What followed was a courageous yearlong battle, filled with doctors' appointments, tests, and treatments. Will to Wild Shelby Stanger,2024-06-11 *Will to Wild* is an instruction manual to adventure. Your guide: enthusiastic outdoorswoman Shelby Stanger. Shelby has been teaching folks how to leap into the unknown since she taught her first surf class over twenty years ago. Over the years, she watched many of her students quit their jobs, end dysfunctional relationships, and move across the country for a healthier work-life-balance--all after spending a bit of time in nature. Shelby marveled at the phenomenon. Being outside was changing the lives of her students, her peers, and herself. Shelby was so intrigued, she began to tell their stories, first as a writer and journalist, then as a podcast host for *Wild Ideas Worth Living*, REI Co-op Studio's flagship podcast. --

Narratives of Hope and Despair Johanna M. Wagner,Melanie Duckworth,Deanna Benjamin,2025-10-14 In narratives of literature and cultural production, hope and despair remain fundamental in exploring our world. In recent years, political polarization, the Covid pandemic, global warming, and new and ongoing wars have contributed to global crises, to which despair is an understandable response. Yet hope is continually sought and proclaimed. By examining tropes of ruin and

regeneration in a wide selection of narratives including memoir, graphic narratives, fiction, film, art, radio plays, culture, rhetoric, and discourse, the book uncovers resonances between them. The anthology moves from the personal to the collective, addressing individual matters of the body and the mind, societal visions of utopia and dystopia, and, finally, hope and despair for the earth itself in representations of apocalypse and the Anthropocene. This structure, alongside the interdisciplinary nature of the project, maps dynamic international perspectives in which hope and despair flow across and through personal, social, and earthly concerns.
