

El Divino Narciso Sor Juana Pdf

Gonzalo Díaz Díaz

Hearing Voices Sarah Finley, 2019-02-01 *Hearing Voices* takes a fresh look at sound in the poetry and prose of colonial Latin American poet and nun Sor Juana Inés de la Cruz (1648/51–95). A voracious autodidact, Sor Juana engaged with early modern music culture in a way that resonates deeply in her writing. Despite the privileging of harmony within Sor Juana's work, however, links between the poet's musical inheritance and subjects such as acoustics, cognition, writing, and visual art have remained unexplored. These lacunae have marginalized nonmusical aurality and contributed to the persistence of both ocularcentrism and a corresponding visual dominance in scholarship on Sor Juana—and indeed in early modern cultural production in general. As in many areas of her work, Sor Juana's engagement with acoustical themes restructures gendered discourses and transposes them to a feminine key. *Hearing Voices* focuses on these aural conceits in highlighting the importance of sound and—in most cases—its relationship with gender in Sor Juana's work and early modern culture. Sarah Finley explores attitudes toward women's voices and music making; intersections of music, rhetoric, and painting; aurality in Baroque visual art; sound and ritual; and the connections between optics and acoustics. Finley demonstrates how Sor Juana's striking aurality challenges ocularcentric interpretations and problematizes paradigms that pin vision to logos, writing, and other empirical models that traditionally favor men's voices. Sound becomes a vehicle for women's agency and responds to anxiety about the female voice, particularly in early modern convent culture.

[The Routledge Research Companion to the Works of Sor Juana Inés de la Cruz](#) Emilie L. Bergmann, Stacey Schlau, 2017-04-28 Called by her contemporaries the Tenth Muse, Sor Juana Inés de la Cruz (1648–1695) has continued to stir both popular and scholarly imaginations. While generations of Mexican schoolchildren have memorized her satirical verses, only since the 1970s has her writing received consistent scholarly attention., focused on complexities of female authorship in the political, religious, and intellectual context of colonial New Spain. This volume examines those areas of scholarship that illuminate her work, including her status as an iconic figure in Latin American and Baroque letters, popular culture in Mexico and the United States, and feminism. By addressing the multiple frameworks through which to read her work, this research guide serves as a useful resource for scholars and students of the Baroque in Europe and Latin America, colonial Novohispanic religious institutions, and women's and gender studies. The chapters are distributed across four sections that deal broadly with different aspects of Sor Juana's life and work: institutional contexts (political, economic,

religious, intellectual, and legal); reception history; literary genres; and directions for future research. Each section is designed to provide the reader with a clear understanding of the current state of the research on those topics and the academic debates within each field.

Resumen de historia de la lengua y literatura española José Rogerio Sánchez, 1915

The Divine Narcissus Sister Juana Inés de la Cruz, 1998 The first complete English translation of this Mexican Baroque (late 17th-century) work, this book consists of a loa (short introductory play) and an auto sacramental (religious drama), with English and Spanish on facing pages. The loa has appeared previously in English translations by Willis K. Jones and Margaret Sayers Peden. Sections of the auto appear in English translation by Alan S. Trueblood in his *Sor Juana Anthology* (1988). In the loa, Spanish characters introduce their Christian religion to Aztec representatives. The auto serves as further explanation, with classical and biblical references. Peters (College of St. Benedict) and Domeier (Sisters of St. Benedict) provide a solid translation, with interesting nuances--and inevitable differences of opinion about some of the variations from the original. This text complements Pamela Kirk's recent study of Sor Juana Ines de la Cruz: Religion, Art, and Feminism (CH, Jun'98), adding to the growing body of scholarship on this major author. The introduction, short bibliography, notes, and appendix of biblical references are all very helpful. There are a few printing errors. Recommended to libraries wishing to increase holdings on Latin American women for advanced students, faculty, and scholars. M. V. Ekstrom St. John Fisher College.--Publisher's description.

El divino Narciso Sister Juana Inés de la Cruz, 2005

Manuel Bandeira en Pasárgada RIVAS HERNÁNDEZ, Ascensión, 2015-12-01 Manuel Bandeira (Recife, Pernambuco, 1886 — Río de Janeiro, 1968) es uno de los más importantes líricos de Brasil, muy probablemente el primero si se acepta la fundada opinión de José Guilherme Merquior. Traductor, ensayista, crítico literario y poeta, Bandeira perteneció a la llamada «Generación de 1922» o «Primera Generación del Modernismo Brasileiro». Conocedor de la poesía de su país, del simbolismo francés, del romanticismo alemán y de la tradición portuguesa, cultivó un estilo personal que aderezó con una vasta cultura. Bandeira es autor de una amplia obra. Entre su producción poética cabe destacar *A Cinza das Horas* (1917), *Carnaval* (1919), *O Ritmo Dissoluto* (1924), *Libertinagem* (1930) y *Estrela da noite* (1936). Como prosista escribió biografías, crónicas, obras teóricas sobre literatura brasileña e hispanoamericana y un libro extraordinario - *Itinerário de Pasárgada* (1954) - que es una autobiografía literaria, la primera que se publicó en Brasil, y que resulta fundamental, no sólo para comprender la evolución intelectual de Bandeira, sino también para conocer la Historia de la Poesía brasileña e incluso de la Literatura del país. En este libro, de título eminentemente bandeiriano y al mismo tiempo metafórico, queremos situar al poeta en esa ciudad privilegiada y extraordinaria, construída por él a modo de refugio ante los embates de la vida. El lector encontrará en sus páginas trabajos generales sobre Bandeira y su obra, sobre su presencia en la Historia de la Literatura brasileña o sobre su

