Experiencing God through prayer Sami Mike, 2021-03-10 Experiencing God through prayer Knowing and Doing the Will of God Inside this book are great insights that will shift you into another realm of faith and help you build capacity in prayers to get answers to your prayer requests. It is time for the world to dive deeper in faith and come into the proper knowledge of God. I await your testimony as you study this faith manual. Your Guide to Finding Spirituality in this present world An average 21st-century believer has replaced spirituality with religion. We engage in all manner of things we call spiritual activities today to show our commitment level, believing that these things prove our spirituality. Still, we have deviated from true spirituality. Spirituality reveals our love for God, our faith in Him. It is simply a lifestyle of faith, for, without faith, it is impossible to please God, and if we can't please God, we cannot walk with Him in truth and Spirit. Without faith, we can't believe in the word of God, and without our belief, we can't obey. Religion has kept many Christians in bondage today, doing all manner of things to seek God. No man can be fruitful in this kingdom through the practice of religion. Faith is what liberates us from every oppression of the devil; from the burden and weights the devil is using to drag you down, but the Bible says come unto me all ye that thirst, labor and heavy laden and I shall give you rest. Every man who desires to enjoy intimacy with God through the Holy ghost and desires to do exploits for God must stay and build his capacity and faith. Faith is the only tool a man can engage in enjoying a life of the supernatural. Inside this book are great insights that will shift you into another realm of faith and help you build capacity in prayers to get answers to your prayer requests. It is time for the

world to dive deeper in faith and come into the proper knowledge of God. I await your testimony as you study this faith manual.

Ascending the Mountain Within Stephen W. and Gwen H. Smith, 2019-11-05 Ascending the Mountain Within is a journey of exploring, discovering and experiencing contemplative prayer. If prayer, for you as seems more mechanical than conversational; more dutiful than intimate; more formulaic than heart felt, then this book invites you to Ascend the Mountain Within and discover a whole, other way of praying that is anchored in Scripture, modeled by the Desert Fathers, practiced by the Saints of old, but nearly forgotten and ignored in our modern times. In our fast, hurried and busy world, we have lost our way to experiencing God by assuming prayer to be transactional—something we must do to get something from God. Prayer is more than asking God to do something. Prayer, as the Smith's describe it, is experiencing God within. Ascending the Mountain is easy to ready; easy to comprehend and easy to remember guideline to experiencing prayer that is contemplative. This is not a book of tips and techniques. Rather, it is a confessional witness to how two seasoned veterans learned to pray. This is intended to be a prayer book, something you will want to carry with you and take with you, often referring to it as a clarion call to pray with the soul in mind.

Madame Jeanne Guyon Jeanne Marie Bouvier de La Motte Guyon, Madame Jeanne Guyon, Harold J. Chadwick, 2002-03 This volume contains two timeless classics on inner prayer and experiencing God from the woman who loved Christ too much: *Experiencing Union with God through Inner Prayer* and *The Way and Results of that Union*. In a time when her church focused on external works, Madame Jeanne Guyon looked into the heart of the matter and found that it's the prayers of the soul that God desires. For daring to teach this to the mass of people who knew not God in their hearts, she was once imprisoned by her own church leaders for seven years--four of those years in the notorious Bastille in Paris, France.
