*The Kabala of Numbers ...* Sepharial, 1920

*Origins* Paul Copan, Douglas Jacoby, 2018-08-28 "An excellent . . . introduction to the challenges and benefits of reading

Genesis 1-11 as a genuinely ancient (specifically ancient Near Eastern) text.” —Iain Provon, author of *Seriously Dangerous Religion* Origins turns much of what Christians learned in Sunday School on its head in a revealing comparison of the Genesis narrative to the competing pagan narrative of the day. Relatively few Bible readers are familiar with the world of the ancient Near East, centered in Mesopotamia and its most prominent city, Babylon. The culture, literature, religions, geography, etc. of the early biblical period dramatically influenced what was written and why and without an understanding of these elements, the purposes, meanings, and structure of the text are easily misread by modern readers and reduces the primeval narrative to a collection of Sunday School stories. Origins, while acknowledging the agendas of modern readers, remains on track in expounding on the ancient agenda. Paul Copan and Douglas Jacoby address the doubts of those who find stumbling blocks in early Genesis, facing the tough questions head on and providing biblical solution to many of the “problem passages.” Origins surprises and amazes all seekers, new believers, and veterans of Scripture alike as it devastates the polytheistic, pagan assumptions and proclaims the true God. “A fine addition to the ever-increasing library of books concerning Genesis . . . One also hopes that this volume might be leveraged as an apologetics tool to help those looking for theistic viewpoints on Creation.” —Dustin Burlet, *Conspectus* “This book can be a helpful apologetic and alternative view for those in the church who have only heard a literal approach to Genesis 1-11 and are looking for something different.” —Renew.org

**God's Favorite** Lawrence Wright, 2007-07-17 In this fascinating work of historical fiction, Pulitzer Prize-winning author Lawrence Wright captures all the gripping drama and black humor of Panama during the final, nerve-racking days of its legendary dictator, Manuel Antonio Noriega. It is Christmas 1989, and Tony Noriega's demons are finally beginning to catch up with him. A former friend of President Bush, Fidel Castro, and Oliver North, this universally reviled strongman is on the run from the U.S. Congress, the Justice Department, the Colombian mob, and a host of political rivals. In his desperation, he seeks salvation from any and all quarters -- God, Satan, a voodoo priest, even the spirits of his murdered enemies. But with a million-dollar price on his head and 20,000 American soldiers on his trail, Noriega is fast running out of options. Drawn from a historical record more dramatic than even the most artful spy novel, God's Favorite is a riveting and darkly comic fictional account of the events that occurred in Panama from 1985 to the dictator's capture in 1989. With an award-winning journalist's eye for detail, Lawrence Wright leads the reader toward a dramatic face-off in the Vatican embassy, where Noriega confronts his psychological match in the papal nuncio.

*Egyptian Numerology* Sara Bachmeier, 2018-02-22 Egyptian Numerology works with a person's highest qualities and potential. Most people are satisfied with the traditional numerology which uses the frequencies of numbers to dissect the good and bad aspects of their character. I refer to this as the mind reading technique because for some reason people like to be told what they already know about themselves and what can be revealed by just looking into the mirror and being completely honest with oneself. The paradigm for numbers has shifted over the past few decades and it is vital that we acknowledge this change and accept the knowledge available to us during these radical times of change. Egyptian Numerology takes your reflection and enhances the view by using your number frequencies and taking it into the fifth dimension to show you what is possible to achieve in this lifetime. The fifth dimension has been described as the plane of love and of living totally from the heart. It will give you the opportunity to discover areas of your life that have the greatest potential and what they are meant to look like in an elevated frequency rating. It is compatible to giving you a new prescription for lenses in order to see yourself clearly. If you are already using your highest frequencies, then this type of charting can be used as a geographical confirmation that you are on the right track or it can be used as a reference point to what is possible to achieve in a perspective not always revealing. It will give you a description of what your life looks like when you are living through your heart chakra.
