More or Less Jeff Shinabarger,2013-03-01 In More or Less, Jeff Shinabarger calls readers to create their own social experiments to answer the question, "What is enough?" It all started with one idea: What would happen if we created a culture in which we gave away whatever was more than enough for us? How would our habits change if we shed the excess of money, clutter, and food in our lives? In More or Less, readers will learn how to draw a line of "enough" in their consumer choices, how to see generosity as a chance to experience freedom in a greedy world, and how to make small changes now that will help others forever. As Shinabarger reminds them, defining "enough" is more than a responsibility—it is an opportunity to give hope. With a foreword by Bob Goff.

*Caca Dolce* Chelsea Martin, 2017-08-15 An “enchanted” memoir of an artist in search of herself: “A sure hit for fans of Sara Benincasa’s *Agorafabulous!* and Lena Dunham’s *Not That Kind of Girl*” (Booklist, starred review). *Caca Dolce* is the “funny, candid, and bracingly self-aware” story of Chelsea Martin’s coming of age as an artist (*The Rumpus*). We’re with the author of cult novels *Mickey* and *Even Though I Don’t Miss You* as an eleven-year-old atheist, trying to will an alien visitation to her neighborhood; fighting with her stepfather and grappling with a Tourette’s diagnosis as she becomes a teenager; falling under the sway of frenemies and crushes in high school; going into debt to afford what might be a meaningless education at an expensive art college; navigating the messy process of falling in love with a close friend; and struggling for independence from her emotionally manipulative father and from the family and friends in the dead-end California town that has defined her upbringing. A book about relationships, class, art, sex, money, family, and growing up weird and poor in the late 1990s and early 2000s, *Caca Dolce* is “a wild ride of a memoir, and a true glimpse into the mind of an artist as she’s figuring out what life is all about” (Kristin Iversen, *Nylon*).

A wildly entertaining ride packed with adventure, mystery, and one dangerously charming, still-smokin’-hot SEAL as backup. Overcoming Obstacles Jibby Peter Dcruz, 2021-12-17 When was the last time people actually stopped to think about what's keeping them afraid? What surprises awaits if a person actually sticks onto a passing thought? Just realize that it is on

the other side of fear that greatness awaits them. This book is for anyone who wants to get to the greatest version of themselves. Get first-hand experience on the author's journey that stretches the limits of the human body and all the mental mountains that had to be climbed in between.

Note to Self Ara Fernezian, 2019-09-13 *Note to Self* chronicles the inspiring journey of an Armenian immigrant's son and his endeavor to finding answers to his childhood struggles, dreams and life purpose in the midst of religious and ethnic wars coupled with social and economic challenges. Admittedly, this is a challenging endeavor, and yet he set out to find his happiness among the least-searched paths. He has explored and searched for answers in most religions, philosophers, authors and people's life experiences. He's taken the most difficult roads and was left in darkness for some time due to constant internal battles and lack of self-compassion until he reached a point of no return, when he finally decided to face and conquer his fears and self-doubts. He's done that by isolating and distancing himself for some time from home, family, work and friends while trying to reach, unveil and comprehend his deepest memories, emotions, self-reflections and harbored childhood feelings. Eventually, as you will discover throughout this book, all the right questions gradually started to come to the surface at a time when he surrendered himself to God's will, accepted his true-self with integrity and learned self-love. All these steps have led to his soul's awakening and have helped him realize the power within. With enough courage and faith to follow his path, he's been discovering the secrets of the universe, which lied within his subconscious mind and heart, sowed by his ancestors since the beginning of time. *Note to Self* is an important reminder to every one of us to take a step back and focus on the inner self first before dealing with the outer world. The author, Ara Fernezian, will explore two simple and fundamental self-questions, something maybe each one of us should ask ourselves: How do you love yourself and others? What have you done so far to improve people's lives?

Becoming Global Asia Cheryl Narumi Naruse, 2023-10-24 A free ebook version of this title is available through Luminos, University of California Press's Open Access publishing program. Visit [www.luminosoa.org](http://www.luminosoa.org) to learn more. *Becoming Global Asia* centers Singapore as a crucial site for comprehending the uneven effects of colonialism and capitalism. In the wake of the 1997 Asian financial crisis, Singapore initiated socioeconomic policies and branding campaigns to transform its reputation from a culturally sterile and punitive nation to Global Asia—an alluring location ideal for economic flourishing. Rather than evaluating the efficacy of state policy, Cheryl Narumi Naruse analyzes how Singapore gained cultural capital and soft power from its anglophonic legibility. By examining genres such as literary anthologies, demographic compilations, coming-of-career narratives, and princess fantasies, Naruse reveals how, as Global Asia, Singapore has emerged as simultaneously a site of imperial desire, a celebrated postcolonial model nation, and an alibi for the continued subjugation of the so-called Third World. Her readings of Global Asia as a formation of postcolonial capitalism offer new conceptual paradigms for understanding postcolonialism, neoliberalism, and empire.

*LAXMI PUJA* SWAMI RAM CHARRAN,2011-02-22 Laxmi means money or wealth. When we suffer from lack of wealth, it is because of inherited karmas. When our ancestors have failed in pleasing the Goddess of wealth, she will be missing in our life. This is why we need to perform Laxmi Puja. Without light our whole life becomes dark, so also without wealth we live in darkness and ignorance Many of us aspire to be wealthy, but are we really ready and able to receive it? The ancient Hindus asked and prepared themselves to receive wealth in all its forms by a special set of ceremonies and prayers that not only attract material and spiritual wealth, but also allows them to receive it, use it appropriately, and conserve it. In this book, Swami Ram Charran gives a step-by-step explanation of the ritual to Mother Laxmi or Laxmi Puja and guides every person towards accepting the prosperity that is the birth right of every child of God.
