

# Qualitative Social Work Journal

**Ian Shaw,Nick Gould**

**Doing Qualitative Research in Social Work** Ian Shaw,Sally Holland,2014-04-15 Bringing key developments and debates together in a single volume, this book provides an authoritative guide for students and practitioners embarking on qualitative research in social work and related fields. Frequently illustrated with contemporary and classic case examples from the authors' own empirical research and from international published work, and with self-directed learning tasks, the book provides insight into the difficulties and complexities of carrying out research, as well as sharing 'success' stories from the field. Shaw and Holland have long experience of writing for practitioners and students and in making complex concepts accessible and readable, making this an ideal text for those engaging in qualitative social work research at any level. Ian Shaw is a Professor of Social Work at the University of York and at the University of Aalborg. Sally Holland is a Reader in Social Work at the School of Social Sciences in Cardiff University.

Qualitative Methods in Social Work Research Deborah Padgett,2008-06-20 An update of a popular text with both lecturers and students that has a conversational tone.

**The SAGE Handbook of Social Work** Mel Gray,James Midgley,Stephen A Webb,2012-06-22 This Handbook is the world's first generic major reference work to provide an authoritative guide to the theory, method, and values of social work in one volume. Drawn from an international field of excellence, the contributors each offer a critical analysis of their individual area of expertise. The result is this invaluable resource collection that not only reflects upon the condition of social work today but also looks to future developments. Split into seven parts, the Handbook investigates: - Policy dimensions - Practice - Perspectives - Values and ethics - The context of social work - Research - Future challenges It is essential reading for all students, practitioners, researchers, and academics engaged in social work.

**Global Social Work** Bala Nikku,2020-07-15 This edited book, Global Social Work - Cutting Edge Issues and Critical Reflections, presents global social work expertise, practical tools, and an iterative and reflective process for developing a global social work pedagogy that advances deep disciplinary learning. The authors offer the specifics of a justice based, decolonizing global social work education and practice. This book will be an asset to faculty communities interested in specializing in global social work. The book offers hope that the faculty, students, and practitioners of social work develop an intercultural, international, cross-border critical approach that further prepares them to meet the global standards of social

work education and research and at the same time skillfully act, advocate, and transform global communities and their role in a globalized world.

**Qualitative Research in Social Work** Ian Shaw, Nick Gould, 2001-10-04 'A really fine book... an impressive work that adds much to the development of the use of qualitative methodology in social work research' - William J Reid, University at Albany 'The back cover of the book proclaims that Qualitative Research in Social Work will be essential reading for all students, practitioners and researchers undertaking social work research. That just about sums it up for me' - British Journal of Social Work 'This book is a significant milestone in the development of social work research. It is characterized by an unparalleled command of the field of qualitative research in social work, and by a commitment to an understanding of the demands and potential of day-to-day social work practice' - Mike Fisher, Director of Research, National Institute for Social Research 'Qualitative Research in Social Work edited by Ian Shaw and Nick Gould, provides a state-of-the-art exposition and analysis of qualitative inquiry in relation to social work.... The book has an unusual degree of coherence for one with several authors. The five chapters by the editors (parts one and three) do an exceptional job of providing the necessary background information and setting the context for the six application chapters and of highlighting and discussing the issues raised in those chapters. The editors are respected scholars well-versed in the theory and practice of qualitative research. Similarly, the contributing authors represent both considerable experience in this field and a diversity of interests. This combination makes Qualitative Research in Social Work an excellent text for students, practitioners, and researchers alike. It is a benchmark for social work progress in this area and points the way for the continued development of qualitative inquiry' - Professor Stanley L Witkin, Department of Social Work, University of Vermont There is a clear need for a book which treats qualitative research as a substantive theme within social work, setting epistemological and methodological issues in a context whereby the agenda is set by, and is relevant to, social work. Qualitative Research in Social Work is just such a book and will be immensely useful for students, practitioners and researchers interested in and undertaking social work research. In the introductory chapters the co-authors set qualitative research within a context of social work developments and problems. The central section provides additional topicality and directness through specially commissioned chapters from leading figures in this field each covering key qualitative methods and relating them to social work settings, and the final section which reviews qualitative research in social work, and aims to exemplify ways in which social work thought and practice can be advanced through research.

