In this groundbreaking book, the best-selling author and award-winning marriage blogger asks readers to invest

Chapter by brief chapter, she offers fresh perspectives and practical strategies for communicating effectively, building understanding, and defusing anger while at the same time nurturing honesty, vulnerability, and mutual support.

**Rich Dad, Poor Dad: Robert T. Kiyosaki (English Edition)** Rich Dad Rich Dad Company, Robert T. Kiyosaki, Robert T., 2015-06-09 'Rich Dad Poor Dad' is a story of two dads with very different opinions of money. One is a highly educated professor; the other dad is an eighth grade drop out. The highly educated dad passed away leaving his family with nothing except some unpaid bills. The eighth grade drop out dad became one of the richest men in Hawaii and left a business empire to his son. The educated dad would say I can't afford this. The drop out dad would ask himself How can I afford this?. Robert writes how the rich dad teaches two boys invaluable lessons about money by making them experience the lessons for themselves. The key concept of this book is to realize how to use your mindset and your time to create your personal wealth, free yourself from the rat race, open your eyes to the opportunities around you, create solutions and ultimately mind your own business. This book will teach you how to make money work for you and how not to become a slave to it.

Alcohol and a Drug Free Nation Kwajaffa A. Danny, 2014-12-22 In this age of terror and moral decadence, and with the prevalence of drug abuse, Kwajaffa A. Danny's classic book comes up with some epoch-making philosophies, advocacies, and healing techniques that are nothing short of reality when it comes to stopping drug abuse. His ideas are vigorous and capable of reforming addicts. However, the principles outlined in the book will only work perfectly when a victim applies them from the Do-It-Yourself or DIY perspective. Alcohol and a Drug-Free Nation can best be described as an addict's manual of living or a daily "tonic" for alcohol and other drug users' souls. This book represents the New Age revolutionary approach to tackling drug use and abuse with its concomitance: Addiction, like an unbreakable spell, afflicts nations with crime and other associative elements of poverty. Just as the poetry of nature casts upon all a transforming light, so the spell of this book casts light upon the social and psychological labyrinth of even non addicts. In a scholarly manner, the book unravels the mystery of drug addiction, the secret to enlightened drinking, and a road map to sobriety for alcoholics and other drug addicts. Without rancor, there is a plethora of social science's logics and mastery in humanism for the good of all concerned.

**Rich Dad Poor Dad (Kannada)** Robert Kiyosaki, 2020-10-26 Robert Kiyosaki's 'Rich Dad Poor Dad' is the #1 Personal Finance book of all time... translated into dozens of languages and sold around the world. 'Rich Dad Poor Dad' is Robert's story of growing up with two dads — his real father and the father of his best friend, his rich dad — and the ways in which both men shaped his thoughts about money and investing. The book explodes the myth that you need to earn a high income to be rich and explains the difference between working for money and having your money work for you. In many ways, the messages of 'Rich Dad Poor Dad', messages that were criticized and challenged two decades ago, are more meaningful, relevant and important today than they were 20 years ago. Rich Dad Poor Dad... • Explodes the myth that you need to earn a high income to become rich • Challenges the belief that your house is an asset • Shows parents why they can't rely on the school system to teach their kids about money • Defines once and for all an asset and a liability • Teaches you what to teach your kids about money for their future financial success

Rich Dad Poor Dad for College Students Robert T. Kiyosaki, 2015-04-07 Rich Dad Poor Dad for College Students customizes and colleg-itizes the core teaching and principles of Robert Kiyosaki's international bestseller Rich Dad Poor Dad. Based upon the belief that young people today can truly take control of their financial futures and create the lives they choose, Rich Dad Poor Dad for College Students embraces the power of education as a starting point in the process of building a life that will free them dependence upon a job for income and an understanding of how to make money work for them... as opposed to a life of working for money and living paycheck to paycheck. Robert shares the lessons he learned at a young age from his rich dad and how those lessons — in today's uncertain and volatile economic times — are more important than ever before. And why today — in the Information Age, versus the Industrial Age — knowledge is the new money and financial education is the key that can unlock the door to the future of your dreams.
