The Ghost Next Door Mark Alan Morris, 2004-01-04 A collection of chilling stories eerily believable and truly spooky very strongly recommended -Midwest Book Review Most people think of ghosts as rare, elusive creatures that are more or less inaccessible to the average Joe. Sure, we read about them, watch TV shows about them and tell stories about them, but we'll probably never run into one-right? Don't be so sure. Even if you've never personally encountered a ghost, chances are you know someone who has. The Ghost Next Door takes a revealing look into the lives of average, everyday people from across the country who have had experiences in the realm of the unexplained. Whether you're a true believer in ghosts or a hard-nosed skeptic, you're sure to get a chill or two when you read about the woman who was visited by her grandfather on the night of his funeral! Or the man who was forced to move by a troublesome spirit only to find it had followed him! As you make your way through these and other genuinely spooky stories, you'll probably find that ghostly encounters are a lot more common than you had imagined. Could there be a haunted house in your town? Perhaps on your very street? Maybe even

right next door?

It will take you places you've never been, never seen. Thank you for bringing my words into your world.

**A Lion to Guard Us** Clyde Robert Bulla,2013-06-25 The inspiring classic that The New Yorker called an exciting tale [with] top-notch writing, about one girl facing harsh conditions and huge responsibility as she brings her family to the American colonies. Featuring a heroine with faith, courage, and a great deal of grit, this acclaimed historical fiction novel portrays the realities faced by three children hoping to find a new home in an unknown land. Amanda Freebold doesn't know what to do. Her father left three years ago for the new colony of Jamestown in America, thousands of miles away. But now that her mother has died, Amanda is left to take care of her younger brother and sister all alone back in England. As the new head of the family, Amanda finally decides to take her brother and sister to America to find Father. The ocean crossing is long and hard, and the children don't know whom to trust. But with her father's little brass lion's head to guard them, Amanda knows that somehow everything will work out.

*A Ghost on Every Corner* Dawn Colclasure,2019-09-30 There's a ghost town then there's a "ghost" town! A Ghost on Every Corner is a collection of stories from paranormal investigators who have done investigations in some of America's most haunted cities. Read about the ghost haunting a restaurant in Galena, Illinois, or about a Gettysburg Battlefield ghost who follows an investigator home! There's also Marilyn Monroe's ghost haunting the famous Roosevelt Hotel, a ghost violently attacking an investigator at the Sallie House and the ghost of Edgar Allan Poe's adoptive father angrily pushing an investigator down the stairs! You'll also get to read historical (as well as ghostly!) information about places such as The Alamo, Myrtles Plantation and the famous BirdCage Theater. Walk with investigators located across the country as they gather evidence about ghosts and go where no other would dare to tread!
