Roar Michael Clinton,2022-09-13 ROAR is for everyone who is thinking about where they are in life-and those who want more out of life. From author Michael Clinton, former president and publishing director of Hearst Magazines, ROAR helps both those considering retirement and those who have no wish to retire get on with fulfilling their dreams-before it's too late. We are living in a time when everyone is constantly reassessing what is next for them. In the mid-career group, people who have spent years working in a business are now seeing their industry changing dramatically and are facing the question: What does that mean for me in the next twenty years? At the same time, the post-career group is also going through massive change. Many in this group are still not prepared financially, logistically, or emotionally to make the decisions necessary to face the next phase of their lives. While they may be thinking about retiring, they don't necessarily want to do nothing. ROAR will help both groups think about what is really important to them, and how to plan and take meaningful action so that the second half of their lives can be happy and productive. The book offers a unique and dynamic 4-part process called ROAR: Reimagine yourself, Own who you are, Act on what's next, and Reassess your relationships. This is the method Michael uses himself to pursue a purposeful life-and now he shares his technique and approach so you can expand your own life too. Prescriptive and inspiring, with personal anecdotes from his life as well as from others he interviewed for the book, ROAR is highly accessible, entertaining, and transformative--

Some even help you prepare for your eventual death: long-term care insurance, trust funds, wills, and pre-paid funerals. I've read quite a few of those books and I'm glad I did. Some retirement guides even mention the importance of occasional travel and working on your bucket list. I like those books much better! But shouldn't retirement planning focus on how to live every day of the rest of your life to the fullest? This is the first book of its kind I've ever seen. And that's why I'm so excited to share it with you. Life is not just what happens on an annual cruise vacation to Alaska or the Caribbean. Life is what happens, beginning with each new sunrise. That's what this book is all about. In *After the 9 to 5*, Linda skillfully guides you through a unique, meaningful process that enables you to reflect more, empowers you to risk more and positions you to do more significant things. And those are precisely the things that will matter most to you when it's all been said and done. I pray this book will equip you for the great adventure that awaits you...after the 9 to 5.
