Scripture's Grand Story through the Old Testament Bryan Beyer,Bill Jones,2022-01-13 The Bible contains the greatest story ever told. It reveals the God of history, who is writing his story through history's events. It tells us about life, and it itself is life. It tells us about Jesus, God's Son, who secured salvation for a lost world two thousand years ago. Maybe you've tried to read the Bible all the way through before and didn't finish. Maybe you need a tool to guide you in your journey. That's what we hope this book will be for you. The Bible is sixty-six books, yet it is one book with one story. It was written over 1,500 years ago, but with one theme--Jesus! The Bible has forty human authors, but one divine author and one central story. It invites us into that story to embrace the life God designed for us. Scripture's Grand Story can help people with little Bible knowledge achieve a basic framework for grasping the Bible's main story. Those with a basic understanding of Scripture will benefit by seeing how each story plays a part in the one central story--Jesus.

Jacob Ruth R. Brand,2005 The many ups and downs in the life of Jacob are dramatized in compelling stories for elementary students, with simplified versions for tiny tots. This volume includes splendid illustrations, maps, photographs of artifacts from ancient times, and a comprehensive glossary that brings a forgotten age to life. There is something here for every member of the family.
