte, and Signi Falk offer fresh analyses of the play. The editor, Jordan Y. Miller, has also included opening-night reviews and notes by the director, Elia Kazan.
