Baseball's Comeback Players Rick Swaine,2014-03-08 This book profiles forty major league ballplayers who engineered remarkable comebacks to salvage fading careers. Details of each comeback is provided along with a summary of the player's career. The comeback players range from Hall of Famers like Ted Williams and Stan Musial; to near-greats like Tommy John and Luis Tiant; to journeyman performers like George McQuinn and Tony Cuccinello. In the absence of statistical standards to evaluate or even define comebacks, the selection of the top comeback players was based on the following criteria: historical significance, uniqueness, dramatic content, degree of difficulty, and the player's overall reputation and standing.

John Tortes "Chief" Meyers William A. Young,2014-01-10 One of major league baseball's first Native American stars, John Tortes Chief Meyers (1880-1971) was the hard-hitting, award-winning catcher for John McGraw's New York Giants from 1908 to 1915 and later for the Brooklyn Dodgers. He appeared in four World Series and remains heralded for his role as the trusted battery mate of legendary pitcher Christy Mathewson. Unlike other Native American players who eschewed their tribal identities to escape prejudice, Meyers--a member of the Santa Rosa Band of the Cahuilla Tribe of California--remained proud of his heritage and became a tribal leader after his major league career. This first full biography explores John Tortes Meyers's Cahuilla roots and early life, his year at Dartmouth College, his outstanding baseball career, his life after baseball, and his remarkable legacy.

Big and Little Poison Clifton Blue Parker,2015-10-02 The Waner brothers, Paul and Lloyd--also known as Big Poison and Little Poison--played together for fourteen seasons in the same Pittsburgh outfield in the 1920s and 1930s. More than half a century after retiring, they still rank as the best-hitting brothers in major league history with a combined 5,611 hits--517 more than the three Alou brothers, 758 more than the three DiMaggio brothers, and 1,400 more than the five Delahanty brothers. And both Waners are in the Hall of Fame, the only playing brothers so honored. This work tells the story of the

Waner brothers from their early lives in Oklahoma through their playing days, which included a World Series against the legendary 1927 New York Yankees. It is also the story of two American eras: the Roaring Twenties and the Depression years. Both put up impressive numbers individually: Paul amassed 3,152 hits, and his .333 lifetime average ranks among the highest ever in the game. Lloyd, a lifetime .316 hitter, collected 2,459 hits, and had it not been for health problems, he might have cleared the 3,000 hit milestone as well. Together, they were baseball heroes.
