You Never Know How Strong You Are Until Being Strong Is the Only Choice Anna Bolton, 2019-03-25 This notebook has multiple uses, from home to the office, pocket size to fit a handbag and compact enough for a school bag. (6X9ins) Also a beautiful Notebook of 160 Inspirational uplifting quotes. Journaling, writing, is known to be very effective in helping clear your head, meet your goals and help you understand your thoughts feelings and behavior, and lessen the effects of mental illness. Writing makes us more aware of unhealthy patterns of thought and helps us to be more familiar with their existence as they arise. This in turn makes us more self-aware especially of the triggers and before it turns into something bigger. Therefore lessening its impact. Writing helps you slow down, pay more attention and become more mindful of intrusive thoughts and feelings, or even those happy feelings and thoughts. A wonderful therapeutic approach to help you through difficult times. Quote is also on the spine of the book.

It's Ok Not to Cry Gina Schampers, 2016-02-22 Life is never the same from that moment you hear any bad news. The loss of a person, pet, home, relationship all can be life altering. Finding out how to deal with life in a new way, in a new normal, is the reality of the situation. There is no one right way to grieve. Everyone goes through it differently, and nobody can tell you how to grieve. Nobody can understand what you are going through, and nobody can understand the relationship you had with that person. Life will never be the same. You don't have that person to call when you have a question anymore. They are no longer there to share your funny inside jokes with anymore. *It's Ok Not to Cry* was written to help others who have gone through a loss. It is not all seriousness and tears. Hopefully it will leave you with a smile.

Broken, yet Destined to Be Healed Orlando C. Rowe, 2024-04-15 Brokenness can be beautiful, but in the midst of our suffering and hurt, this can be hard to believe. In *Broken, yet Destined to be Healed*, Orlando Rowe shares that among the many blessings in life, one is found hidden in the crevices of a broken place. Many people try to escape the furnace of brokenness, but this book reveals, step by step, that fire often purifies gold. You are the golden piece of God, so don't dare run away! God often uses the most difficult situations to bring out the best in us. Dive into *Broken, yet Destined to be Healed* and discover that: God knows exactly what He has put you through, and He can get you through. You have what it takes to master your brokenness by faith. Your brokenness just wants to heal you. You are not alone as you travel your broken road. Can you hear the sound of healing? Healing you is God's prized priority!

The Quote Verifier Ralph Keyes,2007-04-01 Our language is full of hundreds of quotations that are often cited but seldom confirmed. Ralph Keyes's The Quote Verifier considers not only classic misquotes such as Nice guys finish last, and Play it again, Sam, but more surprising ones such as Ain't I a woman? and Golf is a good walk spoiled, as well as the origins of popular sayings such as The opera ain't over till the fat lady sings, No one washes a rented car, and Make my day. Keyes's in-depth research routinely confounds widespread assumptions about who said what, where, and when. Organized in easy-to-access dictionary form, The Quote Verifier also contains special sections highlighting commonly misquoted people and genres, such as Yogi Berra and Oscar Wilde, famous last words, and misremembered movie lines. An invaluable resource for not just those with a professional need to quote accurately, but anyone at all who is interested in the roots of words and phrases, The Quote Verifier is not only a fascinating piece of literary sleuthing, but also a great read.

God Had a Plan Orlan E. Thomas,2017-10-30 God Had a Plan begins with a genealogy patterned much like the ones found in the Bible, with some early family history interspersed as was available. Once the genealogy is established, the author offers an examination of the seed, referring to the look see into the lives of those who produced the offspring in review. The life and times of the author and his beloved wife Marcella are explored from cradle to adulthood, journeying through his teaching positions and her position as soprano soloist with the Back to the Bible broadcast in Lincoln, Nebraska. Their union of husband and wife was unquestionably a divine appointment, as God truly had a plan. Indeed, education played a big part of Gods plan in each of their lives, though the road to the doctorate at the Eastman School of Music turned out to be a long, arduous trip involving many perils. Gods plan saw the writer through that rigorous quest with scriptural promises that, when claimed, brought deliverance. More than just a simple chronology of dates and facts, this touching autobiography about the authors faith offers guidance and hope to all his readers.

Blades of Grass in the Desert Jan Morgan, 2022-07-18 Several years have passed since the old plantation-style mansion at 1324 Blessing Path was lovingly restored, but the mysterious old place is apparently still calling the shots. Years ago, when it was discovered that the house had supernatural tendencies, two retired ladies set out on a quest to determine its history. Tracing its lineage from central Texas to Charleston, South Carolina, they uncovered a love story worthy of comparison to *Gone with the Wind* and eventually realized that there were “plans” for the structure that had been set in place as far back as 1950. This time, however, events lead one of the ladies not to the east coast but to the deserts of west Texas where she befriends a beautiful, young woman from Guatemala. Wondering whether their meeting was serendipitous, Jamie returns to Sweet Grass Memories, the name given the House, and shares a handwritten letter with Ms. G that the young woman gave her the last time they spoke. The letter, together with a photograph of a lone boat on the shore of the Rio Grande, lead the two of them, Reid, Tracy, and the kids of the House, on another adventure, one that rivals any television docudrama. The story winds its way from the dry, blowing sand of west Texas, into Mexico, and finally returns to the estuaries and humidity of Charleston, South Carolina, and its indomitable Gullah people. People whose ancestors endured like blades of grass pushing through concrete; endured and sang songs about faith and hope as they journeyed toward freedom. Just like the Gullah peoples during the slave era, today many others endure. Walking or riding northward through deserts, they journey toward a different kind of freedom; freedom from devastating drought and hunger, and freedom to live again in places that are absent the perils associated with trying to survive where malevolence thrives.
