So You're Born Again Now What? Karen Wilson Vatel, 2008-07 This is a book you will come back to again and again for simple guidance. In its easy-to-read, easy-to-understand language, it guides all believers but especially, the new believer and those in their infancy stages on their journey through kingdom living and eventually to a personal relationship with God. Understanding that we go through our own journey to help others with theirs, the author has passed on gems of wisdom from her own life to the reader. As a result, the believer avoids wasted time searching in the dark for answers. Karen Wilson Vatel is an author, a mentor and an inventor. After leaving the corporate cultures of Wall Street and Washington DC where she had been employed for almost 20 years as an executive assistant and office manager she wrote her first book. After years of mentoring others on developing a personal relationship with God, she recognized there is a general need for simple guidance on achieving this goal. As a result, this book was birth out of her desire to mentor those in their infancy stages of growing in relationship with God. Born in Trinidad and raised in New York, she enjoys theatre and the arts, loves animals and ladybugs and currently resides in Laurel, Maryland with her cat Mr. Jazz.

So You Think You Were Born Poor Wayne Richardson, 2009-06-13

Born In Exile So God's Hands Can Mold Me R. B. Partner, 2025-09-05 Soul distress is a real part of my existence, and God's hands have been the only ones working on me from the beginning. The beginning is the birth of a body, soul, and spirit. With time, the understanding of the soul's state of exile grew to include knowing that God's hands are at work. Embracing the knowledge and reflection of God's hands working to align my body, soul, and spirit to the Holy Spirit, I work with my heart and mind so that my body, soul, and spirit can rely on the Holy Spirit in the effort to navigate life and existence. God's hands can be seen through the reflection of the life cycle: molding a vessel, filling the vessel, and flowing through the vessel.
