

Planos Para Construir Silla Adirondack

John Wagner

Nacida para seducir (Chicago Stars 7) Susan Elizabeth Phillips,2014-12-01 Una novela en la que la popular autora de Toscana para dos y Tenías que ser tú hace nuevamente gala de todo su ingenio y humor. Dean Robillard, jugador de los Chicago Stars, es el hombre más afortunado del mundo: es una auténtica estrella deportiva y acaba de iniciar una prolífica carrera como modelo de ropa interior. Sin embargo, el camino a la gloria ha comenzado su declive, y Dean decide hacer un viaje por carretera en un intento por comprender qué es lo que no marcha bien en su vida. Pero lo que no sabe es que muy pronto conocerá a alguien que pondrá su mundo del revés. Blue Bailey solo tiene un objetivo en la vida: vengarse de su ex. Para ello cuenta con la ayuda de un auténtico dios griego, el jugador de fútbol americano más famoso de América, que se ofrece a llevarla en su Aston Martin. Sin embargo, Dean no es el deportista descerebrado que ella había imaginado...

Building Adirondack Furniture John Wagner,2000-01-30 A practical guide to building original, traditional, turn-of-the-century Adirondack furniture, including detailed instructions for an Adirondack chair, bench, table and leg rest.

The Adirondack Chair Daniel Mack,2008-04-01 There's no competition. When it comes to the American Idyll, the hammock and the Adirondack chair are the shoe-in (and shoes-off) winners. Built for lazing around in, they're the classic icons of a summer getaway. And they're both quintessentially American. The hammock, invented by the native inhabitants of the Caribbean, was discovered by Columbus on his first voyage to the New World. And the Adirondack chair--whose name evokes the mountain retreats for which it was originally fashioned--is deeply rooted in the American Arts & Crafts movement. In these charming books, furniture maker Daniel Mack captures the nostalgic, carefree, and oh-so-comfortable spirit of the hammock and 'Rondack chair. Illustrated with scores of contemporary photographs and images from vintage memorabilia, The Hammock and The Adirondack Chair are also filled with who knew? history. And each contains instructions for hanging your own hammock or building your own chair. But really, these books--splendid gifts for Father's Day or as thank-you tokens for summer-weekend hosts--are not about work. In fact, they're perfect for taking a little break with (while relaxing, of course, in a hammock or Adirondack chair).

Adirondack School Furniture Gets Top Grades Adirondack Chair Company,1947
