Fantastically Faithful Heroes Who Gave their All for God Paul Kerensa, 2025-02-27 Get ready to be inspired by eight fantastically faithful people who all had one thing in common: they each answered God's call to help others and became a hero. Here, you will meet: Edward Jenner: who saved millions of lives when he invented the first ever vaccine Harriet Tubman: an escaped slave who rescued many other enslaved people Pandita Ramabai: who helped thousands of abandoned children and child widows Edith Cavell: a nurse who treated the wounded on both sides in the First World War John Harper: a pastor who put other people first when the Titanic sank Corrie Ten Boom: who helped hide Jewish people escaping the Nazis Martin Luther King Jr: who worked to change laws that discriminated against African Americans Jesse Owens: an athlete who beat all the odds to win four Olympic gold medals Be encouraged to follow their example and become a hero too! With humorous black and white line drawings and text that bounces off the page, books in this biography series for the twenty-first century will inspire kids aged 7 plus to put their faith in Jesus and to use their talents for the glory of God. Each chapter ends with a Bible memory verse, questions for reflection, and a short prayer.

Everyday Quotations Jack Maguire, 1998 Inspirational phrases by well-known writers, philosophers, statesmen and celebrities.

Breaking White Supremacy Gary J. Dorrien, 2018-01-01 This magisterial follow-up to *The New Abolition*, a Grawemeyer Award winner, tells the crucial second chapter in the black social gospel's history. The civil rights movement was one of the most searing developments in modern American history. It abounded with noble visions, resounded with magnificent rhetoric, and ended in nightmarish despair. It won a few legislative victories and had a profound impact on U.S. society, but failed to break white supremacy. The symbol of the movement, Martin Luther King Jr., soared so high that he tends to overwhelm anything associated with him. Yet the tradition that best describes him and other leaders of the civil rights movement has been strangely overlooked. In his latest book, Gary Dorrien continues to unearth the heyday and legacy of the black social gospel, a tradition with a shimmering history, a martyred central figure, and enduring relevance today. This part of the story centers around King and the mid-twentieth-century black church leaders who embraced the progressive, justice-oriented, internationalist social gospel from the beginning of their careers and fulfilled it, inspiring and leading America's greatest liberation movement.

Unnatural Quotations Leigh W. Rutledge, 1988 Leigh Rutledge, author of the bestselling *Gay Book of Lists*, has been digging through his files of clipping. The result is *Unnatural Quotations*, an entertaining collection of quotes by or about gay

people. Hundreds of familiar figures - both past and present, homophilic and homophobic - are represented here by their words, as well as the context in which those words were spoken. Well-illustrated and indexed for handy reference, *Unnatural Quotations* is a book you will come back to and enjoy again and again.--Page [4] of cover.

American Women Civil Rights Activists Gayle J. Hardy, 1993 Ranging from such pioneers as Elizabeth Blackwell, Mary L. Bonney, Kate Barnard, Mariana Bracetti, and Amelia Stone Quinton, to contemporary figures such as Iola M. Pohocsucut Hayden, Rosa Parks, Angela Davis, and Shirley Chisholm, these 68 women have worked passionately for civil rights in the United States. The issues that they have championed have been as varied as the women themselves: African Americans, Latino Americans, Native Americans, children, lesbians and gays, adoptees, older adults, differently-abled persons, prisoners, education, political reform, health issues and many others. Many have been active in women's rights and suffrage issues. A short biographical sketch of each woman is provided, listing place of birth, schools, important events and achievements, children, parents, siblings and individuals who had a significant influence on her work. The second part of each entry is an extensive bibliography of works by and about the activist. Included are print and nonprint sources, as well as dissertations, theses, manuscript materials and personal papers. The work is thoroughly indexed.
