*Missing 411- Hunters* David Paulides, 2016-06-21 ([www.canammissing.com](http://www.canammissing.com)- missing person site) Author David Paulides has released the sixth installment in his best selling series, Missing 411. The books have revealed the names and facts behind people who have disappeared in the national parks and forests of the world. The identification of over 59 geographical clusters of missing people in North America is one of the mysterious, unsettling and unexplained elements in the Missing 411 series. Missing 411- Hunters explains a subset of the research and documents 148 cases of hunters who have vanished in four countries. The incidents parallel other disappearances documented in prior Missing 411 books. The vast majority of the cases in this edition are new and they don't appear in other books in the series. The mystery and stories of the victims will baffle and confound the avid outdoorsman and seasoned hunter. Countries Included: United States- 26 States Canada- 9 Provinces Australia Azerbaijan Disappearances Documented: 148348 Pages Other Books in the Series: Missing 411- Western United States Missing 411- Eastern United States Missing 411- North America and Beyond Missing 411- The Devil's in the Detail Missing 411- A Sobering Coincidence [www.canammissing.com](http://www.canammissing.com)

*Conjunction.World* Elly Flippen, 2024-10-05 A must read. I cannot recommend highly enough. Bring a lot of highlighters. This book has been blowing me away. I'd say it's a must read. So far it has validated certain thoughts I've had and experienced, regarding OBE/NDE, UAPs, the cover up, our history, consciousness - and brought new ideas forward. Very well written and organized with detailed footnotes with references. You could almost use it like a guidebook in research. It's amazing how much we actually have in common with one another. My uncle, the renowned Ingo Swann, was a man of mystery and intrigue. As one of the US Government's top psychic spies, he held secrets that few knew and even fewer understood. One day, he confided in me with a hushed tone and a glint in his eye: "We are not alone on this planet." This wasn't entirely new to me. I had encountered numerous inexplicable events, but I couldn't believe they were actually real. It just seemed too impossible. Years later, however, my curiosity drove me to learn more. Amidst this learning adventure, I stumbled upon a declassified briefing from 1973 stating a group of Nazis was to blame for releasing an arcane terror upon the world. Unless one is deeply rooted in the essence of the divine, the paper concludes, they will not survive this perilous journey into the ominous world of existence. In other words, if you want to survive in the actual reality we live in, you better be well-equipped with some heavy-duty light protection. After that moment, my inquisitiveness was sparked. I dove in

headfirst, compiling theories about non-human entities. From potential extraterrestrial origins to interdimensional beings, I unraveled a complex narrative about advanced technology that could account for the anomalous aerial and aquatic vehicles we have witnessed. But my explorations didn't end there - I also embarked on a journey to understand the evolution of Remote Viewing, also known as psychic spying. Along the way, I discovered fascinating connections between Remote Viewing, UFO bases, and encounters with non-human beings. I then found myself venturing into mysterious lands shrouded in secrecy. Places where barriers and gateways intertwined, where "haunted spaces" lingered and temporal distortions shifted reality. I encountered apparitions, witnessed unexplainable events, and had enigmatic experiences with UFOs/UAPs - which I began to view as vision quests. As my investigation progressed, I uncovered hidden secrets about our world - first-hand accounts of untold tales from the lands where reality blends with the unknown; the places where the mirror has cracks.

