M Lipman

Play Dead Harlan Coben, 2010-09-28 The worlds of celebrity and sports are brilliantly dissected and turned upside down in the debut thriller from the bestselling author and creator of the hit Netflix drama *The Stranger*. Theirs was a marriage made in tabloid heaven, but no sooner had supermodel Laura Ayars and Celtics star David Baskin said “I do” than tragedy struck. While honeymooning on Australia’s Great Barrier Reef, David went out for a swim—and never returned. Now widowed and grieving, Laura has a thousand questions and no answers. Her search for the truth will draw her into a web of lies and deception that stretches back thirty years—while on the court at Boston Garden, a rookie phenom makes his spectacular debut...

Play Dead Harlan Coben, 1993 The mysterious drowning death of her husband, Boston Celtics superstar David Baskin, sets fashion model Laura Ayers off investigating his death, and as she draws closer to the truth, her own life is suddenly in danger. Reprint.

I Will Find You Harlan Coben, 2023-03-14 In this breathtaking thriller from a New York Times bestselling author, an innocent father serving life for the murder of his own son receives evidence that his child may still be alive—and must break out of prison to find out the truth. David Burroughs was once a devoted father to his three-year-old son Matthew, living a dream life just a short drive away from the working-class suburb where he and his wife, Cheryl, first fell in love—until one fateful night when David woke to discover Matthew had been murdered while David was asleep just down the hall. Half a decade later, David’s been wrongly accused and convicted of the murder, left to serve out his time in a maximum-security prison—a fate which, grieving and wracked with guilt, David didn’t have the will to fight. The world has moved on without him. Then Cheryl’s younger sister, Rachel, makes a surprise appearance during visiting hours bearing a strange photograph . . . in the background, just barely in frame, is a boy bearing an eerie resemblance to David’s son. David just knows: Matthew is still alive. David plans a harrowing escape, determined to achieve the impossible—save his son, clear his own name, and discover the real story of what happened. But with his life on the line and the FBI following his every move, can David evade capture long enough to reveal the shocking truth?

Along with bibliographic information, the expected date of publication and the names of literary agents for individual titles are provided. Starred reviews serve several functions: In the adult section, they mark potential bestsellers, major promotions, book club selections, and just very good books; in the children's section, they denote books of very high quality. The unsigned reviews manage to be discerning and sometimes quite critical.
