Essentials and Almost Essentials of Christianity Robin Wright, 2022-08-01 What does a person have to believe to be a Christian? With hundreds of different denominations and probably thousands of beliefs, are there some essentials that all people must believe in to be a Christian? An obvious answer to that is, yes. What are the essentials that people must believe in to be a Christian? The author answers that question with eight essential beliefs in part 1. Part 2 adds eight more beliefs that are almost essential. The third part of the book lists eight essential practices of Christians. As you read, question both the author and your own beliefs by searching the Scriptures.

The Business of Heaven Clive Staples Lewis, 1991

By Faith and Fear: When All Else Fails Luke R. Elie, 2015-07-29 What is it that makes you move through life from opportunity to opportunity? Is it faith that inspires you to do things out of the ordinary, or is it fear? Fear is a scary force indeed. If you're standing on a railroad track with a speeding train closing in, what is your reaction? Is it fear that you might die that forces you to move? Is it faith that the train is on a destructive path that causes you to move? Or is it just simple instinct born out of self-preservation? This is not a philosophical book, and I do not want to waste time sorting out the differences. The most important thing I have found in life is that faith makes me do things I thought I could never do, and fear does likewise. In this book, we'll sort out many individuals in the Old Testament who were moved by both forces and yet

were still called righteous. They were all on an incredible journey. But where were they going? What were they really seeking? Living by faith is probably the scariest thing you could ever choose to do. Some would say its the most foolish. In his book, *By Faith And Fear*, Elie takes you through conversations and questions of faith that are designed to challenge, stretch, and inspire. Focusing on contemporary issues and Biblical characters, Elie explains what living a life of faith can cost, but also how it can reap the biggest rewards. *By Faith and Fear* is an excellent read, one that will equip you for your personal faith journey. Rev. Liz Linssen, pastor of Bethel Community Church, Port Talbot, UK, and author of *Running with God*.

The Devil's Redemption : 2 Volumes Michael J. McClymond, 2018-06-05 2018 Book Award Winner, The Gospel Coalition (Academic Theology) A Choice Outstanding Academic Title for 2019 Will all evil finally turn to good, or does some evil remain stubbornly opposed to God and God's goodness? Will even the devil be redeemed? Addressing a theological issue of perennial interest, this comprehensive book (in two volumes) surveys the history of Christian universalism from the second to the twenty-first century and offers an interpretation of how and why universalist belief arose. The author explores what the church has taught about universal salvation and hell and critiques universalism from a biblical, philosophical, and theological standpoint. He shows that the effort to extend grace to everyone undermines the principle of grace for anyone.

Hall bridges the perceived gap between reason and belief, offering compelling scientific, philosophical, historical, and theological arguments for the existence of God. *How Science Has Discovered God* is not just another book on the relationship between science and religion. It is a quest for the truth about reality and the meaning and purpose of life. It engages the reader in a thought-provoking exploration of Christian Apologetics, revealing the existence of a loving and purposeful Creator. This authoritative and comprehensive study is sure to provide material for thought and inspiration. Critical Essays on C.S. Lewis George Watson,1992 Lewis was a critical theorist at a time when theory was unfashionable, and his theory of narrative, especially, has dropped from view in recent years. This volume, edited by a colleague of C.S. Lewis, traces his critical reputation from his earliest days to his death in 1963.

Essays on C.S. Lewis and George MacDonald Cynthia Marshall,1991 This volume goes beyond observations noting thematic connections between C.S. Lewis' theological writings and his imaginative fictions to probe the basic foundation of his conception of fiction and to advance the reader's understanding of the importance he granted to the imagination in perceiving truth. The book also explores the role George MacDonald (who Lewis said baptized [his] imagination) played in

the development of his theory of fiction. Walter Hooper and Ann Loades offer essays on questions of autobiography raised by *A Grief Observed*; Robert Holyer writes on the epistemology of *Till We Have Faces*; Frank Riga discusses dreams as conduits for the imagination; and Waldo Knickerbocker discusses Lewis' sense of Christianity as a true fairy tale.

The Sacred Marriage Benjamin G. Lockerd, 1987 This study is based on an application of Jungian psychology to the love theme in the central books of *The Faerie Queene*. It elucidates the connection that Spenser makes between spiritual unfolding and the complementary interaction of the masculine and feminine throughout the poem.

The Business of Heaven Clive Staples Lewis, Walter Hooper, 1984 Selections from the writings of C.S. Lewis provide meditations for each day of the year, including special religious holidays.

C.S. Lewis on the Fullness of Life Dennis Joseph Billy, 2009 Using the concept of deep heaven, an image borrowed from C. S. Lewis's popular work of Christian fantasy *The Great Divorce*, the basic christological truths of the faith are considered in the context of human happiness. Six important aspects of Jesus' redeeming actions from the Apostles' Creed are examined: his incarnation, passion and death, descent into hell, resurrection, ascension, and second coming. Each chapter concludes with a series of reflection questions and meditative prayers to assist the reader in uncovering practical applications for his or her life and relationship with God.--BOOK JACKET.

C.S. Lewis Index Janine Goffar, 1995 As far as Lewis's own works are concerned, this is the most important book to be published since he died. --Walter Hooper, Literary Advisor to the Estate of C.S. Lewis Whether one is trying for the first time to find out what my stepfather wrote about a particular topic, or whether one is having difficulty remembering the exact place of a passage read previously, the *C.S. Lewis Index* will prove invaluable. --Douglas Gresham, Author of *Lenten Lands: My Childhood with Joy Davidman and C.S. Lewis* A true boon to all who would mine the motherlode of Lewis's writings. Goffar's index is a reliable and well-researched guide to real treasure. --Dr. J. Stanley Mattson, Founder and President of the C.S. Lewis Foundation A wonderful book. It is and will be invaluable for every serious student of Lewis. --George Sayer, Author of *Jack: A Life of C.S. Lewis* Janine Goffar's Index to Lewis's theological works is one of the most useful books that has ever appeared on Lewis. --Dr. Thomas Howard, Professor of English at St. John's College; Author of *C.S. Lewis: Man of Letters* A monumental achievement and major contribution to Lewis studies. --Christopher W. Mitchell, Director of The Marion E. Wade Center at Wheaton College Goffar's work is a masterpiece of economy. Part of her gift to us is her talent for selecting just the right phrase, giving us just enough to let us know we've found the right quote or idea, sending us on to the

original, and allowing space for more entries. This is a work much needed and long overdue. --Wayne Martindale, Associate Professor of English at Wheaton College Whether one is hunting for a particular quotation or sampling Lewis's thoughts on a given subject, this resource may quickly become one of the most well-thumbed on the bookshelf. --Christianity Today A necessary aid, making all of Lewis's thought accessible categorically. I highly recommend it --Jerry Root, Co-editor of The Quotable Lewis Not only a useful--indeed, a necessary--addition to our efforts to apprehend C.S. Lewis, but a noble one. I shall visit this index continually. --Dr. James Como, Editor of CSL: The Bulletin of the New York C.S. Lewis Society and Author of C.S. Lewis at the Breakfast Table What began as Janine Goffar's years-long personal project in hand-written notebooks has grown to this comprehensive, much-endorsed volume for all Lewis scholars and fans. She is an active member of the Southern California C.S. Lewis Society.
