THE TRUTH OF THE ORIGIN OF THE UNIVERSE Sabrie Soloman,2024-06-12 In a world filled with scientific explanations and theories, it can be easy to lose sight of the ultimate truth of our existence. The truth is that the universe, with all its intricate complexities, did not come into being by mere chance or a random explosion. It was carefully designed and orchestrated by a higher power, a Creator who holds everything together. When we look up at the night sky and see the countless stars and galaxies stretching out into infinity, we cannot help but be in awe of the sheer magnitude and beauty of it all. The heavens declare the glory of God, as it says in the Bible, and remind us of the greatness of the one who made it all. The theory of the Big Bang, which posits that the universe began as a singular point and expanded over billions of years, is a flawed explanation for the origin of the universe. It fails to account for the intricate design and order that we see in the cosmos, as well as the existence of life on earth. The marvel of our planet Earth, with its perfect conditions for sustaining life, points to a Creator who had a purpose and a plan in mind when he made it. The countless galaxies and stars that we observe in the universe are a testament to the power and creativity of God. They show us that we are part of a vast and wondrous creation, one that was made by an intelligent designer who had a vision for it all. The theory of evolution, put forth by Charles Darwin, is another flawed explanation for the diversity of life on earth. It fails to explain the intricate complexities of living organisms and their unique design, as well as the existence of the human soul. It is clear that we are not the product of blind chance or random mutations, but rather the handiwork of a loving and powerful Creator. "The truth of the origin of the universe" points to a Creator who holds everything together and has a purpose and a plan for it all. God stretches out the heavens and allows light to reach us here on earth, showing us his care and provision for his creation. We are not the product of random chance or blind evolution, but rather the cherished creation of a loving God who made us in his image. Let us never forget the marvel and wonder of the universe, and the greatness of the one who made it all.

Assisting in the Study of The Holy Bible Scriptures New Testament St. Matthew - Revelation Rev. Dennis Wayne Prothro,2024-12-13 Assisting in the Study of The Holy Bible Scriptures New Testament St. Matthew - Revelation is an explanation, or breakdown, of Bible scriptures to help any reader of the Holy Bible to enjoy reading and studying the scriptures with little to no frustration. The Bible is a vivid depiction of the historical past, amazing present, and inevitable

future. Rev. Dennis Wayne Prothro attempts to pull a reader from just seeing biblical characters to imagining themselves instead. The reader will learn how to “rake” scripture(s) meaning(s) to themselves rather than to “sweep” scripture(s) meaning(s) toward another person. One primary desire is to help each reader develop a personal relationship with the Godheads and accept the Bible as their way of communication in that relationship. Truly, God(heads) is (are) love. They ask for love in return by committing to a life of righteous service for which they will help to do. God is good! About the Author Rev. Dennis Wayne Prothro enjoys being active in community activities in which he resides. Knowing his neighbors goes broader than living beside a resident. Opportunities to fish and hunt are greatly appreciated and enjoyed. Consuming his harvest is so rewarding, especially when his wife joins him in the cleaning, cooking, and eating. Other pastimes are word searches, crossword puzzles, reading, grilling, and cooking. He is a handyman (thanks to parents), and there is never a time to say, “There is nothing to do,” especially with church properties, a home, yard, and automobiles. God blessed Rev. Prothro to marry Sister Stephanie Annette Bell (Prothro), the love of his life. They are also blessed with four children, Dafnette Denise, Saltia Marie, Dennis Wayne Jr., and John Fulton. Their extended family includes two son-in-laws (Jumaine and Oniel), and four grandchildren (three granddaughters and one grandson).

God's Plan Henrietta C. Mears, 2008-05-01 Finding Yourself in His Grand Design God's plan is exciting and timely and God's Word is relevant today! Henrietta Mears' vital concern was for people - that they might have a comprehensive grasp of the Bible and realize that God has a wonderful plan to reveal to each one who seeks Him. In God's Plan, you'll discover that God does have a plan, and His plan is eternal. His plan predates creation, and continues forever, without limits. The essence of God's plan is love, pure unrequited love, by the Almighty God for people. This love prompted God to create the heavens and the earth, to select a chosen people, to reveal the plan of salvation, to establish the church, to direct the activities of that which He has created, and one day to return in glory.

