## Harry Spiller

Murder in the Heartland, Book 2 Harry Spiller, 2004-10-29 For 16 years, Harry Spiller worked as a deputy sheriff, investigator, and sheriff in a place where murder isn't suppose to happen? Southern Illinois. Investigating murder cases mainly in Williamson County and assisting in other counties. He learned the hard reality that murder is all around us. It is swift for the victim and can happen to anyone, anywhere at anytime. It doesn't matter if you live in a big city or a small county, with brick-front towns, small farms, white church houses, lakes and ponds, the Shawnee National Forest, and the muddy rivers. All too often, victims fall prey in places that we think are safe to raise our families, places where we take walks on hot summer nights, where our children play in the park without concern, where we fish in the local pond hoping to land the big one, and where we leave our doors unlocked at night. In this book, Murders In The Heartland, Book 2 there are 10 case files.

**Murder in the Heartland: Book Two** Harry Spiller, 2011-01-07 In a place where murder isn't supposed to happen—rural Missouri and Southern Illinois—deputy sheriff and investigator Harry Spiller learned the hard reality: murder is all around us. It doesn't matter whether you live in a big city or small county with farms and churches—murder is swift and can happen to anyone, anywhere, and anytime. All too often, victims fall prey in places we think are safe to raise our families, where we take walks on hot summer nights, where our children play in the park or yard without concern, and where we leave our doors unlocked at night. Murder in the Heartland, Book 2 tells the stories of innocent victims in these seemingly innocent places. From his research and investigations of ten murder cases, Spiller recounts the gruesome details of a fraternity hazing gone deadly, teen killings, and even murders by those living and working with the victims. As much as we like to think we're safe, murder can happen even in rural America—and it does. Join Spiller in the second installment of his three-book series of these horrifying murders in the heartland.

unlocked at night. *Murder in the Heartland*, Book 3 tells the stories of innocent victims in these seemingly innocent places. From his research and investigations of twelve murder cases, Spiller recounts the gruesome details of a homicidal nurse, a murder instigated by the devil, and the “death of the machine.” Each account includes chilling mug shots, crime scene photos, and interviews from the murderers themselves. As much as we like to think we’re safe, murder can happen even in rural America—and it does. Woodcutter's Grim Series, Volume II Anthology Karen Wiesner, 2015-06-30 A four-book miniseries within the Woodcutter's Grim Series, dealing with the curse on the Shaussegeny family. Moonlight Becomes You {romantic paranormal} Very loosely based on The Town Mouse and the Country Mouse. When her child becomes deathly ill and none of the doctors and specialists can help him, Heather Rowe rushes to Woodcutter's Grim, hoping the boy's father can explain what's happening. But Lance Shaussegeny both intrigues and terrifies Heather as much as what he's told her of his hometown does. She soon learns that nothing in Woodcutter's Grim--including Lance--is what it seems. Bewitched {romantic paranormal} Very loosely based on The Little Mermaid. Glynnis Shaussegeny becomes bewitched by the mystery man who appears out of nowhere on the abandoned property across the lake from her family's estate. But does Aric Sayer have even more dark secrets than she does? One Night of Eternity {romantic paranormal} Very loosely based on The House That Jack Built. The curse pronounced on the Shaussegeny clan for all time was very clear: Because the Shaussegeny name has long been synonymous with faithlessness, even unto your own chosen mates, only one chosen mate will be allotted to each of your kin henceforth. These chosen mates must also fall under the family curse, but these pairs will know true peace when they become one. Herein lays your salvation--and your damnation. Only if each of your clan remains faithful to their chosen mates in word and deed for all of their days will they have blissful contentment. Apart, mates shall be restless and forever unsettled, gripped by a sadness and despair unlike any other. A terrible fate will come upon the one who breaks the mate covenant. Gavin Shaussegeny has broken the covenant with his wife, Marnie, by cheating on her, and the betrayal carries a harsh penalty and punishment. Although Gavin regrets his faithlessness and loves his wife more than anyone or anything else, the house that he's built for himself is rapidly beginning to tumble down around him. There is only one chance for salvation for him now: Only his mate's undeserved forgiveness will free him from his punishment to re-live his betrayal over and over for all time. Beauty is the Beast {romantic paranormal} Very loosely based on Beauty and the Beast. The Shaussegeny family curse came with one final pronouncement: And now there is but one manner in which this curse can be broken and obliterated entirely: That beauty falls in love with the beast and vice versa, that evil loves good and good loves evil. If this should happen, your family shall be released from each aspect of my curse and your alliance with evil shall be ended. Ransom Shaussegeny attempts to cure the family of the curse they live under. Instead, he becomes a werewolf trapped in his beast form and isolates himself inside the family fortress. When he meets Tess Moore, a beautiful enchantress, and falls under her spell, Ransom no longer knows who or what is real--or whether the evil in Woodcutter's Grim is about to have the last laugh by dooming him, the woman he loves, and his family for all time...

Patrol Officers Amber Carfi and Warren Jensen stake out the gallery, hoping to catch an insatiable thief. Retribution: The subdivision FBPD investigators Pete Shasta and Danny Vincent live in becomes home to a very hot young mama...and their wives Lisa and Melody aren't too happy about all the men in the neighborhood moonlighting as Peeping Toms. But it isn't until the beautiful young woman disappears, leaving her two young children alone, that Lisa realizes crime is firmly afoot. and Up In Smoke: Lieutenant Pete Shasta is struggling to find the perfect Christmas gift for his perfect wife. His agonizing is interrupted when FBPD Dispatch receives a call from the neighbor of a local Christmas tree farm--which has just burned to the ground. Owner Mitchell Ferrara is officially out of business for the holiday season. But was the fire an accident...or the means to cover up evidence of a crime? Ghost of the Past: After an exhausting day, patrol officer Amber Carfi is looking forward to dinner and going home to the love of her life, Warren Jensen, who's been acting strange and secretive lately. When she stops at a local restaurant for take-out, she's surprised when a woman at the counter pushes a note written on a napkin over to her. The hastily scrawled correspondence says that someone has been following her all day and he's now in the restaurant. Sixteen years earlier, Ericka Callister gave birth to a baby she didn't want. Young and scared, she wrapped the baby in a pillowcase, then threw him into a dumpster before fleeing. She's about to discover the hard way that mistakes have a way of haunting the guilty no matter how far they run and no matter where they hide.
