Tantra of the Yoga Sutras Alan Finger,Wendy Newton,2018-12-11 A readable, accessible version of the ancient classic primer on the practice of yoga--interpreted by a contemporary Tantric yoga master. The Yoga Sutras is Patanjali's classic text on how to experience oneness (samadhi) within yoga practice. Serious yoga students want to bring the wisdom of the Sutras to their practice but often find the text impenetrable and difficult to relate to. Here, yogi and Tantric master Alan Finger offers an interpretation of the Sutras that is clear and immediately relevant—and he shows contemporary practitioners that samadhi is something that they can experience here and now. Yoga is a process of spiritual evolution, and samadhi is as natural as breathing and available to all, because it is our true nature. Viewed through a Tantric framework, Finger shows us

how the Sutras describe the yogic process that both leads us to the experience of samadhi and allows us to weave the wisdom and grace of that experience back into our everyday life.

Gil brings the practice of mindfulness not only to formal meditation but to all the varying aspects of every day life.

Knowing the Deepest Happiness Dr. Larry John Barnhardt, 2020-09-25 America's founding fathers stated the pursuit of happiness is an unalienable right. But what is happiness and where is it to be found? In this age of consumerism, we are sucked into believing that happiness comes when we purchase a new car, new furniture, even laundry detergent. *Knowing the Deepest Happiness* is a beginner's guide into mindfulness based on the principles of ancient Buddhism, along with the science of modern-day positive psychology, and maps out practical ways of incorporating these principles into a daily ritual of mindfulness leading to optimal well-being. Happiness and sadness are opposite sides of the same coin. And in most cases, whether you pursue happiness or sadness is a choice. A choice you make every day of your life!

Known for his bold voice and unforgettable characters, John Dufresne tells the story of Olney, whose beloved son Cully collapses into addiction and vanishes into the chaotic netherworld of southern Florida. Aided by his terminally ill girlfriend and the colorful inhabitants of a local motel—including a doomsday prepper, an ex-nun, a pair of blind twins with an acute sense of smell, and a devoutly Catholic shelter worker—Olney sets out to save his son. Hilarious and devastating in equal measure, *My Darling Boy* is a hero's quest for our time, a testament to families touched by the opioid crisis, and a remarkable achievement from one of our most talented, genre-bending authors.

get her life in order—and solve the murders of her fellow content creators—in this hilarious sequel to *Mindful of Murder* by bestselling author Susan Juby. When Buddhist butler Helen Thorpe is loaned out to help Cartier Hightower get her life in order, Helen finds herself working for a young woman entirely unbound by the fetters of good taste or sound judgment. One of Cartier’s fellow content creators has recently died in a strange accident. Soon after Helen arrives, another is killed in an equally bizarre way. Cartier begins to drag Helen around on the influencer circuit, where neither of them is particularly welcome. Then comes the terrible incident at the EDM nightclub that turns Cartier into a global pariah, at least according to social media. Helen hopes a period of simplicity and reflection and an internet detox will help Cartier find her true nature and maybe acquire some social graces. But Helen’s job gets much harder when Cartier’s friends show up at the lavish ranch where Cartier and Helen have retreated. Soon, Helen finds herself trying to avoid becoming Instafamous while bringing some peace to a girl who very much needs it. This task turns out to be even more impossible when it becomes clear that they have been followed to Weeping Creek Ranch by a murderer.
