The Asante World Edmund Abaka,Kwame Osei Kwarteng,2021-05-30 The Asante World provides fresh perspectives on the Asante, the largest Akan group in Southern Ghana, and what new scholars are thinking and writing about the world the Asante made. By employing a thematic approach, the volume interrogates several dimensions of Asante history including state formation, Asante-Ahafo and Bassari-Dagomba relations in the context of Asante northward expansion, and the expansion to the south. It examines the role of Islam which, although extremely intense for just a short time, had important ramifications. Together the essays excavate key aspects of Asante political economy and culture, exemplified in kola nut production, the kente/adinkra cloth types and their associated symbols, proverbs, and drum language. The Asante World explores the Asante origins of Jamaican maroons, Asante secular government, contemporary politics of progress, governance through the institution of Ahemaa or Queenmothers, epidemiology and disease, and education in the twentieth and twenty-first centuries. Featuring innovative and insightful contributions from leading historians of the Asante world, this volume is essential reading for advanced undergraduates, postgraduates, and scholars concerned with African Studies, African diaspora history, the history of Ghana and the Gold Coast, the history of Islam in Africa, and Asante history.

Black Lions Melvin F. Compton,2010-02-09 BLACK LIONS, LOVE AND WAR A HISTORICAL DRAMA ON THE BRITISH--ASHANTI WARS. This work of well over a decade, is dedicated to Esi Ayensu of Cape Coast, and to the late Clive Compton, Barrister-At-Law and the late MaryAnn Compton, my loving parents who saw to it that I went to school, learned good manners and be polite, and also strong, for you may suffer long for what you may want. Everyone comes under my microscopic pen and my impeccable candor in this scholarly historical drama of love and war. And as an American I look out for the interest of the entire vast region, from as far down to Brazil Amazon, to U.S.A, Canada, Carribean Island, hoping Americans will read and enjoy my work. But this is too narrow. From my studies in Literature at U.C.L.A. where I earned a B.A. in Literature, on to my M.A. in Education at Georgia State University and my subsequent admission in the Doctoral program, I was taught NOT to see the tree but the entire forest. So now I hope that the entire World will read and enjoy my book and gain from it. It is sheer fun for me to read, create, write, and bring out my artistry, remembering always that this is what distinguishes me from the goat, the cow, the donkey and makes me human. Originate and be Scholarly and remember too that there is nothing as fiction, for the writer draws from life itself, the sine qua non of the pen. I LIVE FOR ART. MELVIN F.
