Nursing Interventions & Clinical Skills E-Book Anne G. Perry, Patricia A. Potter, Wendy R. Ostendorf, 2019-01-08 Master nursing skills with this guide from the respected Perry, Potter & Ostendorf author team! The concise coverage in Nursing Interventions & Clinical Skills, 7th Edition makes it easy to learn the skills most commonly used in everyday nursing practice. Clear, step-by-step instructions cover more than 160 basic, intermediate, and advanced skills — from measuring body temperature to insertion of a peripheral intravenous device — using evidence-based concepts to improve patient safety and outcomes. A streamlined, visual approach makes the book easy to read, and an Evolve companion website enhances learning with review questions and handy checklists for each clinical skill. - Coverage of more than 160 skills and interventions addresses the basic, intermediate, and advanced skills you'll use every day in practice. - Safe Patient Care Alerts highlight risks or other key information to know in performing skills, so you can plan ahead at each step of nursing care. - Unique! Using Evidence in Nursing Practice chapter provides the information needed to use evidence-based care to solve clinical problems. - Coverage of evidence-based nursing techniques includes the concept of care bundles, structured practices that improve patient safety and outcomes, in addition to the coverage of teach-back. - Delegation & Collaboration guidelines help you make decisions in whether to delegate a skill to unlicensed assistive personnel, and indicates what key information must be shared. - Teach-Back step shows how to evaluate the success of patient teaching, so you can see whether the patient understands a task or topic or if additional teaching may be needed. - Recording guidelines describe what should be reported and documented after performing skills, with Hand-off Reporting sections listing important patient care information to include in the handoff. - Special Considerations indicate the additional risks or accommodations you may face when caring for pediatric or geriatric patients, as well as patients in home care settings. - A consistent format for nursing skills makes it easier to perform skills, organized by Assessment, Planning, Implementation, and Evaluation. - Media resources include skills performance checklists on the Evolve companion website and related lessons, videos, and interactive exercises on Nursing Skills Online. - NEW! 2017 Infusion Nurses Society standards are included on administering IVs and on other changes in evidence-based practice. - NEW Disaster Preparedness chapter focuses on caring for patients after biological, chemical, or radiation exposure. - NEW! SBAR samples show how to quickly and effectively communicate a patient's condition in terms of Situation, Background, Assessment, and Recommendation. - NEW! Practice Reflections sections include a clinical scenario

and questions, helping you reflect on clinical and simulation experiences. - NEW! Three Master Debriefs help you develop a better understanding of the big picture by synthesizing skill performance with overall patient care.

Essentials for Nursing Practice - E-Book Patricia A. Potter, Anne G. Perry, Patricia A. Stockert, Amy Hall, 2018-03-12 Get a solid foundation in essential nursing principles, concepts, and skills! Essentials for Nursing Practice, 9th Edition combines everything you need from your fundamentals course and streamlines it into a format that's perfect for busy nursing students. The ninth edition retains many classic features, including chapter case studies, procedural guidelines, and special considerations for various age groups, along with new content including a chapter on Complementary and Alternative Therapies, interactive clinical case studies on Evolve, a new Reflective Learning section, and QSEN activities to encourage active learning. Thoroughly reviewed by nursing clinical experts and educators, this new edition ensures you learn nursing Essentials with the most accurate, up-to-date, and easy-to-understand book on the market. - Progressive case studies are introduced at the beginning of the chapter and are then used to tie together the care plan, concept map, and clinical decision-making exercises. - Focused Patient Assessment tables include actual questions to help you learn how to effectively phrase questions to patients as well as target physical assessment techniques. - Nursing skills at the end of each chapter feature full-bleed coloring on the edge of the page to make them easy to locate. - Safety guidelines for nursing skills sections precede each skills section to help you focus on safe and effective skills performance. - Detailed care plans in the text and on Evolve demonstrate the application of the 5-step nursing process to individual patient problems to help you understand how a plan is developed and how to evaluate care. - Unexpected outcomes and related interventions for skills alert you to possible

problems and appropriate nursing action. - Patient Teaching boxes help you plan effective teaching by first identifying an outcome, then developing strategies on how to teach, and finally, implementing measures to evaluate learning. - Care of the Older Adult boxes highlight key aspects of nursing assessment and care for this growing population. - Key points neatly summarize the most important content for each chapter to help you review and evaluate learning. - Evidence-Based Practice boxes include a PICO question, summary of the results of a research study, and a F description of how the study has affected nursing practice — in every chapter. - Patient-Centered Care boxes address racial and ethnic diversity along with the cultural differences that impact socioeconomic status, values, geography, and religion. - 65 Skills and procedural guidelines provide clear, step-by-step instructions for providing safe nursing care. - 5-step nursing process provides a consistent framework for clinical chapters. - Concept maps visually demonstrate planning care for patients with multiple diagnoses. - NOC outcomes, NIC interventions, and NANDA diagnoses are incorporated in care plans to reflect the standard used by institutions nationwide.

The Renaissance Society DIGITAL AUDIO Rolf Jensen, Mika Aaltonen, 2013-05-03 A BOLD NEW VISION FOR THE FUTURE OF BUSINESS, FROM THE BESTSELLING AUTHOR OF THE DREAM SOCIETY. THIS IS A BOOK ABOUT THE FUTURE. Your future. Our future. The future of companies, the marketplace, and society. According to futurists Rolf Jensen and Mika Aaltonen, we are currently between dreams. We've managed to achieve many of our material goals, only to face ever-growing global competition in an ever-slowng economy. Here's the good news: With the rise of social media and online resources, consumers are growing more powerful. Individuals are exploring more options. And smart businesses are discovering more ways to appeal to this powerful new community. Welcome to The Renaissance Society. A world-class network of ordinary people who are changing the way companies and communities interact, they are the future--and they are us. This forward-thinking book guides you through tomorrow's hottest trends to help you: Make an emotional connection to your customers Create a value-driven company that engages your employees Adjust your business strategy for a flatter, global marketplace Reward individual expression and spark a tribal spirit Identify future trends to build long-term success Jensen and Aaltonen's razor-sharp predictions offer a much-needed heads-up--and a major head-start--for your future success.

You'll explore revolutionary ways in which the individual's role will shift from consumer to creator--much like it did during the European Renaissance. You'll find out why learning will become the world's largest industry and how services will become the twenty-first century's biggest growth market. You'll see a powerful shift in the concept of ownership, the role of employees within a company, and the role of companies in society. Most important, you'll be able to turn these fascinating predictions into real-world opportunities for decades to come. In *The Renaissance Society*, everybody matters. Each and every one of us has the power to reshape the future of our companies. To reignite the passion of our communities. And to restore our faith in ourselves, our dreams, and our limitless potential for growth. PRAISE FOR THE RENAISSANCE SOCIETY Jensen and Aaltonen have created a captivating portrait of tomorrow, one that inspires us to think of alternatives. Decision makers in all fields will find that this book provides powerful reasons to question their grasp of the present. -- Riel Miller, Foresight Director, UNESCO Mika and Rolf inspire our thinking and action with a book based on solid theory--and their vast experience working with leading international companies. It is a valuable reference for leaders in both business and politics. - DR. STEFAN BERGHEIM, DIRECTOR, CENTER FOR SOCIETAL PROGRESS, GERMANY The Renaissance Society is a fascinating and highly readable guide to the future and the possibilities it holds. These are hard times for many people but this book helps to lift our sights and see the scope now emerging for a step change in human achievement. -- Matthew Taylor, Chief Executive, Royal Society of Arts
