Love and Monsters Jad Fair,2010

Love and Monsters Morticia Wolfe,2023-04-14 This anthology of monster romance begins with Effloresce, the captivating tale of a witch and a mysterious monster who saves her from a ruthless lord. In Absolution, Luella marries Tiernan, a respected member of society who isn't all that he seems. Their love blooms despite the challenges posed by his secret and unusual true form. Limerence follows Rory as she walks through her town's graveyard, unaware of the watchful gaze of a lovestruck, not-quite-human. When they finally meet, Rory discovers her admirer's loneliness rather than malice, and a tender bond forms between them. Throughout these five beautiful stories, you'll be swept away by the charm and wonder of these inhuman lovers. The anthology weaves a tapestry of sweet and wholesome moments, as it explores the tender connections between humans and monsters.

Love and Hate David Mann,2013-11-12 Love and hate seem to be the dominant emotions that make the world go round and are a central theme in psychotherapy. Love and Hate seeks to answer some important questions about these all consuming passions. Many patients seeking psychotherapy feel unlovable or full of rage and hate. What is it that interferes with the capacity to experience love? This book explores the origins of love and hate from infancy and how they develop through the life cycle. It brings together contemporary views about clinical practice on how psychotherapists and analysts work with and think about love and hate in the transference and countertransference and explores how different schools of

thought deal with the subject. David Mann, together with an impressive array of international contributors represent a broad spectrum of psychoanalytic perspectives, including Kleinian, Jungian, Independent Group, and Lacanian, psychotherapists, psychoanalysts and analytical psychologists. With emphasis on clinical illustration throughout, the writers show how different psychoanalytic schools think about and clinically work with the experience and passions of love and hate. It will be invaluable to practitioners and students of psychotherapy, psychoanalysis, analytical psychology and counselling.

Love and Rockets Martin H. Greenberg, Kerrie L. Hughes, 2010-12-07 Space...the final frontier. Or is it? Many say there's no frontier more forbidding than a romantic relationship between a man and a woman. But what if one's a human, and the other's an alien? Here is an original collection of space opera stories where authors take love (unrequited or not), on a spaceship, space station, or planetary colony, and add enough drama, confusion and mayhem to ensure that the path to true love-or short-term infatuation-is seldom free of obstacles.

Love and Monsters Dylan O'Brien, 2021

Eduardo Aquifer and the Great Tanning Incident Jeff Hunt, 2003 The world's filling up. One positive aspect of this that lyricism and self-psychiatry are on the rise. So writes Eduardo Aquifer at the beginning of his novel. And he then proceeds to introduce the reader to amorphous, carrie-ridden and dentally challenged Black Riders, a shape-shifting beauty named uber girl, a psychiatrist named Dr. Reilly who's fond of Hamlet, an Indian/cowboy named Way bent on avenging the U.S. Cavalry's use of pox-infected blankets in germ warfare against his fellow Indians, and of course, Eduardo himself. Are all of these characters masks for Eduardo himself in this romp of a novel posing as a... Socratic? Hamletian? Freudian?... investigation of Eduardo's psyche? Will the real Eduardo ever stand up? Yes, somehow, some way, he does, through a myriad of entertaining memories, stories, and family anecdotes. He does, because as Dr. Reilly, the novel's resident psychiatrist, comments after missing sleep and food just to hear one patient's story, the play's the thing, the patient's story. Wherein we catch the conscience of--the unconscious Eduardo? Seemingly so.

Love and Monsters: Stories Edward Punales, 2019-03-26 A violent demon given a shot at redemption. A lonely man granted a life-changing wish. A young woman making friends with a strange creature. Dinosaurs, werewolves, aliens, life,

death, and everything in-between. All the weird, beautiful, scary things that can happen, when you mix Love and Monsters.

Love and Adventure William Stephens Hayward, 1874

Death and Love Julie Reshe, Todd McGowan, 2025-05-22 Death and Love brings together notable psychoanalytic and philosophical theorists to explore the connection between death and love. The book examines how these phenomena shape human existence and relationships, challenging the conventional dichotomy between life-affirming and death-driven dimensions. The volume features contributions from international scholars who illustrate these ideas through various lenses, including literature, film, and theology. The chapters consider the role of the death drive in shaping social bonds, the transformative power of love beyond individual existence, and the notion that, both philosophically and psychoanalytically, love aligns with the realm of death. Death and Love will be essential reading for academics and students of philosophy, psychoanalysis, existentialism, theology, and psychology. It will also be of interest to psychoanalysts in practice and in training, and to all readers wishing to explore this thought-provoking topic.
