

Donna Anna Don Giovanni

Alyson McLamore

Mozart's Don Giovanni Wolfgang Amadeus Mozart, Burton D. Fisher, Lorenzo Da Ponte, 2005 A comprehensive guide to Mozart's DON GIOVANNI, featuring insightful and in depth Commentary and Analysis, a complete, newly translated Libretto with Italian/English side-by side, and over 30 music highlight examples.

Mozart's Don Giovanni, a commentary, tr. by W. Clark and J.T. Hutchinson Charles Gounod, 1895

Don Giovanni Burton, Fisher D. Publishing Staff, 2000-04

Don Giovanni Wolfgang Amadeus Mozart, Lorenzo Da Ponte, Marie Thérèse Paquin, 1974

Mozart's Don Giovanni Wolfgang Amadeus Mozart, Ellen H. Bleiler, Lorenzo Da Ponte, 1985-01-01 Don Giovanni has been called the greatest opera ever composed, an almost perfect work. Along with Aida, La Bohème, and Carmen, Mozart's masterpiece is one of the most often performed operas. The work is so admired that when the Italian composer Gioacchino Rossini was asked which of his own operas he liked best, Rossini unhesitatingly replied, Don Giovanni. This Dover edition contains the standard Italian libretto of Don Giovanni, side by side with a complete new English translation. Convenient and portable, it also includes an informative Introduction, a complete List of Characters, and an easy-to-follow Plot Summary. All repeats are given in full, so you can follow the text as it is sung, without losing your place. With this inexpensive, handy guide, opera lovers can appreciate every word of Mozart's brilliant comic drama in the original Italian or in modern English. An ideal companion for reading along with a recording, a broadcast, or at the performance itself, this superb volume is a first-rate aid to enjoyment of one of the world's most celebrated operas.

Don Giovanni Wolfgang Amadeus Mozart, 1946

Donna Anna Ruth Raphaeli, 1973

The Original Portrayal of Mozart's Don Giovanni Magnus Tessing Schneider, 2021-11-15 The Original Portrayal of Mozart's Don Giovanni offers an original reading of Mozart's and Da Ponte's opera Don Giovanni, using as a lens the portrayal of the title role by its creator, the baritone Luigi Bassi (1766-1825). Although Bassi was coached in the role by the composer himself, his portrayal has never been studied in depth before, and this book presents a large number of new sources (first- and second-hand accounts), which allows us to reconstruct his performance scene by scene. The book confronts Bassi's portrayal with a study of the opera's early German reception and performance history, demonstrating how

Don Giovanni as we know it today was not only created by Mozart, Da Ponte and Luigi Bassi but also by the early German adapters, translators, critics and performers who turned the title character into the arrogant and violent villain we still encounter in most of today's stage productions. Incorporating discussion of dramaturgical thinking of the late Enlightenment and the difficult moral problems that the opera raises, this is an important study for scholars and researchers from opera studies, theatre and performance studies, music history as well as conductors, directors and singers.

Mozart's Opera Don Giovanni Wolfgang Amadeus Mozart, Lorenzo Da Ponte, 1859

Mozart's Don Giovanni Francis Burgess, 1913

Understanding the Women of Mozart's Operas Kristi Brown-Montesano, 2021-11-09 Is The Marriage of Figaro just about Figaro? Is Don Giovanni's story the only one—or even the most interesting one—in the opera that bears his name? For generations of critics, historians, and directors, it's Mozart's men who have mattered most. Too often, the female characters have been understood from the male protagonist's point of view or simply reduced on stage (and in print) to paper cutouts from the age of the powdered wig and the tightly cinched corset. It's time to give Mozart's women—and Mozart's multi-dimensional portrayals of feminine character—their due. In this lively book, Kristi Brown-Montesano offers a detailed exploration of the female roles in Mozart's four most frequently performed operas, *Le nozze di Figaro*, *Don Giovanni*, *Così fan tutte*, and *Die Zauberflöte*. Each chapter takes a close look at the music, libretto text, literary sources, and historical factors that give shape to a character, re-evaluating common assumptions and proposing fresh interpretations. Brown-Montesano views each character as the subject of a story, not merely the object of a hero's narrative or the stock figure of convention. From amiable Zerlina, to the awesome Queen of the Night, to calculating Despina, all of Mozart's women have something unique to say. These readings also tackle provocative social, political, and cultural issues, which are used in the operas to define positive and negative images of femininity: revenge, power, seduction, resistance, autonomy, sacrifice, faithfulness, class, maternity, and sisterhood. Keenly aware of the historical gap between the origins of these works and contemporary culture, Brown-Montesano discusses how attitudes about such concepts—past and current—influence our appreciation of these fascinating representations of women.