The Vanishing at Smokestack Hollow Jake Anderson, 2024-09-24 An immersive descent into one of the most mysterious and bizarre unsolved cases of this century. Through extensive research, personal interviews, and exclusive evidence, Anderson unearths the truth behind the disappearance of a loving, plucky family that was gradually worn down, warped-by pain and pathology-into a radicalized cell. "There's dark stuff up there, sir. You know that, right? Cults and such." That's what Starlet Jamison told the Sheriff after her son and his family went missing. On October 8th, 2009, Bobby Jamison, his wife Sheryllynn, and their six-year-old daughter Madyson, set off for a drive from their home in Eufaula, Oklahoma, to the nearby Sans Bois Mountains. They didn't return that day, or the next. A week later, their truck was found abandoned on a mountain road. Inside was their dog, malnourished but alive, the family's cell phones, wallets, and \$32,000 in cash. The ensuing eight-month search was the largest in Oklahoma history, but it yielded little evidence. Online, bloggers and web sleuths put forth dozens of theories, fueled by the Jamisons' strange, trancelike behavior on a CCTV video. Some claimed the family was abducted by white supremacists or a religious cult. In 2013, there was a tragic break in the case, when deer hunters stumbled upon the skeletal remains of two adults and a child in the Smokestack Hollow area of Panola Mountain. Forensic testing confirmed the Jamisons' identities. But the mystery was only beginning. Had the Jamisons been planning to abandon their lives and raise Madyson alone in the wilderness—and if so, why? What happened to the briefcase and handgun that Sheryllynn was seen putting into the car? And why were no arrests ever made? Investigative journalist Jake Anderson draws on police notes, interviews, and exclusive evidence to piece together the Jamisons' last days and weeks, weaving together startling material with his own personal insights. The story is one of dark, paranoid obsessions, but also of real malevolent forces residing in those shadowy mountains—and a compulsively readable account of a true murder mystery whose chilling impact continues to be felt.

**Cover-Ups & Secrets** Nick Redfern, 2019-06-01 A compelling look at the misuse of power, lies, corruptions and cover-ups Fake news, alternative facts, outright lies, fears of nuclear war, widespread surveillance of the population, mass

shootings, the rise of a totalitarian state and more have led millions of us to distrust the word of government. And with good reason, too. There are countless conspiracy theories in circulation that suggest the world as we see it is not as it really is. Disinformation campaigns try to tell us that up is down and right is wrong. More and more people are beginning to realize that we are being manipulated and lied to. We are denied access to secrets that shouldn't be secrets. Our politicians obfuscate, deny, and outright lie. No one knows whom to trust. The nightly news is being replaced by carefully orchestrated propaganda. Our iPhones are monitored as are our laptops and our landlines. As for social media, that too is ripe for spying by men in black suits. No wonder, then, that the last few years have seen an incredible rise in conspiracy theories about deceptions and cover-ups. They range from the controversial to the shocking and from the nightmarish to the downright terrifying. And you can find all of them in the pages of *Cover-Ups & Secrets: The Complete Guide to Government Conspiracies, Manipulations & Deceptions*. From the dark agendas to restrict our access to the Internet and even ban books to suppressing cancer cures to ensure the pharmaceutical industry continues to reap gigantic profits and the murder of politicians, scientists, world leaders, and even Princess Diana in the name of national security. *Cover-Ups & Secrets* reveals dozens of nefarious conspiracies, plots, hidden agendas, and betrayals, including ... Amazon's Alexa, the secret spy in the home NASA misdirections The classified Pentagon program on alien life Clandestine plans for nuclear and bacteriological warfare NSA's penetration of cell-phones, email, Facebook, Twitter, and Skype messages Suspicious deaths The Bilderbergers, the Illuminati, and the Bohemian Club Secrets of the Philadelphia Experiment Reptilian Aliens and the British Royal Family The Patriot Act and the government's monitoring of reading habits And much, much more!!!

**Gone at Midnight** Jake Anderson, 2020-02-25 A missing young woman. A Los Angeles hotel with a haunting history. A perplexing real-life mystery. With stunning new insights and impeccable research, investigative journalist Jake Anderson explores the case that captivated a nation and inspired the Netflix series *Crime Scene: The Vanishing at the Cecil Hotel*! Exclusive interviews and photos included. Twenty-one-year-old student Elisa Lam was last heard from on January 31, 2013, after she checked into downtown L.A.'s Cecil Hotel—a 600-room building with a nine-decade history of scandal and tragedy. The next day, Elisa vanished. More than a week later, guests' complaints of poor water quality led to a grim discovery: Elisa's nude body floating in a rooftop water tank. The only clue was a disturbing elevator video of Elisa, uploaded to YouTube in a plea for public assistance. As the video went viral, journalist Jake Anderson set out to uncover the facts. In *Gone at Midnight* he chronicles eye-opening discoveries about who Elisa Lam really was and what—or whom—she was running from, offering stunning new insights into one of the most chilling and obsessively followed true crime cases of the century. "Outstanding . . . What really happened to Lam may never be known, but true crime buffs won't want to miss this gripping search for the truth." —Publishers Weekly **STARRED REVIEW** "Extremely detailed and featuring new evidence. . . . Anderson's thorough research and passionate writing make a fascinating read." --Booklist "Gone at Midnight is the type of true crime book that

you stay up all night reading.” --New York Journal of Books A Fortune magazine “Most Anticipated Books of the Year” Selection A Goodreads Featured Release An Oxygen Best True Crime Book of the Year

