Martin Luther King Jr. John A. Kirk, 2014-06-06 Combining the latest insights from King biographies and movement histories, this book provides an up-to-date critical analysis of the relationship between King and the wider civil rights movement. Delivering a fresh perspective on the relationship between 'the man and the movement', Kirk argues that it is the interaction between national and local movement concerns that is essential to understanding King's leadership and black activism in the 1950s and 1960s. Kirk examines King's strengths and his limitations, and weighs the role that King played in the movement alongside the contributions of other civil rights organizations and leaders, and local civil rights activists. Based on extensive research and more than seven hundred interviews, with subjects

including Andrew Young, Jesse Jackson, and Coretta Scott King, Garrow paints a multidimensional portrait of a charismatic figure driven by his strong moral obligation to lead—and of the toll this calling took on his life. Bearing the Cross provides a penetrating account of King's spiritual development and his crucial role at the Southern Christian Leadership Conference, whose protest campaigns in Birmingham and Selma, Alabama, led to enactment of the landmark Civil Rights Act of 1964 and Voting Rights Act of 1965. This comprehensive yet intimate study reveals the deep sense of mission King felt to serve as an unrelenting crusader against prejudice, inequality, and violence, and his willingness to sacrifice his own life on behalf of his beliefs.