**The Handbook of Social Work Research Methods** Bruce Thyer, 2009-10-15 Click on the Supplements tab above for further details on the different versions of SPSS programs. The canonical Handbook is completely updated with more student-friendly features The Handbook of Social Work Research Methods is a cutting-edge volume that covers all the major topics that are relevant for Social Work Research methods. Edited by Bruce Thyer and containing contributions by leading

authorities, this Handbook covers both qualitative and quantitative approaches as well as a section that delves into more general issues such as evidence based practice, ethics, gender, ethnicity, International Issues, integrating both approaches, and applying for grants. New to this Edition More content on qualitative methods and mixed methods More coverage of evidence-based practice More support to help students effectively use the Internet A companion Web site at [www.sagepub.com/thyerhdbk2e](http://www.sagepub.com/thyerhdbk2e) containing a test bank and PowerPoint slides for instructors and relevant SAGE journal articles for students. This Handbook serves as a primary text in the methods courses in MSW programs and doctoral level programs. It can also be used as a reference and research design tool for anyone doing scholarly research in social work or human services.

**The SAGE Handbook of Social Work Research** Ian Shaw, Katharine Briar-Lawson, Joan Orme, Roy Ruckdeschel, 2009-11-27 This is an ambitious book. It aims at nothing less than a comprehensive account of the state of the art of social work research internationally and an intellectually original statement that will help to define and shape social work research. Those with a serious interest in social work research will agree that this is a major undertaking and one that should put social work research 'on the map'. - Ian Sinclair, University of York, UK This terrific Handbook provides an essential map for navigating the complex currents of social work research today. It resists polemical and simplistic binaries to chart a course that emphasizes diversity, pluralism and sensitivity to political contexts in many featured exemplars. As key chapters note, inherent tensions at the heart of social work itself are mirrored in current debates about the purposes and methods of social work research. Rather than patch over differences, the volume invites us to understand historical roots of unresolvable tensions, and live with them. The international scope of the volume is unique--scholars from more than a dozen different countries were involved --and its broad scope counters the tendency toward parochialism of much North American literature. The Handbook should be essential reading for students and academics. - Catherine Riessman, Boston University, USA The SAGE Handbook of Social Work Research provides a comprehensive, internationally-focused account of leading social work research, offering an original and defining statement on contemporary theory and practice within the field. The groundbreaking Handbook engages critically with the nature and role of social work research and evaluation in contemporary societies around the globe, and asks four key questions: - What is the role and purpose of social work research? - What contexts shape the practice and purpose of social work research? - How can we maximise the quality of the practice of social work research? - How can the aims of social work in its varied domains be met through social work research? Ranging over local, national and international issues, and exploring questions of theory and practice, this is a diverse and constructively organized overview of the field. It will quickly be recognized as a benchmark in the expanding field of social work research, setting the agenda for future work in the arena.

Research and Social Work in Time and Place Ian Shaw, 2023-02-24 This volume, which brings together chapters and

journal articles published by renowned academic Ian Shaw, focusses on the practice/research relationship within social work – a theme that has preoccupied much of his writing over the last 40 or more years. These pieces show the academic development of his understanding of the complexity and challenge of that relationship, as well as the shifts which have occurred in it over time. Divided into four sections Forming Professional Practice Forming Social Work Research Chicago, Sociology and Social Work Critical Tributes and Debates and comprised of 31 chapters, it will be of interest to all scholars of social work, and allied subjects, including sociology, allied health, social policy and disability studies.

*The Handbook of Social Work Research Methods* Bruce Thyer, 2001 This volume is the definitive resource for anyone doing research in social work. It details both quantitative and qualitative methods and data collection, as well as suggesting the methods appropriate to particular types of studies. It also covers issues such as ethics, gender and ethnicity, and offers advice on how to write up and present your research.

Journal of Education for Social Work, 2008

**Qualitative Inquiry in Social Work** Jane Gilgun, 2018-08-08 Qualitative Inquiry in Social Work is a global publication that bridges gaps between oral transmission and journal articles. The writing is informal, personal, and interesting and matches our experiences as qualitative inquirers. We chose the word inquiry over research because the term in-inquiry has a broad sweep that includes research and goes beyond it. Jim Drisko wrote about the nature of inquiry in his article for this issue. He said inquiry involves fun, creativity, wonder, and speculation. The articles in QISW have these qualities. Such writing makes ideas accessible to a wide audience. Think about what's in your fieldnotes, the kinds of things you say about your research in relaxed settings, and what you think about but don't write down or even talk about. That's what we want for QISW. QISW is a publication of the Qualitative Social Work Global Network that arose from Social Work Day, the great qualitative social work get-together that happens each May at the International Congress of Qualitative Inquiry, in Urbana, Illinois, USA. Norman Denzin is the originator and director of ICQI. Qualitative inquiry includes reflections, speculations, theorizing, and creating accounts not only of human phenomena but also how our efforts might bring about positive social change.