*The Cold Vanish* Jon Billman, 2020-07-07 Perfect for readers of Jon Krakauer and Douglas Preston, this authentic and encyclopedic book examines real-life cases of those who vanish in the wilderness without a trace (Roman Dial)—and those eccentric, determined characters who try to find them. These are the stories that defy conventional logic. The proverbial vanished without a trace incidences, which happen a lot more (and a lot closer to your backyard) than almost anyone thinks. These are the missing whose situations are the hardest on loved ones left behind. The cases that are an embarrassment for park superintendents, rangers and law enforcement charged with Search & Rescue. The ones that baffle the volunteers who comb the mountains, woods and badlands. The stories that should give you pause every time you venture outdoors. Through Jacob Gray's disappearance in Olympic National Park, and his father Randy Gray who left his life to search for him, we will learn about what happens when someone goes missing. Braided around the core will be the stories of the characters who fill the vacuum created by a vanished human being. We'll meet eccentric bloodhound-handler Duff and R.C., his flagship purebred, who began trailing with the family dog after his brother vanished in the San Gabriel Mountains. And there's Michael Neiger North America's foremost backcountry Search & Rescue expert and self-described bushman obsessed with missing persons. And top researcher of persons missing on public wildlands Ex-San Jose, California detective David Paulides who is also one of the world's foremost Bigfoot researchers. It's a tricky thing to write about missing persons because the story is the absence of someone. A void. The person at the heart of the story is thinner than a smoke ring, invisible as someone else's memory. The bones you dig up are most often metaphorical. While much of the book will embrace memory and faulty memory—history—*The Cold Vanish* is at its core a story of now and tomorrow. Someone will vanish in the wild tomorrow. These are the people who will go looking.

Missing 411- Off the Grid David Paulides, 2017-09-16 *Missing 411- Off The Grid* *Missing 411- Off The Grid* is the seventh book in the best selling series about missing people. The books are based on actual law enforcement, search and rescue and archived reports of incidents. The author has based the narrative on delivering the facts and not making unsubstantiated claims. Thousands of case files were reviewed and what's presented are incidents that fit narrow criteria of established profile points. According to the Urban Dictionary, Off the Grid means, untraceable through normal means. The individuals that are documented in this seventh book of the Missing 411 series fit this definition to perfection. The disappearances involve physicists, physicians, professors, hikers, hunters, children, and joggers. Cases from thirty states, six Canadian provinces and five countries are included. Each of these stories is new to the Missing 411 series. Disappearances from national parks, forests and open spaces that have never been discussed or compared to similar instances are included. Updated tables from past books assist the reader in understanding the vast numbers of missing that fit the established

profile. Early reviewers of this book have called it the most intriguing and thought-provoking of the series. Author David Paulides is an investigative reporter, twenty-year police officer/detective and the director of the Canam Missing Project ([www.canammissing.com](http://www.canammissing.com)), the organization behind the search for understanding the missing person issue. He recently released a movie based on the books, Missing 411, which a former LA Magazine and NBC movie critic rated it the best documentary for 2017. He has presented his findings to the most attended annual search and rescue conference in the world, NASAR and has spoken at hundreds of seminars, symposiums, and meetings. Mr. Paulides has a bachelors and masters degree from the University of San Francisco and currently resides in Denver. Missing 411- Off The Grid Release Date: October 24, 2017 Paperback Pages: 401 Author: David Paulides Available: [www.canammissing.com](http://www.canammissing.com) Language: English\*\*Our books are not knowingly sold to resellers and are only distributed through our website for \$24.99 each.
