

# Porque Tauro Se Hace De Rogar

**Mariano José de Larra**

**Talacha periodística** Vicente Leñero,1989

**Vicente Leñero** Vicente Leñero,1986

**Cuadernos de la juventud** ,1968

Maelström. Agujero negro Marco Tulio Aguilera,2017-11-08 Este libro incluye cinco minificciones, la crónica de un viaje a la Amazonia colombiana, un cuento de ciencia ficción premiado en Colombia, el resumen de una larga novela que el autor lleva muchos años escribiendo, un ensayo sobre el concepto de amor en Shakespeare, cuatro relatos que el autor no se atrevió a incluir en sus libros ya clásicos: Cuentos para después de hacer el amor, Cuentos para antes de hacer el amor y El imperio de las mujeres; la crónica de una visita reciente del autor a la casa de García Márquez. Los conceptos de maelström y de agujero negro sirven para definir este libro: un enorme remolino en el mar que se traga todo; y una especie de desfiladero del universo, en el que todo desaparece.

**Periodismo de emergencia** Vicente Leñero,2007 Emergency Journalism During half a century Vicente Leero has marked the Mexican press with his style. His is an indelible stamp, the imprint of a tireless and deep work, trace of the best journalism: that which is felt before being thought, that is known by intuition in the finger tips. This is the anthology of a life, of a stark work, lucid and exciting. Emergency journalism is an absolute journalistic and literary exercise. Vicente Leero's writings hum in the ears, they atrophy the nose of those who read them, they cling to the skin and grab the tongue. Fifty years of history, five decades of stories, half a century of deep and subtle intelligence, of chronicles, interviews, reports and opinions. The years and the pages get mixed and confused while facts and men parade timeless and naked. Emergency journalism is an indispensable legacy, a written mosaic of the Mexican XXth century. This book is, tries to be, a balance of the exercise of a profession assumed with literary passion. Vicente Leero
