

He Then Greeted Death As An Old Friend

TD Snyder

Death in Classic and Contemporary Film D. Sullivan, J. Greenberg, 2013-10-03 Mortality is a recurrent theme in films across genres, periods, nations, and directors. This book brings together an accomplished set of authors with backgrounds in film analysis, psychology, and philosophy to examine how the knowledge of death, the fear of our mortality, and the ways people cope with mortality are represented in cinema.

Mors Britannica Douglas J. Davies, 2015-11-12 A people's lifestyle is one thing, their death-style another. The proximity or distance between such styles says much about a society, not least in Britain today. *Mors Britannica* takes up this style-issue in a society where cultural changes involve distinctions between traditional religion, secularisation, and emergent forms of spirituality, all of which involve emotions, where fear, longing, and a sense of loss rise in waves when death marks the root embodiment of our humanity. These world-orientations, evident in older and newer ritual practices, engage death in the hope and desire that love, relationships, community, and human identity be not rendered meaningless. Yet both emotions and ritual have an uneasiness to them because 'death' is a slippery topic as the twenty-first century gets under way in Britain. In this work, Douglas J. Davies draws from a largely anthropological-sociological perspective, with consideration of history, literature, philosophy, psychology, and theology, to provide a window into British life and insights into the foundation links between individuals and society, across the spectrum of traditionally religious views through to humanist and secular alternatives. He considers memorial sites (from churchyards to roadside memorials); forms of corporeal disposal (from cremation to composting); and death rites in a range of religious and secular traditions.

The Binge Watcher's Guide to the Harry Potter Films - An Unofficial Companion Cecilia Tan, 2020-06-15 A fun, fan-centric guide to re-living the magic of all eight original HP movies, whether you binge watch or just read the book! It's hard to believe, but 20 years have passed since a baby-faced Daniel Radcliffe took the screen test that would lead to him becoming Harry Potter for an entire generation of movie-goers. And now it's time to introduce a new generation to the magic that is the Harry Potter films. Join Cecilia Tan, a writer, editor, and devoted Harry Potter fan, as she takes you back to Hogwarts, through a fan-centric guided tour of all eight movies in *THE BINGE WATCHER'S GUIDE TO THE HARRY POTTER FILMS* where you can re-live all the excitement and wonder of seeing Harry hop on his broom for the very first time. Tan will guide you through loving, fun--yet occasionally snarky--recaps of each film, as well slather on many behind-the-scenes facts

and stories about how the films were made. Casting decisions, near misses, movie artistry: she'll cover it all, and more, as well as critical analysis of the films' significance in pop culture, filmmaking, and history. Not only that, since this is a *Binge Watcher's Guide*, Tan shares actual tips for binge watching, including recipes and suggestions for hosting your own Harry Potter themed binge-watching party.

Dumbledore Irvin Khaytman, 2025-07-08 A brilliant investigation into the motivations and methods behind the actions of Hogwarts's renowned Headmaster! Albus Percival Wulfric Brian Dumbledore, Headmaster of Hogwarts, is one of the most recognizable and mysterious figures in the Harry Potter series. As an unscrupulous beetle-like journalist once said, he's a biographer's dream. Is he omniscient or limited? Is he benevolent or malevolent? What really drove him in the last years of an extraordinary life? Dumbledore dives between the lines of the Harry Potter books to create a portrait of the controversial Headmaster. We find Dumbledore's hand in every seeming coincidence, and consider the impossible decisions he had to make. This in-depth examination from author Irvin Khaytman casts the events of the Harry Potter series in a whole new light, resolving fans' questions that linger to this day.
