**A Veil of Gods and Kings** Nicole Bailey, 2022-03-07 A god fighting his fate. A prince burdened with secrets. And a romance that could end in flames. Apollo is a deity... almost. Half mortal and refusing to take his position as god of the sun, he spends his nights drowning out haunting memories and his days avoiding responsibilities. Until his father forces him into an ultimatum: Ascend immediately. Or spend the year mentoring under the obnoxious Prince Hyacinth. Forced together, Apollo and Hyacinth grapple with their mutual disdain for each other. But what starts as a kindling of irritation begins to burn into something new. A spark that, if it turns to flame, could incinerate everything they've always protected. A reimagining of the Greek myth of Apollo and Prince Hyacinth, this NA, enemies-to-lovers fantasy series is a whirlwind journey full of romance, intrigue, and enthralling characters. NOTE: This book is the first in a NA Fantasy series that features mature situations, adult language, and romances that lead to moderate steam as the series progresses.

**The Avatar** Jonathan Cahn, 2025-09-02 THE AVATAR , #1 New York Times bestselling author, Jonathan Cahn's explosive newest book will change the way you see the world. THE AVATAR contains revelations so stunning and so shocking that they cannot even be revealed outside of its pages. Who are the avatars? And what do they have to do with the future of America and the world...and your life? Could they lie behind the outcome of every recent American presidential election and the nation's future? Jonathan Cahn, author of nine New York Times bestsellers, now releases what may be his most explosive book yet! THE AVATAR will reveal what the media will never tell you - the ancient mystery at work, moving in secret, behind world events, behind the transformation of America and the West, behind specific world leaders, behind the changes that are touching each of our lives, and what is yet to come, our future. THE AVATAR will take you on a journey across the earth to

uncover the mystery of the ancient gods and avatars - to a land where the gods never left, to a haunted island, to the lady of the forest, and to a god that revealed itself live on television and the web before millions who had no idea what was actually happening. Is there an ancient mystery of kings and queens that will open up, in stunning clarity, the meaning of Donald Trump and every other American leader of recent times - why they rose - why they fell - or why they rose again? Could this be determined from ages past, the exact years of his presidency? What is the mystery behind the day he was born? What is the mystery of the priesthood that lay behind the day his life was almost taken? Could the ancient god-kings and goddess-queens, the avatars, be returning to enter the political realm, our national stage, to take over and rule? THE AVATAR will open up the mystery of the avatar, one who has become a prominent leader on the American political stage and yet who has lived in the image of an ancient deity - of an ancient god, from birth - The American Avatar, instrument of the gods and their agenda. Who is the avatar? And what is the danger that all this poses? Is there an ancient object buried in the sand of the Middle East that foreshadow what is now taking place in America and that holds the key to our future? How much time do we have left? And what must we do? THE AVATAR will reveal... The trickster god The Olympian mystery The return of the king The goddess on the mountaintop The gods of the lake The Cosmic Queen The Altar of Ishtar The god of madness The Black Obelisk The mind-blowing mystery of Sharad Purnima and the Night of the Visitation The geographic formation of another planet that connects to the future of America What lies ahead - and the window of time we have left What you need to know...the answer And of course the Mystery of the Avatar And much, much more... THE AVATAR will not only blow your mind, but change the way you see the world! THE AVATAR - by Jonathan Cahn - The Return of the Ancients & the Future of America. The book you cannot afford not to read!

A Shield of Fate and Ruin Nicole Bailey, 2022-07-06 When the world is at war. No one is safe. Not even the gods. Apollo would hide with Hyacinth and hold him until the sun burned out. But that is not their destiny. When Ares arrives announcing a turn of the tides and war thundering towards Niria, Apollo and Hyacinth take on a journey to save everyone from Zeus' wrath. But when things don't go as planned, they might destroy themselves instead. In this third installment of the Apollo Ascending series, romance, fate, adventure, and tragedy intermingle into an exhilarating story of loyalty and sacrifice.

*Women's Work* Alice A. Kemp,1994 This explicitly feminist look at women and work presents data and research on the

wide range of work performed by women in our society, and analyzes it from the distinct theoretical perspective of socialist feminism. It highlights the lives, the work, and the experiences of women of different races and classes through the different types of work they do. KEY TOPICS: Addresses the full range of women's work--productive work done in the labor market, reproductive work performed mainly in the home, and the additional work women perform for the state (by the state regulation of women's lives in the areas of employment and children). Contrasts the socialist feminist perspective with other major theoretical perspectives from sociology and women's studies. Expresses the voices and experiences of women through qualitative research data and excerpts from the creative literature (by and about women, including women of color). Features original tables that describe the contemporary socio-economic standing of women in the U.S. MARKET: For anyone interested in women's studies, the sociology of women, gender roles, social stratification, women cross-culturally, work and occupations.
