

Ladies Man Richard Price

Thomas Newhouse

Ladies' Man Richard Price, 2011-06-21 Kenny Becker just dumped his girlfriend--the reasons are a little complex. Young and newly unemployed, his main assets at the moment are six-pack abs and a healthy libido--he's ready to get out, find a little action, and maybe find himself too. But New York is no place for the lonely, and with one meaningless sexual encounter after another, Kenny begins to wonder if the singles scene is not itself a complete con job, with his heart and his future at stake. Raunchy, funny, and surprisingly heartfelt, this 1978 clubland slice-of-life displays Richard Price in gritty good form.

The Beat Generation and the Popular Novel in the United States, 1945-1970 Thomas Newhouse, 2000-06-30 The Beat Generation that emerged after World War II and reached its zenith in the 1960s represented an era of new perspectives. The questioning, anti-establishment view of the world prevalent among the various members of the Beat Movement found its voice in both novels and poetry. The novels especially, or what might be called underground narratives, were a driving force within the literary, social and cultural revolution that characterized the Beats. This study of the American novel during that era presents the forerunners of the literary tradition of the Beats and examines the major genres of the Beat novel: the juvenile delinquent novel, the self-discovering novel of individuality, the gay novel, the drug novel, the new journalism, and novels taking on topics of defiance and submission. From novels that have found a mainstream acceptance, like *The Blackboard Jungle*, *The Electric Kool-Aid Acid Test*, and *On the Road*, to lesser-known works like *Go, Young Adam*, and *Flee the Angry Strangers*, numerous representative works are examined in depth. Also included is a chronology of underground narratives, showing the development of these novels from their early twentieth century antecedents to current works.

Growing Up Postmodern Ronald Strickland, 2002 This collection takes its inspiration from Paul Goodman's *Growing Up Absurd*, a landmark critique of American culture at the end of the 1950s. Goodman called for a revival of social investment in urban planning, public welfare, workplace democracy, free speech, racial harmony, sexual freedom, popular culture, and education to produce a society that could inspire young people, and an adult society worth joining. In postmodernity, Goodman's enlightenment-era vision of social progress has been judged obsolete. For many postmodern critics, subjectivity is formed and expressed not through social investment, but through consumption; the freedom to consume has replaced political empowerment. But the power to consume is distributed very unevenly, and even for the affluent it never fulfills the

desire produced by the advertising industry. The contributors to this volume focus on adverse social conditions that confront young people in postmodernity, such as the relentless pressure to consume, social dis-investment in education, harsh responses to youth crime, and the continuing climate of intolerance that falls heavily on the young. In essays on education, youth crime, counseling, protest movements, fiction, identity-formation and popular culture, the contributors look for moments of resistance to the subsumption of youth culture under the logic of global capitalism.

The Road to Rockaway Richard Grayson, 2014-05-21 Richard Grayson has been keeping a daily diary compulsively since the summer of 1969, when he was an 18-year-old agoraphobic about to venture out into the world - or at least the world around him in Brooklyn. His diary, approximately 600 words a day without missing a day since August 1, 1969, now totals over 9 million words, rivaling the longest diaries ever written. But Grayson is not merely an eccentric with graphomania. His nonfiction has appeared in PEOPLE, THE NEW YORK TIMES, THE ORLANDO SENTINEL, THE SAN JOSE MERCURY NEWS, THE ARIZONA REPUBLIC, THE NEW YORK POST and numerous other periodicals. Excerpts from his diaries have appeared online at McSWEENEY'S and THOUGHT CATALOG. ROLLING STONE called Grayson's first short story collection, WITH HITLER IN NEW YORK, published in 1979, where avant-garde fiction goes when it becomes stand-up comedy, and NEWSDAY said, The reader is dazzled by the swift, witty goings-on. THE ROAD TO ROCKAWAY covers the months after the publication of his first book.