brasileñismo; pero también sobre su raigambre portuguesa, sus traducciones de autores de otras lenguas, sus deudas con la poesía francesa, sus relaciones con la literatura en lengua española y otras literaturas europeas y americanas, la lectura que hizo de los clásicos, su afinidad con el cine o la importancia de Pasárgada en su vida y su obra. Y encontrará, así mismo, comentarios de poemas que explican su profundo conocimiento de otras culturas y la importancia de la muerte en su producción, sin olvidar la trascendencia de algunas obras en prosa. Ascensión Rivas Hernández

Queering Christian Worship Bryan Cones, 2023-11-21 A groundbreaking collection of writings that place queer ritual at the center of the theological conversation. In this collection of essays, leading scholars in queer theology and liturgical studies explore the ways in which the distinctive theological voices of LGBTQIA+ Christians challenge and expand thinking and practice around worship in new directions. This challenge has expanded in the past decades, as obstacles to the full participation of queer Christians—particularly in marriage and ordination—have fallen. Organized into three main parts, the volume begins with an introduction to queer engagement with ritual practices, continues with a series of case studies that examine queer texts and contexts, and concludes with an examination of the horizons of queer liturgical theology and practice. Throughout the volume, *Queering Christian Worship* provides new imagination and tools to those who study and curate Christian worship across traditions.

Lo americano en el teatro de sor Juana Inés de la Cruz María Esther Pérez, 1975 Estudio sobre la escritora mexicana Sor Juana Inés de la Cruz en el que se profundiza con más detalle en su faceta de dramaturga. Sor Juana Inés pasó toda su vida en México, país donde confluían las culturas mexicana y española. La autora busca en los escritos los rasgos americanistas presentes en los trabajos teatrales de la monja. La influencia española, de hecho sus obras están marcadas por el estilo barroco y dentro de ese el calderoniano. En este texto se analizan estos rasgos para conocer hasta qué punto llegaron estas influencias,.

Rondando la pluma y la palabra Carmiña Navia Velasco, 2023-05-11 ¿Qué han escrito y qué escriben las mujeres en la patria grande de América Latina? ¿Por dónde han transcurrido sus preocupaciones y sus sentires en el terreno existencial, intelectual y literario? Este libro invita a sumergirse en la palabra literaria femenina del sub continente para descubrirla y disfrutarla a través de tres ensayos distintos, aunque relacionados entre sí. El primero recorre el pensamiento de algunas intelectuales latinoamericanas, de sor Juana Inés de la Cruz a Rosario Castellanos, pasando por Teresa de la Parra, Juana Manso y Victoria Ocampo, haciendo visible un pensamiento femenino que analiza, critica, propone y desarrolla maneras del saber y del hacer en un diálogo continuo con el mundo de las letras, la política, la práctica social y educativa. El segundo incursiona en un universo ficcional de mujeres aquejadas por la sinrazón, por la angustia; profundizando en los laberintos de la ausencia de lo que se entiende por locura, desmintiendo así, a través de las obras de varias escritoras, la afirmación que un protagonista loco no puede dar lugar a una novela. Finalmente, la visita más detallada es a aquella escritura que se puede

denominar como escrituras del YO: un viaje detallado por Diarios, cartas, autobiografías, memorias y todas esas variadas formas en las que se incursiona en el sí mismo y en las que desde esa interioridad se mira el mundo y evalúa, se examinan las relaciones y los caminos. Las mujeres en la mirada a sí mismas nos comparten sus desdichas, sus búsquedas de felicidad, sus desajustes con el medio en el que les tocó vivir, sus soledades y encuentros. Sus logros y sus lágrimas.

El teatro hispanoamericano Marina Gálvez Acero,1988

Contribución al estudio de la obra dramática de Sor Juana Inés de la Cruz Manuel Antonio Arango L.,2000 Uno de los principales objetivos del presente libro es el de señalar el empleo de la alegoría en el teatro religioso de Sor Juana. En el caso del teatro profano, la dramaturgia muestra las características barrocas del siglo XVII a través del retrato de sus personajes. Por ejemplo en *Los empeños de una casa* Sor Juana se pinta indirectamente rodeada del ambiente cortesano de la Nueva España. Otro ejemplo se halla en la comedia *Amor es más laberinto* que señala el aspecto barroco a través de la mitología griega.
