Anthony Selom Dzadzra

Woman Redefined Anthony Selom Dzadzra, 2024-03-18 *Woman Redefined: A Spiritual Journey to Unveil the Gem of Creation* by Anthony Selom Dzadzra explores the essence of womanhood, revealing women as Divine Partners, guardians of strength and wisdom, and uniquely designed masterpieces. The book highlights women's achievements throughout history and provides an exposition on Proverbs 31, guiding readers towards becoming a model woman of grace, strength, and virtue. The Guys' Corner offers a unique perspective to men on how to harness the potential of women. The author also highlights the concepts of Woman You Are Not and Beautiful Women and argues against the notion that women should conform to someone else's expectations and celebrates them by emphasising that their beauty is not just skin deep but radiates from the inside out. The concept of the Combo is introduced, celebrating the multifaceted nature of every woman, and the author concludes the book with a powerful message of Woman Thou Art Loosed, encouraging women to break free from the shackles and limitations that surround them to be themselves, and shine in all their glory. *Woman Redefined* is an indispensable guide for those seeking to uncover the extraordinary gems within the heart and soul of every woman.