The Story of God and Us Jonathan Murphy, 2025-08-05 Pastor and author Jonathan Murphy provides readers with a framework—a master plot—to the story of all history. This deep exploration of Scripture reveals that God is in complete command of this universe and how He guides everyone's story: past, present, and future. Good stories make you laugh, cry, fear, dream, hope. They engage our hearts, entertain our minds, and enlighten our souls. God wrote a story—the best story ever!—full of drama, adventure, love, sacrifice, redemption, and has an ending that seems too good to be true. And the greatest thing about God's story is that we are all part of it. His story provides the meaning of life that brings fulfillment of our desires and purpose for our existence. The Story of God and Us shows not only what God is doing from creation to eternity, but how everything makes sense as you read the Bible from the beginning of Genesis to the end of Revelation. World history is not made up of random people and events but of divine appointment and purpose. In this book, Jonathan Murphy leads readers to understand how: the meaning of life is essential to a fulfilling relationship and partnership with God; God

accomplishes His plans in a pleasing and connecting way; a multidimensional view of Scripture can engage and delight even the most disinterested and distracted; and seeing the big picture can provide a fresh look at how our story clearly fits into God's. As Jonathan retells God's story through a fresh lens, Christians will better understand how much God loves them, how He desires us to live with Him and for Him, and why we should invite others into this amazing story every chance that we get!

Too Many Christians are Ruining Our Churches Levi Matthew, 2016-02-23 In 2012, author Levi Matthew was still a non-believer: he didn't believe in a higher power or the dark spirits. Now, three years later, after being touched by God, he is certain spirits walk among us. In Too Many Christians are Ruining Our Churches, he shares his personal story and offers an important message for Christians today. Through this collection of observations, Matthew tells how God created humans to

build his kingdom here on earth for a later date. But most importantly, God created us to love one another. With scripture messages and narrative, Too Many Christians are Ruining Our Churches encourages believers to examine their behavior, take a look at how they treat all people, stop the hate, and make the move to love all, regardless of financial status, race, or sexual orientation. Matthew, a part-time pastor, delivers a timely missive above love, opening doors, filling seats in the churches, and honoring God.

God's Plan of the Ages Louis T. Talbot,1946-03 Asserting that the only way to understand the details of God's word is to have a clear understanding of it as a whole, Talbot sets forth a comprehensive view of God's dealings with man from the beginning to the end of all things.

The Day of God Tony Butler,2019-12-17 And he shall send Jesus Christ, which before was preached unto you: Whom the heaven must receive until the times of restitution of all things, which God hath spoken by the mouth of all his holy prophets since the world began. Acts 3:20-21 One must come to understand that the Bible's history and revelation are not randomly told. The biblical narrative drives toward a single endpoint: The Day of God. Once the believer realizes this, he will begin to recognize the fully integrated plan of God in the Bible. He will learn to read all Scripture from the perspective of its cohesion and the end to which all history and revelation point. Some would say the Bible should be understood from the Resurrection of Christ backward. I would contend the Bible should be viewed from the Day of God backward. In this book the reader will come to a clear understanding of what the Bible means by the restitution of all things. The Day of God is written, dedicated and offered to help the believer understand God's revealed plan for the last days.

God's Grand Plan of the Ages Chicago Bible Students,2016-02-03 God's Grand Plan of the Ages captures the highlights

of the more comprehensive book *The Divine Plan of the Ages*. Though brief in nature, this 96-page booklet shares a satisfying explanation of age-old questions: Why does a God of love permit the evil we see in the world? Why are there tsunamis and earthquakes that kill thousands—and wars that kill millions? Why must we experience pain, heartache and finally death? When will God's Kingdom come and His will be done on earth as it is in heaven? God's Grand Plan of the Ages also covers the signs of the Time of the End prophesied in the book of Daniel (Daniel 12:1-4). Daniel's prediction that knowledge would be increased is happening before our very eyes as we see the Brain Age coming in at an unprecedented rate. Though technology has been a blessing in many ways, man's selfishness and greed is also leading the world to an ever increasing time of trouble, such as never was since there was a nation. What a comfort to know, that this trouble is a prophetic sign indicating that we are on the brink of the Golden Age that mankind has longed for since the dawn of history! God's Kingdom will be more wonderful, more glorious, more all encompassing, than all the dreams of philosophers, poets and sages. There will be a world of peace (Psalm 46:9) The healing of all the defects of humanity (Isaiah 35:5,6) Moral integrity will be planted in every heart (Jeremiah 31:33) All the dead of past ages will be raised to life again (1 Cor. 15:22) Sorrow, pain, tears and death itself will cease (Revelation 21:4) No eye has seen, no ear has heard, no mind has conceived, what God has prepared for those who love him (1 Corinthians 2:9) We hope you will receive a blessing from reading this booklet. We also recommend reading *The Divine Plan of the Ages*, available FREE on a DVD offered on the back of the booklet. It is but the first book in a series of six that covers every major doctrine of the Bible as a topical study with a harmony that is unprecedented in Christian literature. This six-volume set is also available FREE on the DVD—or at cost, in a hard bound edition.
