Finding Famous Candice Jalili, 2024-07-30 The Princess Diaries meets reality television in a story about fame (the kind you definitely didn't ask for), first love (the kind you didn't even know you wanted), and most importantly, family (the kind you can't live without). Ever since her mom died, Josie Lawrence has been content with her safe, predictable life. She hangs out with exactly two people: her best (and only) friend, Louise, and her stepdad, Matt. She has exactly one (unrequited) crush on resident high school himbo, Isaac. And she's fully prepared to spend the end senior year preparing for Stanford and actively avoiding anything that reminds her of her mother. But when Josie discovers that her biological father is the recently deceased Ali Mashad—patriarch of America's original reality TV family, dripping with wealth, fame, and Vogue magazine covers—Josie's "predictable" life is gone quicker than you can say "you're doing amazing, sweetie." Being a Mashad means that the entire world is now at Josie's feet—desperate to dress her, to photograph her, to know her—opening a door to a world that Josie never expected to find: one with a cute guy who just might be her soulmate, three ridiculous but wonderful

sisters, and answers to all the questions she wishes she could ask her mom. But the biggest question of all is: If being a Mashad is the chance of a lifetime, will Josie be brave enough to take it?

Bibi's Rainbow: Hilarious Ordeals of Assimilation Majid Amini, 2014-01-18 Bibi's Rainbow is a delightfully narrated novel centered around a large Iranian immigrant family and their old, wise and faithful nanny, Bibi, a talented cook armed with inexhaustible secret recipes, who is resolutely determined to ease the transition of four generations of her family into American society. Using her wits and miraculous recipes as weapons, she ultimately manages to avert a Clash of Civilizations in their Beverly Hills neighborhood, winning over the hearts and souls of her extended family and their neighbors during the tumultuous period between 1979-2008. It is a tale of the long, sometimes tragic, often-hilarious, journey to assimilation.

In the Time of Our History Susanne Pari, 2023-01-03 "Beautifully written. . . . I'm still thinking about the women who inhabited these pages, the choices they made, and the love between them." -Lisa See, New York Times bestselling author of *The Island of Sea Women* "I fell in love with this jewel of a novel from the first page." -Amy Tan, New York Times bestselling author of *The Joy Luck Club* Indie Next List Pick | Target Book Club Pick | Publisher's Marketplace Buzz Books Selection | San Francisco Bay Time Top of Your Stack Selection | Booklist Queen Most Popular Book Releases | Bar/Heart Substack 18 New Books to Read | Literally by Scribd Best New Books and Audiobooks Inspired by her own Iranian-American heritage, the acclaimed author weaves a beautifully crafted story of mothers and daughters, secrets and lies, and defying expectations—even when those choices come with an irrevocable cost. Twelve months after her younger sister Anahita's death, Mitra Jahani reluctantly returns to her parents' home in suburban New Jersey to observe the Iranian custom of "The One Year." Ana is always in Mitra's heart, though they chose very different paths. While Ana, sweet and dutiful, bowed to their domineering father's demands and married, Mitra rebelled, and was banished. Caught in the middle is their mother, Shireen, torn between her fierce love for her surviving daughter and her loyalty to her husband. Yet his callousness even amid shattering loss has compelled her to rethink her own decades of submission. And when Mitra is suddenly forced to confront hard truths about her sister's life, and the secrets each of them hid to protect others, mother and daughter reach a new understanding—and forge an unexpected path forward. Alive with the tensions, sacrifices, and joys that thrum within the heart of every family, *In the Time of Our History* is also laced with the richness of ancient and modern Persian culture and politics, in a tale that is both timeless and profoundly relevant. "Luminous." - Publishers Weekly "A sprawling story of loss

and healing in the immigrant experiences of an Iranian American family... This vibrant story is told in intricate, heartfelt detail.” - Foreword Reviews “[An] immersive tale of a first-generation immigrant determined to blaze her own path.” - Booklist

Let Me Tell You Where I've Been Persis M. Karim, 2006-05 Until recently, Iranian literature has overwhelmingly been the domain of men. But in the twenty seven years since the Iranian revolution, women both in Iran and in the diaspora have written and published in unprecedented numbers. The new hybrid cultures of Iranian diaspora writers has given way to a uniquely feminine literary voice. the Iranian diaspora, is an extensive collection of poetry, fiction, and nonfiction that explores through literature the influences of history, revolution, war, exile, and immigration. The work in this collection uncovers an emerging multicultural generation of female sensibility and eloquence. Unlike the tired, familiar images of Iran in the media, these women write about the complicated spaces between cultures, and capture a unique and still emerging literature. They challenge both the patriarchal literary tradition of Iran and the singular portrayals in the West of Iranian women as veiled, silent, and lacking in agency. published before) from over fifty contributors - including such well-known writers as Susan Atefat-Peckham, Tara Bahrapour, Firoozeh Dumas, Azadeh Moaveni, and Farnoosh Moshiri - the collection represents a substantial cross section of this unique multicultural community. Organized around six general themes, including home and away, family and tradition, gender, politics, love, and silence, *Let Me Tell You Where I've Been* creates a rich conversation about Iran, Iranian culture, the Persian and English languages, and the dual identities of its authors. In a time when Iran is cited daily in the news and political rhetoric is at an all time high, this collection offers a complex and humanizing literary representation. These writers bring their individual and collective vision and offer a powerful new voice to the international literary scene.