Mozart's Don Giovanni Michael Steen, 2012-05-17 With a wealth of famous tunes and meticulous characterisation, *Don Giovanni* is an undisputed masterpiece created by Mozart out of a thread-bare fairground gig. The Don – for whom both sexes have a sneaking admiration – gatecrashes proceedings, serenading and seducing as he goes. As wily as he is insatiable, he outclasses all who are out to get him, including a jealous bumpkin and the down-at-heel Elvira. But a stone statue seals his doom and drags him down into hellfire. From the Champagne aria and the ballroom scene to the melodious arias of the three sopranos and the unctuous Ottavio, *Don Giovanni* is a thrilling drama that continues to delight audiences worldwide. Written

by Michael Steen, author of the acclaimed *The Lives and Times of the Great Composers*, 'Short Guides to Great Operas' are concise, entertaining and easy to read books about opera. Each is an opera guide packed with useful information and informed opinion, helping to make you a truly knowledgeable opera-goer, and so maximising your enjoyment of a great musical experience. Other 'Short Guides to Great Operas' that you may enjoy include those on *Così fan tutte*, *The Marriage of Figaro* and *The Barber of Seville*.

Don Giovanni. An Opera in Two Acts ... Translated Into English, and Corrected According to the Original Score by Natalia Macfarren Wolfgang Amadeus Mozart, 1871

Don Giovanni Wolfgang Amadeus Mozart, 1909

Three Mozart Libretti Wolfgang Amadeus Mozart, Robert Pack, Marjorie Lelash, Lorenzo Da Ponte, 1993-01-01 Handy practical guide to three of Mozart's most popular operas. Excellent line-for-line English translations face the Italian texts. Also introductions, plot synopses, and lists of characters for each opera.

Musical Theater Alyson McLamore, 2016-09-16 For Surveys of Musical Theater, Music Appreciation courses and Popular Culture Surveys. This unique historical survey illustrates the interaction of multiple artistic and dramatic considerations with an overview of the development of numerous popular musical theater genres. This introduction provides more than a history of musical theater, it studies the music within the shows to provide an understanding of the contributions of musical theater composers as clearly as the artistry of musical theater lyricists and librettists. The familiarity of the musical helps students understand how music functions in a song and a show, while giving them the vocabulary to discuss their perceptions.

The Opera Companion George Whitney Martin, 2008-03 Provides synopses of forty-seven operas, a history of the opera, and a glossary of operatic terms.

Don Giovanni; Opera in Two Acts Wolfgang Amadeus Mozart, 1961

"Don Giovanni" Captured Richard Will, 2022-06-14 With *Don Giovanni Captured*, Richard Will takes on the challenge of considering a single opera through engagement with its entire history of recorded performance, encompassing both audio recordings (starting with wax cylinders and 78s) and video recordings, from DVDs, to films, to streaming videos. Recorded opera has become a genre unto itself, connected with actual stage productions but with its own history and conventions. Today, recordings and other forms of mediation inform our experience of live opera as much as the other way around. Seen as a historical record, opera recordings are also a potent reminder of the refusal of works such as Mozart's *Don Giovanni* to sit still, and the tremendous transformation they undergo from performance to performance, and from generation to generation. By choosing an opera with such a rich and complex tradition of interpretation, Will helps us see *Don Giovanni* as much more than the tale of a single libertine aristocrat and as a standard-bearer for changing myths about eros and for how we socialize (and represent in performance) sexual and power relations that run the gamut from seduction, to predatoriness,

to rape--

Embark on a transformative journey with Written by is captivating work, Discover the Magic in **Donna Anna Don Giovanni** .
