K. Bromberg

Wicked Jennifer L. Armentrout, 2014-11-04 Things are about to get Wicked in New Orleans. Twenty-two year old Ivy Morgan isn't your average college student. She, and others like her, know humans aren't the only thing trolling the French Quarter for fun... and for food. Her duty to the Order is her life. After all, four years ago, she lost everything at the hands of the creatures she'd sworn to hunt, tearing her world and her heart apart. Ren Owens is the last person Ivy expected to enter her rigidly controlled life. He's six feet and three inches of temptation and swoon-inducing charm. With forest-green eyes and a smile that's surely left a stream of broken hearts in its wake, he has an uncanny, almost unnatural ability to make her yearn for everything he has to offer. But letting him in is as dangerous as hunting the cold-blooded killers stalking the streets. Losing the boy she loved once before had nearly destroyed her, but the sparking tension that grows between them becomes impossible for Ivy to deny. Deep down, she wants... she needs more than what her duty demands of her, what her past has shaped for her. But as Ivy grows closer to Ren, she realizes she's not the only one carrying secrets that could shatter the frail bond between them. There's something he's not telling her, and one thing is for certain. She's no longer sure what is more dangerous to her-the ancient beings threatening to take over the town or the man demanding to lay claim to her heart and her soul.

Brave Jennifer L. Armentrout, 2017-12-11 Ivy Morgan hasn't been feeling like herself lately. Not like anyone can blame her. After all, being held captive by a psychotic fae prince hell-bent on permanently opening the gates to the Otherworld is bound to leave some mental scars. It's more than that, though. Something dark and insidious is spreading throughout Ivy, more powerful than she could ever imagine... and it's coming between her and the man she's fallen deeply in love with, elite Order member Ren Owens. Ren would do anything to keep Ivy safe. Anything. But when he makes a life altering choice for her, the fallout of his act has far reaching consequences that threaten to tear their lives apart. If Ivy is going to have any hope of surviving this, she must put aside the hurt and betrayal she feels, and work with not only those she loves, but with an enemy she would rather kill than ever trust. War is coming, and it soon becomes clear that what Ivy and Ren thought they knew about the Order, themselves, and even their enemies, has been nothing but a cluster of dangerous, deadly lies. Ivy knows she must be more than just brave to save those she loves--and, ultimately, to save herself. Because behind every evil fae Prince, there's a Queen....
