So why isn't it the number-one subject in business schools? Whether you are buying or selling a house, negotiating a complex business deal, drawing up a contract or concluding a multifaceted transaction, you need to know how to make a deal. Think about it: How did you transform your dreams into reality? How do you invest your money? How did you purchase your car? *The Devil in the Deal: 50 Secrets to Successful Dealmaking* reveals the 50 secrets that make deals, as well as the 50 devils that break them, in the real world. Demon's Bluff Kim Harrison,2025-12-02 Rachel Morgan must go on a deadly journey—into the past—in this thrilling *Hollows* novel in the #1 New York Times bestselling series. What's a witch to do when the coven of moral and ethical standards demands she untwist a curse—but an essential spell component no longer exists? There's only one choice: go back in time. Caught between self-exile and an Alcatraz cell, Rachel must find an Atlantean mirror to reverse the curse and prove

to Cincinnati's brand-new witch coven that, no, she does not practice illicit magic. Unfortunately, the only mirror of its kind in existence belonged to the insane demon Newt, which forces Rachel to go to the past to bargain with her for it. But the spell goes awry, dragging Elyse, the young leader of the coven, back in time, too. Rachel expects to land five years in the past, but instead they arrive two days before Rachel's long-lost love, Kisten, dies. Heartbroken and torn, Rachel knows she can't change the past. Even with no allies, Rachel still has one thing going for her: Cincinnati is her city, now and forever. If she can find a way to work with Newt and prevent Elyse from becoming the demon's next familiar, they might all get home.

Deal with the Demon Meg Anne, K. Loraine, 2023-01-16 Roslyn Blackthorne is dead. Technically. I faked my death to get

out of a loveless marriage but that was only half the battle. To ensure my vampire duke can never find me, I have to run far and fast enough he can't catch me. Because if he does, it's over. Not just my life-for real this time-but my entire family's. So how does the princess of the Blackthorne vampires disappear in a world where every supernatural creature knows who she is? Summon a demon, of course. Pan agrees to keep me hidden, help me start a new life...for a cost. And it's not my soul he's after. Oh no, he wants my blood...and my body. But so do they. The shifter twins. The cursed hacker. And, of course, my estranged husband. Starting over should be easy after my bargain with the demon. New name. New job. New reality in a tiny town where no one would think to search. Welcome to Aurora Springs, Alaska, a sleepy place where everyone is hiding something and nothing ever happens. At least it was...until I arrived and people started dropping like flies. It looks like I brought my past, and a whole host of other problems, with me. But that's not a big deal, right? It's not the end of the world or anything. WARNING: The Mate Games: Pestilence is a spicy why choose series that is sure to set your...heart...on fire. If you're not a fan of grumpy dukes with a penchant for pain, purple demons with fancy body parts, nosy hackers with boundary issues, angsty wolf shifters who like to share, sword crossing, and plenty of group activities, this one's not for you. But if it is...welcome back to The Mate Games, we've been waiting for you.
