**The Hidden Secret of Quotes** Mwanandeke Kindembo, 2020-11-14 The author has presented us with the book of quotes. The book is composed of 222 quotes. All of them are his own quotes that he has been writing for the past years, even before he published his first book in 2019. The book is therefore, filled with concrete ideas of achieving freedom, equality, brotherhood and finding peace in life. Apart from that, the reader will be met with some quotes on politics, philosophy, love, motivation, success, science, attraction and even religious ones. Showing how the author is not limiting himself when it comes on learning new concepts. His humanity side can be easily seen in the very opening quote: "People are beautifully

*Choice* Raymond Ngaiza,2022-06-13 Have you ever felt like life is getting away from you? We all know what it is to sometimes feel like mere passengers along for the ride, victims of circumstances outside of our control. In this striking work of self-help literature, author Raymond Ngaiza takes up arms against this familiar feeling, showing the myriad ways we determine the course of our lives through the choices we make, whether they be personal or professional, big or small. Inspired by his own experiences of career and lifestyle changes in leaving his training for priesthood, going back to school, taking up writing, and becoming a husband and father, Ngaiza draws on a fascinating array of religious and secular texts—as well as politics, pop culture, and his own life—to show us how we can make the difference in our lives and in the world. Careful to examine all sorts of important dynamics that may come into play in decision-making—from being met with a lack of choice or its overwhelming abundance to the methods by which we actually execute our decisions, to the issues that may follow our choice-making, such as proverbial buyer’s remorse—Choice is a powerful wake-up call to readers everywhere, reminding us that we can and should become masters of our destinies.
