Beyond the Closed Door: Unique Keys to Unlock Destinies Gift Gugu Mona, 2021-10-16 Have you ever felt like life's best opportunities are slipping through your fingers, and that you struggle to keep going after them when essential doors close in your face? Have you run into insurmountable odds that are keeping you from taking off? Well, this fantastic book could be the key you need to unlock those closed doors. From a practical yet relatable standpoint, this book explores the techniques that lead to a path of success. While others might think of a door as a primitive contraption created by men to protect their properties, Dr. Gift Gugu Mona shares unfathomable wisdom and analogies with the reader throughout the text. She expands on the door metaphor in a remarkable and original literary style. She opens up a whole new realm of possibilities with her creative thinking, and discusses several topics, including Pursuing the Right Doors, What to Do When You Face a Closed Door, as well as Gifts and Open Doors. Dr. Mona is a natural anchor, and her charismatic approach to writing runs throughout this book. Selected chapters focus on the pros and cons, as well as the do's and don'ts of various doors. This book persuades the reader to find the keys to their door of opportunities. It is a must-have for anyone seeking to enhance their quality of life and obtain unique keys to unlock destiny.
