John Grisham

The Pelican Brief John Grisham, 2010-03-16 #1 NEW YORK TIMES BESTSELLER • The classic legal thriller that inspired the blockbuster film starring Julia Roberts and Denzel Washington “There is a propulsiveness to [Grisham’s] narrative that keeps the pages turning briskly.”—People In suburban Georgetown, a killer’s Reeboks whisper on the floor of a posh home. In a seedy D.C. porno house a patron is swiftly garroted to death. The next day America learns that two of its Supreme Court justices have been assassinated. And in New Orleans a young law student prepares a legal brief. . . . To Darby Shaw it was no more than a legal shot in the dark, a brilliant guess. To the Washington establishment it was political dynamite. Suddenly Darby is witness to a murder—a murder intended for her. Going underground, she finds there is only one person she can trust—an ambitious reporter after a newsbreak hotter than Watergate—to help her piece together the deadly puzzle. Somewhere between the bayous of Louisiana and the White House’s inner sanctums, a violent cover-up is being engineered. For someone has read Darby’s brief. Someone who will stop at nothing to destroy the evidence of an unthinkable crime.

The Pelican Brief John Grisham, 1993 A law student in New Orleans writes a legal brief that ends up making her enemies in high places. Movie tie-in. Reprint.

John Grisham Mary Beth Pringle, 1997-05-28 With his seven legal thrillers, all published since 1989, John Grisham has won a huge following of readers and set a standard few contributors to the genre can match. Because of the success of his novels, the legal thriller is the most popular genre in American fiction today. In this study, Pringle explains how Grisham’s legal thriller evolved from the thriller tradition and borrowed from the heroic romance novel, gothic novel, crime novel, and detective fiction. She shows how his novels examine contemporary social and legal problems that do not have simple solutions—ecology, ethnic relations, capital punishment, corporate greed, and health insurance—and how he depicts both the legal system and lawyers in their best and worst lights. Following a biographical chapter that focuses on Grisham’s childhood in Arkansas, education, political career, and development as a writer, Pringle examines the legal thriller, its antecedents, and Grisham’s contribution to the genre. An individual chapter is devoted to analysis of each of his novels. Each chapter synthesizes the novel, discusses its reception by critics, and features sections on plot development, character development, social/historical context and issues, and an alternative critical perspective from which to approach the novel, such as psychoanalytic theory or feminist criticism. The work includes a complete bibliography of Grisham’s work, critical sources,

and list of reviews of all of his novels. Because of Grisham's popularity with adults and young adults and the contemporary issues he raises, this study is valuable to students, book discussion group participants, and other interested readers, and is an essential purchase for school and public libraries.

Is the Life of a Writer, the Write Life for Me? Paul Anthony Mills,2019-08-26 Ever read an adventure like Harry Potter or that Stephen King horror The Shining or an epic romance novel such as Gone with the Wind and thought about writing one of your very own? If your answer is yes, then you're no different than just about anyone who has ever picked up a novel and been swept away by pages infused with a gripping and captivating narrative. This made possible by the unique and creative ability of its author. Sure, we've all written something at some point in our life. It might have been that one-page book report for grade school or that essay for university or maybe you kept a diary or wrote a blog. These are all fine examples of writing, but what they're not is a novel. You may love reading them, you may have even promised yourself to one day start writing one, but can you honestly say you're ready to take on such an endeavor? Do you truly know what it takes to

sit down and create your very own? But here's the thing, you can't really know whether you're ready if you don't first know what you're up against. Which brings us to the title of the first book in my three-book series, *Is the Life of a Writer, the Write Life for Me?* Through interesting examples, I will cover such areas as perseverance, curiosity, acuity, ability to tell a story, ability to remain focused, procrastination, etc.—traits necessary to undergo the rigors of starting, staying with, and completing your first novel. By the end of this first book, you will know whether you have what it takes to create your very first novel.

St. James Encyclopedia of Popular Culture Tom Pendergast, Sara Pendergast, 2000 The millenium-inspired fascination with 20th-century studies cannot be fully satisfied without a comprehensive and scholarly look at popular culture. With its emphasis on ideas, people, events and products that symbolize America, the St. James Encyclopedia of Popular Culture is a cross-curriculum resource that will find use among a wide variety of users. Major topics include: television, movies, theater, art, books, magazines, radio, music, sports, fashion, health, politics, trends, community life and advertising.

World Authors 1990-1995 Clifford Thompson, 1999 Representing a broad range of ethnic diversity, these in-depth profiles present fascinating accounts of lives and careers, the circumstances under which works were produced, and their literary significance. Each profile also includes critical evaluation, a list of the author's principal works with date first published, a list of major critical works, and a portrait or photograph where available.

The Encyclopedia of Best Films Jay Robert Nash, 2019-10-23 This all-inclusive A-Z encyclopedia by one of the world's foremost experts on cinema provides comprehensive annotations of the best films produced from 1914 on. The work offers more than 5,000 three- to five-star entries (three stars=good; four stars=excellent; five stars=masterpiece), and yes, author Jay Robert Nash has viewed every single one of them as well as many more that did not make the cut. In addition to a precis, each film's entry also includes a listing of the cast as well as the key principles involved in production, from the director to the hair stylist. Especially unique to this book is a rating system that helps parents determine whether or not a film is appropriate for their children. Unlike the industry rating system which can be influenced by studio lobbying, Nash objectively evaluates each film and confers upon it one of four recommendations for viewing: recommended, acceptable, cautionary, and unacceptable. Backmatter includes a list of top films by genre (i.e. animated, drama, sports, mystery, adventure etc.) as well as an annotated name index listing all persons mentioned along with their dates of birth and death. Rounding out this essential volume for the film buff are over 500 still photos from the author's private collection.

Alan J. Pakula Jared Brown, 2005 For me, Alan Pakula was one of the great American filmmakers, but if you look at his films, they look so simple. The camera is not doing back—flips and he's not afraid to hold a shot. You can argue that if you do

your work really well, no one should notice. —Todd Field, director of *In the Bedroom* To Kill a Mockingbird. Klute. All the President's Men. Sophie's Choice. Presumed Innocent. Alan J. Pakula was the creative force behind these great films and dozens more. Here at last is the definitive biography of this film genius, based on interviews with more than 40 friends, including Jane Fonda, Robert Redford, and Meryl Streep, and unrestricted access to Pakula's own family and archives. Born in the Bronx, destined to take over the family printing business, Pakula instead began writing and acting in plays as a teenager and moved to Hollywood in the 1950s. Artistically driven, boundlessly inventive, hugely influential, Pakula has left an enduring film legacy. • Three-time Academy Award-winning writer/director/producer • Interviews with Harrison Ford, Laurne Bacall, Meryl Street, Robert Redford, Jane Fonda, Kevin Kline, Candice Bergen, Donald Sutherland, and over 30 other film celebrities • More than 25 never-before-published photos of Pakula from his family
