**Language Learning and Leisure** Denyze Toffoli,Geoffrey Sockett,Meryl Kusyk,2023-07-04 The study of informal involvement with additional languages has recently emerged as a dynamic research field in SLA. With the rapid development and spread of internet-based technologies, contact with foreign languages outside the classroom has become commonplace. While this can take multiple forms, online contents are a major driving force because they present learners with unprecedented opportunities for exposure to and use of target languages regardless of their physical location. Research from diverse geographical, educational and socio-economic contexts bring a rich variety of perspectives to this book. It explores these phenomena via a range of theoretical frameworks and methodological approaches, focusing particularly on individual differences and language development. The volume proposes that teachers in formal learning settings should seek to support and facilitate the development of these identities and practices, and it indicates means they can adopt to best do so.

**A Buddhist Deception** Ben Blijleven, 2024-07-16 Innumerable human beings have been lulled into and imprisoned by beliefs and dogmas and assumptions of religions, sects, false philosophies and other world-views, by which they lose their striving and consequently, the seeking, the intuiting, the investigating and the evolving. Without any exception though, only human beings who were unstable and are unstable fell for and fall for a belief and dogmas and assumptions of false philosophies, religions and sects and world-views..... Nonetheless, however, the modern times as well bring visible change with regard to the recognition of the truth. The truly rational ones and the ones attempting to think logically, those who are effectively searching for the truthful truth, those, who are willing to acknowledge and follow the Creational laws and recommendations, they have become stronger and more in number, despite of all mendacious and misleading sects, religions, false philosophies and other irrational world-views. The number of truthly truth-seekers is growing and growing, even though when they are being hounded by misguiding sects of all hues and from other false thinkers. ....
