**Still Reading Romance** Josefine Smith, Kathleen W. Taylor Kollman, 2025-04-01 In a world that commodifies feminism, is adapting romance novels for small and big screen projects, and the Romance Writers Association is evolving to a more inclusive representative group, it is imperative for researchers to reevaluate the cultural assumptions and gender norming work happening in the romance genre. It is time to question the cultural capital of traditional archetypes, explore the experience of romance readers, and question how romance and cultural studies researchers create quantitative, qualitative, and mixed methods research. This work centers around a data set collected with a revised version of Janice Radway's Reading the Romance survey that will be shared with all the authors of this anthology. By having access to this pool, authors will have the opportunity to explore different elements of reader experience and cultural norms in romance fiction, and potentially reflect on changes since Janice Radway's seminal work. The norms and negotiations readers experience while consuming romance is especially interesting as romancelandia becomes a more mainstream part of popular culture with the popularity of Bridgerton and romance series like Ice Planet Barbarians exploding on BookTok. No other book in romance or popular culture studies identifies a data set as the connecting element, and to do so creates an exciting opportunity to create a more inclusive study of popular romance, offer truly interdisciplinary research on the question of how readers read romance, and generate diverse areas of future scholarship. This edited volume explores multiple issues in romance fiction, based on survey data from real romance readers. An updated version of Janice Radway's influential survey looking at romance readers in the early 1980s, this time scholars explore romance readers' habits and attitudes in the twenty-first century. Each contributor in this volume uses the same survey data to make unique statements about gender, intersectionality, popular fiction, and popular culture. By using a common data set but approaching it from different perspectives, this unique volume is able to apply multiple methodologies to the same subject.

*Social Reading Cultures on BookTube, Bookstagram, and BookTok* Bronwyn Reddan, Leonie Rutherford, Amy Schoonens, Michael Dezuanni, 2024-04-30 This book examines the reading cultures developed by communities of readers and book lovers on BookTube, Bookstagram, and BookTok as an increasingly important influence on contemporary book and literary culture. It explores how the affordances of social media platforms invite readers to participate in social reading communities and engage in creative and curatorial practices that express their identity as readers and book lovers. The interdisciplinary team of authors argue that by creating new opportunities for readers to engage in social reading practices, bookish social media has elevated the agency and visibility of readers and book consumers within literary culture. It has also reshaped the cultural and economic dynamics of book recommendations by creating a space in which different actors are able to form an identity as mediators of reading culture. Concise and accessible, this introduction to an increasingly central set of literary practices is essential reading for students and scholars of literature, sociology, media, and cultural studies, as well as teachers and professionals in the book and library industries.

The Rising L. C. Pye, 2025-11-25 The Rising is the thrilling conclusion to the bestselling YA fantasy series readers can't put down. As Landore teeters on the edge of revolution, four paths must converge to spark lasting change. But rising up takes courage, and not everyone survives the fire. Talia has been called many things: the lost princess, a symbol of hope, the future queen. But with the people she loves in danger and the fate of her kingdom hanging in the balance, Talia must choose between becoming who others demand, or uncovering who she truly wishes to be without titles or the weight of destiny. Jules was ready to rise from the ashes of the life she thought she'd have. But some dreams die hard, especially when she finds herself held captive once again. Stripped of freedom, purpose, and control, will Jules give up or discover a new way to break free? Raph carried his guilt like a second skin, convinced the only way to atone was through obedience and sacrifice. But when his loyalty clashes with what his heart is telling him, Raph is forced to reconsider everything. Maybe redemption isn't found in blind allegiance. Maybe the only way forward is letting go of the past and fighting for the future he actually wants. Prince Kasper was trained to be a weapon and conditioned to never ask questions. But as his father's grip tightens and the weight of his choices mount, Kasper finds himself lost. The cost of obedience is high, and the pull of his conscience is getting harder to ignore. If he finally listens to the voice in his head instead of the one commanding him, what will he become?

