Feeding Sharks to Lions Elliot Harris, 2016-05-10 Shark Tank... I watch it, I judge them. I also find that many times when other panelists talk about themselves and how they were successful, they are really talking about nothing more than hubris and luck. I rely on neither as they are unpredictable. This book is everything you should know about becoming a successful entrepreneur but no one took the time to tell you. Come on my Journey. Learn the 3-3's- the 4 B's and the 4 P's-and let's feed those sharks to lions!! says serial entrepreneur Elliot Harris, having participated in over \$10 billion of underwritings over the past 2 decades. After a 22-year career on Wall Street, Elliot founded Ocelot18. Elliot has collaborated with owners and executives of growing businesses along with their advisors to develop sound business and strategic plans focused on maximizing and streamlining companies' potential. His practice focuses on providing growing businesses with tools, resources and strategies to maximize their potential.

One Man's Unfathomable Adventure, Beyond Wildest Imagination Steven Clark Kent Thomas, 2022-12-14 How one man, whose positive attitude and refusal to be defined by others' negative attitudes, limitations or low expectations, was able to successfully navigate through this world and life using the tools of humility, hard work, and resolve to take punches from life but always get up before the ten count, and was, as a result, able to partake in and successfully complete life-changing adventures which ultimately prepared him to not only achieve unparalleled success in his professional life endeavors but to also achieve zenith spirituality and a zest for altruistic, humane, and benevolent exceptionalism to encourage, strengthen, and inspire his colleagues and clients daily to be happier, healthier, more confident, more resilient and exude positivity and kindness daily.

Conspiritoriality Julian Walker, Matthew Remski, Derek Beres, 2023-06-13 Conspiritoriality takes a deep dive into the troubling phenomenon of influencers who have curdled New Age spirituality and wellness with the politics of paranoia—peddling vaccine misinformation, tales of child trafficking, and wild conspiracy theories. In the early days of the COVID-19 pandemic, a disturbing social media trend emerged: a large number of yoga instructors and alt-health influencers

were posting stories about a secretive global cabal bent on controlling the world's population with a genocidal vaccine. Instagram feeds that had been serving up green smoothie recipes and Mary Oliver poems became firehoses of Fox News links, memes from 4chan, and prophecies of global transformation. Since May 2020, Derek Beres, Matthew Remski and Julian Walker have used their Conspirituality podcast to expose countless facets of the intersection of alt-health practitioners with far-right conspiracy trolls. Now this expansive and revelatory book unpacks the follies, frauds, cons and cults that dominate the New Age and wellness spheres and betray the trust of people who seek genuine relief in this uncertain age. Each of the three authors has witnessed firsthand the use of fear-based political agendas to manipulate the human desire for spiritual fulfillment. They throw a spotlight on the telltale signs of cult dynamics and expose how influencers have stoked suspicion of public health initiatives. And they show how charlatans and pseudo-doctors encourage their followers to oppose mainstream advice as a form of spiritual quest. With analytical rigor and flashes of irreverent humor, Conspirituality offers an antidote to our times, helping readers recognize wellness gifts, engage with loved ones who've fallen under the influence, and counter lies and distortions with insight and empathy.
