A Pretty Deceit Anna Lee Huber,2020-10-06 “A historical mystery to delight fans of Agatha Christie or Daphne du Maurier.” —Bookpage In the aftermath of the Great War, the line between friend and foe may be hard to discern, even for indomitable former Secret Service agent Verity Kent, in award-winning author Anna Lee Huber’s thrilling mystery series. Peacetime has brought little respite for Verity Kent. Intrigue still abounds, even within her own family. As a favor to her father, Verity agrees to visit his sister in Wiltshire. Her once prosperous aunt has fallen on difficult times and is considering selling their estate. But there are strange goings-on at the manor, including missing servants, possible heirloom forgeries, and suspicious rumors—all leading to the discovery of a dead body on the grounds. While Verity and her husband, Sidney, investigate this new mystery, they are also on the trail of an old adversary—the shadowy and lethal Lord Ardmore. At every turn, the suspected traitor seems to be one step ahead of them. And even when their dear friend Max, the Earl of Ryde, stumbles upon a code hidden among his late father’s effects that may reveal the truth about Ardmore, Verity wonders if they are really the hunters—or the hunted . . . Praise for Anna Lee Huber’s Penny for Your Secrets “Stellar mystery . . . a great read for fans of the series and all who enjoy Downton Abbey-era fiction.” —Booklist

The More Deceived David Roberts,2012-03-01 A murder mystery featuring Lord Edward Corinth and Verity Browne.

With Winston Churchill receiving unauthorised information on Britain's rearmament program, the Foreign Office brings in Lord Edward Corinth to investigate the leaks. However, Edward rapidly abandons the investigation to concentrate on the murder of a Foreign Office official, who might have been one of Churchill's sources. All too soon, he finds himself entangled in a web of deception threatening the very security of the United Kingdom. All too soon there is a second murder. Setting out for Spain to find the victim's son, Edward joins his friend Verity Browne, whom he fears is in extreme peril. Verity is reporting on the Civil War and is headed for Guernica, where a source has informed her that an attack will take place. But Edward and Verity arrive in the small town just in time to witness a merciless aerial bombardment on the civilian population. And the danger isn't over yet, as near-certain death awaits Edward in London, where nothing - not even the woman he loves - is what it seems. Praise for David Roberts: 'Roberts just keeps getting better with each book ... highly recommended for fans of Love in a Cold Climate and Gosford Park' Publishers Weekly 'A really well-crafted and charming mystery story' Daily Mail 'A perfect example of golden-age mystery traditions with the cobwebs swept away' Guardian