**Engagements with Children's and Young Adult Literature** Lydia Kokkola, Sara Van den Bossche, 2025-07-10 Engagements with Children's and Young Adult Literature offers an accessible guide to studying Children's and Young Adult (CYA) literature, teaching readers how to read critically. This book introduces this dynamic field encompassing diverse genres, audiences, and interpretations. Lydia Kokkola and Sara Van den Bossche examine its historical, cultural, and ideological dimensions while addressing adult perspectives and the ambivalence of child agency. Tools for critical analysis, genre-specific insights, and emerging research trends enhance readers' engagement with CYA literature and its broader implications. The book approaches CYA literature from various complementary angles: Historical: the influence of religious and philosophical convictions on its development; Thematic: commonly-occurring genres and types of CYA literature, such as realism versus speculative fiction; Narratological: plot, time, tension, character, and setting; Visual: the main principles for 'reading' images in picturebooks, graphic novels, and comics; Ideological: power dynamics and common constructions of childhood; Social: questions of identity politics related to race, gender, and orientation, and offers tools to read critically. Engagements with Children's and Young Adult Literature brings together established theories and new perspectives on CYA literature, combining engagement with theory with hands-on analytical, interpretive, and methodological tools for budding scholars of CYA literature. Exploring a diverse range of writing, this dynamic introduction is an invaluable resource for students and scholars of this vibrant field.

**Chaos & Flame** Tessa Gratton, Justina Ireland, 2023-03-28 From New York Times bestselling author Justina Ireland and Tessa Gratton comes the first book in a ferocious YA fantasy duology featuring ancient magic, warring factions, and a romance between the two people in the world with the most cause to hate one another. Darling Seabreak cannot remember anything before the murder of her family at the hands of House Dragon, but she knows she owes her life to both the power of her Chaos Boon and House Kraken for liberating her from the sewers where she spent her childhood. So when her adoptive Kraken father is captured in battle, Darling vows to save him—even if that means killing each and every last member of House Dragon. Talon Goldhoard has always been a dutiful War Prince for House Dragon, bravely leading the elite troops of his brother, the High Prince Regent. But lately his brother's erratic rule threatens to undo a hundred years of House Dragon's hard work, and factions are turning to Talon to unseat him. Talon resists, until he's ambushed by a fierce girl who looks exactly like the one his brother has painted obsessively, repeatedly, for years, and Talon knows she's the key to everything. Together, Darling and Talon must navigate the treacherous waters of House politics, caught up in the complicated game the High Prince Regent is playing against everyone. The unlikeliest of allies, they'll have to stop fighting each other long enough to learn to fight together in order to survive the fiery prophecies and ancient blood magic threatening to devastate their entire world.

**The Hollow Boys** Douglas Smith, 2022-08-15 WINNER OF THE 2023 AURORA AWARD FOR BEST YA NOVEL WINNER OF THE 2023 JURIED IAP AWARD FOR BEST YA NOVEL Vanishing street kids. An ancient evil. The end of the world. Our only hope? A hero who can't leave home. At seventeen, Will Dreycott is a superhero...in his dreams. And in yours. Eight years ago, Will's parents, shady dealers in ancient artifacts, disappeared on a jungle expedition. Will, the sole survivor, returned home with no memory of what happened, bringing a gift...and a curse. The gift? Will can walk in our dreams. At night in Dream, Will hunts for criminals—and his parents. During the day, his Dream Rider comic, about a superhero no one knows is real, has made Will rich. The curse? Severe agoraphobia. Will can't go outside. So he makes his home a skyscraper with everything he needs in life—everything but the freedom to walk the streets of his city. Case, an orphan Will's age, survives on those streets with her younger brother, Fader. Survives because she too has a gift. She hears voices warning her of danger. And Fader? Well, he fades. When street kids start vanishing, the Dream Rider joins the hunt. Will's search becomes personal when Case breaks into his tower to escape her own abduction. Fader isn't so lucky. As Will and Case search for Fader and the missing kids, an unlikely romance grows between the boy with everything and the girl with nothing except the freedom Will longs for. But as they push deeper into the mystery, they confront an ancient power feeding on these forgotten kids to

restore itself. And once restored, no one in the world will be safe. To defeat this creature, Will must do the impossible. Go outside. Indiana Jones meets Teen Titans in *The Dream Rider Saga*, a fast-paced urban fantasy trilogy from “one of Canada’s most original writers of speculative fiction” (*Library Journal*). Unraveller Frances Hardinge,2023-01-10 A dark YA fantasy about learning to use your power and finding peace, from award-winning author Frances Hardinge. In a world where anyone can create a life-destroying curse, only one person has the power to unravel them. Kellen does not fully understand his talent, but helps those transformed maliciously—including Nettle. Recovered from entrapment in bird form, she is now his constant companion and closest ally. But Kellen has also been cursed, and unless he and Nettle can remove his curse, Kellen is in danger of unravelling everything—and everyone—around him . . . “Brilliantly developed world. Kellen and Nettle are both memorable from their first introduction. As always, Hardinge is masterful at her ability to write poignant, thoughtful passages while also ably developing an expansive fantasy world that is believable and relatable.” —Bulletin of the Center for Children’s Books (Starred Review)
