Shattered Dreams Larry Crabb, 2012-06-13 Using the Biblical story of Naomi, Dr. Larry Crabb shows you how to look through life's tragedies to see the lavish blessings God has for you in Shattered Dreams. "Shattered dreams," writes Dr. Larry Crabb, "are never random. They are always a piece in a larger puzzle, a chapter in a larger story. The Holy Spirit uses the pain of shattered dreams to help us discover our desire for God, to help us begin dreaming the highest dream." To help you understand this neglected truth in the deepest and most helpful way, author and counselor Larry Crabb has written a wise, hopeful, honest, and realistic examination of life's difficulties and tragedies. He wraps these insights around the bold story of Naomi in the Bible's book of Ruth. As Crabb retells and illuminates this sometimes disturbing and often profoundly touching story, we are shown how God stripped Naomi of happiness in order to prepare her for joy. And we gain an unforgettable picture of how God uses shattered dreams to release better dreams and a more fulfilling life for those He loves. Shattered dreams have the power to change our lives for good. Join Larry Crabb on a life-changing adventure to encounter God in the midst of life's most difficult times, and learn to live beyond your Shattered Dreams.

Shattered Dreams Workbook Lawrence J. Crabb, Larry Crabb, 2001 In his book Shattered Dreams, Larry writes: A new way to live is available to us, a way that leads to a joy-filled encounter with Christ, to a life-arousing community with others, and to a powerful transformation of our interior worlds that makes us more like Jesus. Now this Bible-centered companion workbook can guide readers deeper and more intimately into the truths Larry shares, helping them move forward on this pathway to joy. In practical, realistic, and reflective ways, Shattered Dreams Workbook will show readers how to look through life's disappointments and troubles and see, as never before, just how lavishly God is blessing them-for His pleasure as well as their own. This eight-session study-ideal for individuals or small groups-offers intensely personal study and liberating reflection based on the landmark book by one of today's most respected Christian communicators. It will equip readers to begin the life-changing adventure of encountering God in the midst of life's most difficult times...by living beyond their shattered dreams.

Finding Quiet J. P. Moreland, 2019-05-07 Informative and honest, *Finding Quiet* validates the experiences of believers struggling with mental illness, provides spiritual and psychological tools for defeating anxiety and depression—and will reassure you that you can thrive again. In May 2003, prominent philosopher, author, and professor J. P. Moreland awoke in the middle of the night to a severe panic attack. Though often anxious by temperament and upbringing, Moreland had never experienced such an incident before. Thus began an extended battle with debilitating anxiety and depression. More than a decade later, Moreland continues to manage his mental illness. Yet along the way he's moved from shame and despair to vulnerability and hope. In *Finding Quiet*, Moreland comes alongside fellow sufferers with encouragement and practical, hard-won advice—a distillation of the very best and most helpful things he discovered about dealing with anxiety and depression from his personal experiences and extensive research. According to the Substance Abuse and Mental Health Services Administration, nearly 20 percent of Americans suffer from mental illness, and Christians are not immune. J. P. Moreland (who studied philosophy under Dallas Willard) explores the spiritual and physical aspects of mental illness, pointing readers toward sound sources of information, treatment, and recovery from both secular and Christian experts. *Finding Quiet* is perfect for: Those looking for a trusted starting point in their own research of anxiety/depression. Christians seeking a holistic approach to healing—one that doesn't shy from scientific knowledge but maintains a theological and biblical framework. Anyone in need of validation and encouragement in their struggle with mental illness.

Asian Honor: Overcoming the Culture of Silence Sam Louie, 2012-04-24 Many Asians are drowning in shame and addictions with no way out. Is this any different from a traditional Westerner? Very much so. Shame and honor are embedded in the Asian way of thinking, behaving, and interacting. If you do not understand the cultural history of honor and shame and its underpinnings, then you will have a hard time understanding the mindset of Asians, let alone the stranglehold of shame

that keeps many from breaking the code of silence.

Shaped By the Spirit Kate Pocklington, 2024-05-16 Shun self-help in favour of spiritual-help and become the other-focussed disciple that Jesus is inviting you to be in this accessible and practical book. In recent years, the Church in the West has witnessed a growing hunger to engage in spiritual disciplines that help us become more like Jesus. And yet, if our practices cause us to look inwards without looking outwards, then we can unwittingly distance ourselves from him instead. Jesus was inherently other-focussed, and in this immensely practical book, Kate Pocklington invites us to explore why being formed by the Spirit is only half of the picture. We are formed by the Spirit, formed through our experiences with others and formed for the sake of God's mission in the world. Together we will see how God - the grand recycler - wants to use every part of our past and personality to shape us into other-focussed people.
