UNTIL THEN WAIT SRI VIDHYA S,2020-10-18 This anthology stared 61 different thoughts of 61 co-author's. Each has it's own fragrance, spreading aroma to the reader's. Are you tired of waiting, then just ponder on what's your wait for, and keep working on it, so that WAIT will wait for you someday. **PRINTING ALONG WITH INKING OUR MEMORIES WOULD GIVE US EXTRA DELIGHT** - an everlasting memory. For many co-author's this makes their first published work, with the best thoughts. It answers to the mysterious question of WHO AM I by pointing them based on the awful work. If you have a drink at hand then this is the perfect book and give it a try, you'll end up with the feeling of worth reading.

NO HALF MEASURES Jennifer Nandi,2024-05-06 "This book is the next best thing to going birdwatching with Jennifer. Read it for the sheer pleasure of going travelling in the wild with an informed, engaging guide." - Pradip Krishen, Author of Trees of Delhi and Jungle Trees of Central India **ABOUT THE BOOK** Tasked with steering a very important client through an area of unrest and insurgency, Jennifer embarks on a thrilling adventure to navigate uncharted territories on the edge of India's map. The region has a rich tapestry of diverse ethnicities that contribute to our nation's cultural mosaic. Armed with an appreciation of Natural History and its ability to raise one's consciousness to the wider world, Pete and Jennifer, through shared exploration, experience things out of their normal frame of reference.

NEW BEGINNINGS NEVER END Dr. Robert Calderin,2025-02-25 This is my immortality project. My memory is starting to fail, and anyone who advances knows when the decline starts. I concluded that it is better to record my memories now than to wait until later and, possibly, forget it all. My story shares many peaks and valleys and describes my trespasses and the trespasses against me. Hopefully, it will help you grow. This is a tale about writing your own story, about punching above your weight class. Life is not really about second chances. It is about a life of ongoing fresh starts. Further, it's an acknowledgment that no one succeeds by themselves. There are always supporters who help encourage us to press forward along life's journey. In my case, I have been blessed with a litany of mentors who have supported my upward mobility now and in the past. They were angels who were heaven-sent. It is the only reason I can think of to explain why I have been able to restart over and over again. God has always sent angels to help us overcome challenges. It turns out I have been supported all my life even when I thought I wasn't. It's never been about me. Rather, it's been about the people I have served even when it resulted in betrayal. I learned that He always led me to the light to allow me a do-over to get it right. No one is

perfect, but striving for perfection is a lifelong pursuit for the honorable. We all make mistakes. We say wrong things. We do wrong things. We fall, fail, get up, and win. We learn, we grow, we move on, and we live. Life is on a wheel; the good and the bad usually come around again and again. Prepare yourself for God's grace. I paid the cost to be the boss. So I know I have had a higher calling. Otherwise, why would I have been able to reboot my leadership roles so many times? God made me see that I had the inner strength to stand up for Him. Even now, despite all the heaviness I have felt in my heart from the pain in my life, I acknowledge I have had many more blessings. I am truly one of the fortunate ones. I am finally getting it and still aspire to serve Him and wish the same for you.

Echoes of a Valley Wissam Moubarak, 2025-07-28 A heartfelt journey into the profound and practical lessons of life, distilled from decades of real-world experience and wisdom.

Hiraeth Paul E. Calarco Jr., 2025-05-15 *Hiraeth* is a poignant collection of poetry that explores the untranslatable Welsh concept of its title—a homesickness for a place that no longer exists or perhaps never was. Through lyrical verses that speak to universal human experiences, this volume navigates the complex terrain of loss, grief, love, and the persistent search for home. The poems within these pages traverse the landscape of human emotion, from the raw devastation of profound loss to the quiet resilience that follows. They celebrate the enduring power of love through its many manifestations—love that sustains, love that wounds, love that transforms, and love that remains even after goodbye. *Hiraeth* honors the spaces we call home, both physical and metaphorical, examining how these sanctuaries shape our identities and provide refuge in times of upheaval. Each poem offers glimpses into life's most defining moments—when hearts break and heal, when courage emerges from despair, when beauty blossoms in the midst of pain. At its core, this collection is a testament to human perseverance, chronicling the journey from brokenness to survival and eventually to a form of peace that coexists with one's scars. Through accessible yet profound language, *Hiraeth* reminds us that in our collective longing, grieving, and loving, we are never truly alone.

The Other Half of My Soul Beatrice Bruteau, Bede Griffiths, 1996-05-01 Every age has its visionaries. Bede Griffiths, the gentle Benedictine monk who traveled to India to seek the other half of his soul was one such spiritual giant. Like Mother Teresa and Thich Nhat Hanh, Father Bede's spirituality transcends sectarian labels. His Shantivanam (Forest of Peace) monastery in India is Christian in faith but Hindu in lifestyle. The essays and stories in the moving tribute to Father Bede by such luminaries as Thomas Berry dissolve the boundaries between Christian belief and Eastern practice. Foreword by the Dalai Lama.
