**The Fire Is Upon Us** Nicholas Buccola, 2020-09 Paperback reprint. Originally published: 2019.

A Common Destiny National Research Council, Division of Behavioral and Social Sciences and Education, Commission on Behavioral and Social Sciences and Education, Committee on the Status of Black Americans, 1990-02-01 [A] collection of scholars [has] released a monumental study called A Common Destiny: Blacks and American Society. It offers detailed evidence of the progress our nation has made in the past 50 years in living up to American ideals. But the study makes clear that our work is far from over. “President Bush, Remarks by the president to the National Urban League Conference The product of a four-year, intensive study by distinguished experts, A Common Destiny presents a clear, readable big picture of blacks' position in America. Drawing on historical perspectives and a vast amount of data, the book examines the past 50 years of change and continuity in the status of black Americans. By studying and comparing black and white age cohorts, this volume charts the status of blacks in areas such as education, housing, employment, political participation and family life.

**Colored Women Sittin' on High** Melanie R. Hill, 2025-04-29 From blue-note turmoil to grace-note power, Black women preachers stand tall. In *Colored Women Sittin' on High*, Melanie R. Hill offers a new perspective on the art of the sermon in African American literature, music, and theology. Drawing on the womanist cadence of Alice Walker in literature and the rhythmical flow of named womanist theologians, Hill makes interventions at the intersections of African American literary criticism, music, and religious studies. Pushing against the patriarchal dominance that often exists in religious spaces, Hill argues that Black women's religious practice creates a “sermonic space” that thrives inside and outside the church, allowing for a critique of sexism and anti-Black racism. She examines literature by writers such as Zora Neale Hurston and James Baldwin, music by Aretha Franklin and Ms. Lauryn Hill, and sermons by theologians Ruby Sales and Vashti M. McKenzie, and she takes readers into a sermonic artwork of artists, preachers, and freedom movement activists who are, as Hill contends, the greatest “virtuosic alchemists” of our time.

*White Self-Criticality beyond Anti-racism* George Yancy, 2014-10-21 *White Self-Criticality beyond Anti-racism* powerfully

emphasizes the significance of humility, vulnerability, anxiety, questions of complicity, and how being a “good white” is implicated in racial injustice. This collection sets a new precedent for critical race scholarship and critical whiteness studies to take into consideration what it means specifically to be a white problem rather than simply restrict scholarship to the problem of white privilege and white normative invisibility. Ultimately, the text challenges the contemporary rhetoric of a color-blind or color-evasive world in a discourse that is critically engaging and sophisticated, accessible, and persuasive.

James Baldwin's Go Tell it on the Mountain Carol E. Henderson, 2006 The publication of James Baldwin's *Go Tell It on the Mountain* ushered in a new age of the urban telling of a tale twice told yet rarely expressed in such vivid portraits. *Go Tell It* unveils the struggle of man with his God and that of man with himself. Baldwin's intense scrutiny of the spiritual and communal customs that serve as moral centers of the black community directs attention to the striking incongruities of religious fundamentalism and oppression. This book examines these multiple impulses, challenging the widely held convention that politics and religion do not mix.

**James Baldwin's "Go Tell It on the Mountain" - a religious approach** Martin Arndt, 2004-10-06 Seminar paper from the year 2001 in the subject Theology - Miscellaneous, grade: good, University of Leipzig, language: English, abstract: James Arthur Baldwin was born to Emma Berdis Jones and an unknown father on August 2, 1924, in New York City. The fact that he did not know about the identity of his biological father haunted him all his life. Who was to become Baldwin's stepfather was a laborer and Pentecostal preacher who came - as part of the Great Migration - to New York in 1919 "seeking better social conditions and economic opportunities." (Kenan 1994: 26) After he married her, he began to preach in storefront churches and made a living of a job he had in a bottle factory on Long Island, and although he "worked steadily, until encroaching age and illness prohibited it", were his wages seldom high enough to feed his big family<sup>2</sup>, especially during the Great Depression. (Kenan: 27) As described in "Notes of a Native Son" this situation had contributed to his father's "intolerable bitterness of spirit." (Kenan: 88) It was "unrelieved bitterness and anger" that "drove [his father] away permanently in 1932." (Kenan: 27) James was very much influenced and shaped by his stepfather, and the problems that derived from his relationship to him became in my eyes a powerful motor for his poetry writings and determined his future decisions. To his father the young boy's intelligence and his interest in books was but a source of danger, for "the Bible was the only book worth reading." (Kenan: 29) If it wasn't for Orilla "Bill" Miller, a white woman from the Midwest who stepped up against his father's objections, and for Gertrude Ayer, a black principal who encouraged the young boy to write stories, plays and poems, James would have been deprived of a valuable education, because in the Baldwin household "education was suspect as a tool of the white devils not particularly useful to black men in a racist society that placed so many checks on their ambition." (Kenan: 31) James Baldwin was brought up "in a household atmosphere of strict, even suffocating, religiosity" (Kenan: 32) and his father lived "like a

prophet, in such unimaginably close communion with the Lord, that his long silence which were punctuated by moans and hallelujahs and snatches of old songs while he sat at the living room window never seemed strange to us." (Baldwin 1984: 89)

*The Outing* James Baldwin, 2014-07-29 In James Baldwin's classic short story, "The Outing," from *Going to Meet the Man*, a Harlem church group escapes the city for a summer day-trip of prayer and, more importantly, romance. Every summer, the Harlem Mount of Olives Pentecostal Assembly gives an outing, around the Fourth of July. There is boating, testifying, and illicit steps towards young love. Delving deeply into the church community he would depict in *Go Tell It On The Mountain*, this is Baldwin at his most compassionate, investigating the sexual ambivalence and towering religion of a group of young children on their way up the Hudson. "The Outing" is the perfect introduction to an American master. An eBook short.
