Jacintha “Jack” Cross Jack and her husband, Gabe, are the best security breach specialists in the business. Hired by companies to test the strengths and weaknesses of their systems, Jack handles the physical break-ins while Gabe tackles the digital aspects. They make an excellent team outside of work too. But after a routine assignment goes horribly wrong, Jack arrives home to find her husband dead. To add to her horror, the police are closing in on their suspect—her. Suddenly on the run and quickly running out of options, Jack must decide who she can trust as she digs further into family, old friends, and even old enemies. Now, a decade later, Hannah and Will are expecting their first child, and the man convicted of killing April, former Oxford porter John Neville, has died in prison. Relieved to have finally put the past behind her, Hannah's world is rocked when a young journalist comes knocking and presents new evidence that Neville may have been innocent. When the opportunity arises for Nico to join the cast of a new reality TV show, The Perfect Couple, she decides to try out with him. This is the big break she needs! A whirlwind preproduction process later, Lyla finds herself whisked off to a tropical paradise with Nico, boating through the Indian Ocean

towards Ever After Island, where the two of them will compete against four other couples—Bayer and Angel, Dan and Santana, Joe and Romi, and Connor and Zana—in order to win a cash prize. Alas, not long after they arrive on the deserted island, things start going wrong. After the first challenge leaves everyone rattled and angry, an overnight storm takes matters from bad to worse. Lyla suddenly realizes she and Nico are trapped on the island with a murderer on the loose...and nowhere to hide. This tense and shadowy novel “will grab your attention, force it against a wall, and hold it there until the end” (Associated Press). A modern-day Gothic haunted house story about the horrors of technology, *The Turn of the Key* is a “twisty and creepy” (Riley Sager, New York Times bestselling author) tale that follows a nanny in charge of two eccentric children in a smart house where she is constantly being watched. And when one child ends up dead, she must face whether or not she is capable of murder. Finally, in the “claustrophobic spine-tingler” (People) *One by One*, a group of coworkers find themselves trapped by an avalanche in a French chalet during a corporate retreat. With no sign of rescue, tensions rise and truths are revealed, and soon, the group dwindles one by one.
