*Choicest Lyrics from the Realms of Love Delineating Cupid's Charms and Snares, and Hymen's Joys and Cares, and Depicting the Gaieties and Gravities of Courtship and Marriage in Every Age and Clime* ,189?

An Emotional Dance Gary A. Puchett,2006-11-02 8/18/06 This book had to be addressed as one of fiction because of the real torment created by one vicious evil plotting scorned female controlled by Satans own mind. The story is true, however all the names have been changed to protect the innocent, the publisher, and the Author. Three years of dedication and very hard work gathering information to present to the reader, starting from July 2003. False police reports made and found to be unfounded by the department, many case numbers that John Q public has access to. One female in a very big city that wanted to control all the dance arenas, and would stop at nothing short of murder to gain prominence among a few filthy underhanded worthless club owners. The main character Katherine was scorned by two ex lovers and wanted revenge to the point of absolute destruction to both of these educated and very striking men. An Emotional dance was performed by her to bring forth the Midnight Hour meant for complete ruin of these beautiful men. This book has exposed the underbelly of some unscrupulous dance studio renters that prey on innocent widows and other caring people that have had a loss of a loved one. These poor people are cheated out of large sums of money and given false hope in return, because of their need to feel wanted and accepted by others, they are hurting so bad and simply want to be loved once again. One very arrogant down town club renter, because they rent the space, has such a love of himself, that he truly believes he is the King of Los Vegas, how pathetic, small man syndrome comes to mind with this little person.

**Diana Ross** J. Randy Taraborelli,2008-08-26 Profiles the legendary icon, temperamental superstar, Civil Rights trailblazer, and mother, delving into all aspects of her life, including her family, her romances, and her career.

*Michael Jackson* Shawn Henning,2010-06-17 Shawn Hennings new book is a powerful and overwhelming tribute and legacy to Michael Jackson. In one book, hes collected love letters, reflections, eulogies, poems, essays and drawings from people throughout the world who have a special appreciation for the King of Pop, Michael Jackson. I was particularly impressed at the diversity of material, from so many different countries and cultures all of it heartfelt and illuminating. In *We Love You More*, we learn about the many different ways that Michael Jackson affected people from all walks of life. The

participants talk about how Michaels music, creativity and public example affected their lives and helped them to be better people. The contributions are a wonderful cathartic output to help to come to terms with the loss of Michaels huge talent. They will not only comfort those who have written them, but those who read them. People will learn about the experiences they have in common, with people throughout the world, who followed Michaels career, his music, his good deeds and the example he set for this generation and generations to come. The book will also be of comfort to Michaels own family. They will see that the spirit of Michael will continue in people everywhere and in many ways and for many reasons. Its also fascinating to learn what people have to say about different songs and what they meant to their lives. Im impressed by the diverse elements in the book from eulogies, to memories to poems and beautiful drawings and paintings and even photo montages at the end. Mr. Henning youve done a wonderful service to the Michael Jackson fan community and I commend you. Sincerely yours, Larry Nimmer

**A Safe Space** E.M. Tippetts,2014-12-17 This book has characters in common with the Someone Else's Fairytale series. Everyone needs a safe space. For Lizzie Warner, that space has always been in front of the camera on her hit show, or on stage before a sold out concert arena. Since before she can remember, she's been a star, but that may be about to change. She's nineteen. Her show has been cancelled and now she's going to play the lead in a new prime time drama series, but is the world ready to take her seriously, or will she be typecast as the cute tween queen forever? Her network has decided to be aggressive and has invested millions of dollars in an ad campaign for her show, money she's not sure she can earn back. Her co-star can't stand her, and the writing for the show turns out to be poor at best. The only reason Lizzie didn't walk away from the job offer to begin with is because she's broke, the victim of a decade of bad money management. Then there's Devon, the personal trainer at her gym. Arrogant and abrasive, he's the last guy she should ever find attractive, but she has a hopeless crush on him anyway, and he doesn't seem entirely disinterested either. In fact, sometimes he's downright sweet to her. If only he weren't an untamable bad boy who uses and dumps women like they're nothing. Though Lizzie's friends warn her to stay away, he's the only person who can create what she needs: a safe space. But is there any way she can break him of his years' long habit of being a user? **Sweeter Savage Love** Sandra Hill,2014-04-29 Sandra Hill strikes with humor, character, and artistry. Sweeter Savage Love is hot hot hot! The Literary Times The stroke of surprisingly gentle hands, the flash of fathomless blue eyes, the scorch of white-hot kisses . . . Once again, Dr. Harriet Ginoza is swept away into rapturous fantasy. The modern psychologist knows the rough and ruthless man of her dreams is everything she should despise, a quintessential male chauvinist, yet time after

time, she finds herself lost in visions of a dangerously handsome rogue straight out of a historical romance. Harriet never believed that her dream lover would cause her any trouble, but when a twist of fate casts her back to the Old South she meets him in the flesh! To her disappointment, Etienne Baptiste refuses to ravish her and fulfill her secret wishes. If Harriet has any hope of making her amorous dreams become passionate reality, she'll have to seduce this charmer with a sweeter savage love than she'd imagined possible . . . and savor every minute of it.