Qualitative Research in Social Work Ian Shaw, Nick Gould, 2002-03-29 There is a clear need for a book which treats qualitative research as a substantive theme within social work, setting epistemological and methodological issues in a context whereby the agenda is set by, and is relevant to, social work. Qualitative Research in Social Work is just such a book and will be immensely useful for students, practitioners and researchers interested in and undertaking social work research. In the introductory chapters the co-authors set qualitative research within a context of social work developments and problems. The central section provides additional topicality and directness through specially commissioned chapters from leading figures in this field each covering key qualitative methods and rel

**Qualitative Methods in Social Work Research** Deborah K. Padgett, 2016-05-25 Qualitative Methods in Social Work Research provides accessible, how-to instruction for carrying out rigorous qualitative research. Deborah K. Padgett's thoroughly revised Third Edition offers a comprehensive introduction to qualitative methods based on six major approaches: ethnography, grounded theory, case study, narrative, phenomenological, and participatory action research. Readers will appreciate the book's ease of use, friendly writing style, and helpful cases/examples that combine attention to methodological rigor with pragmatic concerns for real-world relevance.

**Fulltext Sources Online**, 2007

Journal of Sociology and Social Welfare, 1995

**The Encyclopedia of Social Work** Terry Mizrahi, Larry Davis, 2008-04-24 This 20e contains 400 articles which represent a thoroughly updated and expanded look at the entire field of social work. The 4-volumes cover all aspects of social work from practice/interventions, social environments, social conditions and challenges, to social policy and history. Co-published by OUP and the National Assoc. of Social Workers, USA.

Magazines for Libraries William A. Katz, 2006

Teaching Qualitative Research, 1998

**Generalist Social Work Practice** Karla Krogsrud Miley, Michael O'Melia, Brenda DuBois, 2007 The Fifth Edition of this innovative text continues to emphasize a generalist, empowerment-oriented approach, along with practice strategies and techniques for working toward individual client and social change. The Fifth Edition updates the contemporary themes of social work practice into an integrated practice process. New resources extend the research base, add breadth and depth, and position this book as a defining work for articulating an empowerment-based method of social work practice.

**Research for Effective Social Work Practice** Judy L. Krysik, 2018-04-09 In this book and companion website you will find: ■ A practice-oriented description of qualitative and quantitative research methods that engages rather than intimidates students ■ Illustrations of real-life research and evaluation from different levels of social work practice, encompassing many populations ■ Attention to the ethics and politics of research at each phase of the process, from the identification of an issue through reporting findings ■ Exercises that provide hands-on learning opportunities in research and evaluation ■ A historical, strengths-based perspective on research and evaluation in social work that teaches empowerment and professionalism ■ Six in-depth, interactive, easy-to-access cases, that include data in SPSS and Excel ■ A wealth of instructor-only resources available at [www.routledgesw.com/research](http://www.routledgesw.com/research), including sample syllabi, links, multiple-choice, and free-response test items all linked to current EPAS standards, and PowerPoint presentations.

### **Qualitative Social Work Journal Introduction**

In today's digital age, the availability of Qualitative Social Work Journal books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages

of Qualitative Social Work Journal books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Qualitative Social Work Journal books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Qualitative Social Work Journal versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Qualitative Social Work Journal books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Qualitative Social Work Journal books and manuals, several platforms offer an extensive collection of resources. One such platform is Project

Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Qualitative Social Work Journal books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Qualitative Social Work Journal books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access

to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Qualitative Social Work Journal books and manuals for download and embark on your journey of knowledge?

### FAQs About Qualitative Social Work Journal Books

1. Where can I buy Qualitative Social Work Journal books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Qualitative Social Work Journal book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Qualitative Social Work Journal books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Qualitative Social Work Journal audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite

- books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
  10. Can I read Qualitative Social Work Journal books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
